Looking For America The Peoples History:

Looking for America Stanley I. Kutler, *Looking for America* Stanley I. Kutler, 1976 Looking for America Stanley I. Kutler, 1976 **Looking for America** Stanley I. Kutler, 1976 *Looking for America* Stanley I. Kutler, 1979 A People's History of the American Revolution Ray Raphael, 2011-05-24 The best single volume history of the Revolution I have read Howard Zinn Upon its initial publication Ray Raphael's magisterial *A People's History of the American Revolution* was hailed by NPR's Fresh Air as relentlessly aggressive and unsentimental With impeccable skill Raphael presented a wide array of fascinating scholarship within a single volume employing a bottom up approach that has served as a revelation *A People's History of the American Revolution* draws upon diaries personal letters and other Revolutionary era treasures weaving a thrilling you are there narrative a tapestry that uses individual experiences to illustrate the larger stories Raphael shifts the focus away from George Washington and Thomas Jefferson to the slaves they owned the Indians they displaced and the men and boys who did the fighting Los Angeles Times Book Review This remarkable perspective on a familiar part of American history helps us appreciate more fully the incredible diversity of the American Revolution Kirkus Reviews Through letters diaries and other accounts Raphael shows these individuals white women and men of the farming and laboring classes free and enslaved African Americans Native Americans loyalists and religious pacifists acting for or against the Revolution and enduring a war that compounded the difficulties of everyday life Library Journal A tour de force Ray Raphael has probably altered the way in which future historians will see events The Sunday Times *A People's History of American Empire* Howard Zinn, Mike Konopacki, Paul Buhle, 2008-04-01 Adapted from the bestselling grassroots history of the United States the story of America in the world told in comics form Since its landmark publication in 1980 *A People's History of the United States* has had six new editions sold more than 17 million copies become required classroom reading throughout the country and been turned into an acclaimed play More than a successful book *A People's History* triggered a revolution in the way history is told displacing the official versions with their emphasis on great men in high places to chronicle events as they were lived from the bottom up Now Howard Zinn historian Paul Buhle and cartoonist Mike Konopacki have collaborated to retell in vibrant comics form a most immediate and relevant chapter of *A People's History* the centuries long story of America's actions in the world Narrated by Zinn this version opens with the events of 9/11 and then jumps back to explore the cycles of U.S. expansionism from Wounded Knee to Iraq stopping along the way at World War I Central America Vietnam and the Iranian revolution The book also follows the story of Zinn the son of poor Jewish immigrants from his childhood in the Brooklyn slums to his role as one of America's leading historians Shifting from world shattering events to one family's small revolutions *A People's History of American Empire* presents the classic ground level history of America in a dazzling new form A People's History of the United States Howard Zinn, 2012-11 The Abridged Teaching Edition of *A People's History of the United States* has made Howard Zinn's original text available specifically for classroom use With exercises and

teaching materials to accompany each chapter this edition spans American Beginnings Reconstruction the Civil War and through to the present with new chapters on the Clinton Presidency the 2000 elections and the War on Terrorism A People's History of American Higher Education Philo A. Hutcheson, 2019-06-19 This pathbreaking textbook addresses key issues which have often been condemned to exceptions and footnotes if not ignored completely in historical considerations of U S higher education particularly race ethnicity gender and class Organized thematically this book builds from the ground up shedding light on the full diverse range of institutions including small liberal arts schools junior and community colleges black and white women s colleges black colleges and state colleges that have been instrumental in creating the higher education system we know today A People s History of American Higher Education surveys the varied characteristics of the diverse populations constituting or striving for the middle class through educational attainment providing a narrative that unites often divergent historical fields The author engages readers in a powerful revised understanding of what institutions and participants beyond the oft cited elite groups have done for American higher education A People s History of American Higher Education focuses on those participants who may not have been members of elite groups yet who helped push elite institutions and the country as a whole Hutcheson introduces readers to both social and intellectual history providing invaluable perspectives and methodologies for graduate students and faculty members alike This essential history of American higher education brings a fresh perspective to the field challenging the accepted ways of thinking historically about colleges and universities To 1865 Stanley I. Kutler, 1979 PRIMARY RESOURCE MATERIAL IN AMERICAN HISTORY Voices of a People's History of the United States Howard Zinn, Anthony Arno, 2011-01-04 Here in their own words are Frederick Douglass George Jackson Chief Joseph Martin Luther King Jr Plough Jogger Sacco and Vanzetti Patti Smith Bruce Springsteen Mark Twain and Malcolm X to name just a few of the hundreds of voices that appear in Voices of a People s History of the United States edited by Howard Zinn and Anthony Arno Paralleling the twenty four chapters of Zinn s A People s History of the United States Voices of a People s History is the long awaited companion volume to the national bestseller For Voices Zinn and Arno have selected testimonies to living history speeches letters poems songs left by the people who make history happen but who usually are left out of history books women workers nonwhites Zinn has written short introductions to the texts which range in length from letters or poems of less than a page to entire speeches and essays that run several pages Voices of a People s History is a symphony of our nation s original voices rich in ideas and actions the embodiment of the power of civil disobedience and dissent wherein lies our nation s true spirit of defiance and resilience

A People's History of Poverty in America Stephen Pimpare, 2011-06-07 Tens of millions of Americans currently live in poverty more and more of them in extreme poverty But the words we use to describe them tend to obscure rather than illuminate the human lives and real life stories behind the statistics A sympathetic social history that allows poor people past and present to tell their own remarkably similar stories Booklist A People s History of Poverty in America movingly brings to

life poor people's everyday battles for dignity and respect in the face of the judgment control and disdain that are all too often the price they must pay for charity and government aid Through prodigious research Stephen Pimpare has unearthed poignant and often surprising testimonies and accounts that range from the early days of the United States to the complex social and economic terrain of the present A work of sweeping analysis **A People's History of Poverty in America** reminds us that poverty is not in itself a moral failure though our failure to understand it may well be

Summary of A People's History Of The United States RapidReads,2025-08-27 What if America's story were told not by presidents and generals but by the ordinary people who lived it In *A People's History of the United States* historian Howard Zinn presents a groundbreaking account of U.S. history through the voices of women workers African Americans Native Americans immigrants and others too often left out of traditional narratives This chapter by chapter summary distills Zinn's powerful retelling of events from Columbus's arrival through the late 20th century highlighting the struggles for justice equality and dignity that shaped the nation from the ground up From the fight for labor rights and women's suffrage to the ongoing battles for racial equality and social reform Zinn shows how progress has always been driven by grassroots movements often against fierce resistance Whether you're a student of history or simply seeking a fresh perspective on America's past this summary offers a clear accessible companion to one of the most influential works of historical scholarship in modern times
