Dixon, 2017-09-05 Brother detectives Frank and Joe follow a crooked trail of artistic deception in the fifteenth book in the thrilling Hardy Boys Adventures series The Hardy Boys are visiting Paris Joe is excited to check out all the street art he's heard about And Frank can't wait to go to all the museums he's researched On their very first day in the city the brothers are woken up early in the morning by fireworks But these are no ordinary fireworks They are a part of elaborate cover for the heist of a priceless artifact What's worse the theft seems to have been orchestrated by Joe's favorite street artist an unidentified outlaw and activist that goes only by the name Le Stylo Everyone seems sure that it's him but the Hardys are suspicious From everything they know about Le Stylo the crime is out of character Sure he makes a habit of provoking the authorities but he's an activist not a thief Could the artist known for his mystique have been framed Frank and Joe are determined to find out A race to find the real thief has Frank and Joe following clues that lead them all over Paris where they hobnob with rich art patrons travel in a car that can only be described as a small Batmobile and explore the extensive Catacombs under the city Deep in the world of artistic deception the boys have to wonder are they in over their heads

author of *Boyfriend Material* comes a sweet and scrumptious romantic comedy about facing your insecurities finding love and baking it off no matter what people say Paris Daillencourt is a recipe for disaster Despite his passion for baking his cat and his classics degree constant self doubt and second guessing have left him a curdled directionless mess So when his roommate enters him in *Bake Expectations* the nation's favourite baking show Paris is sure he'll be the first one sent home But not only does he win week one's challenge he meets fellow contestant Tariq Hassan Sure he's the competition but he's also cute and kind with more confidence than Paris could ever hope to have Still neither his growing romance with Tariq nor his own impressive bakes can keep Paris's fear of failure from spoiling his happiness And when the show's vicious fanbase confirms his worst anxieties Paris's confidence is torn apart quicker than tear and share bread But if Paris can find the strength to face his past his future and the chorus of hecklers that live in his brain he'll realize it's the sweet things in life that he really deserves
