Are Sealed Carmen Richter,2017-08-08 At sixteen years old I lost my first love and it shook me to my core My parents thought taking me out of town for the summer would help me to move on but I returned home the same way I left a broken girl who was the last person to see her boyfriend alive The night before school started back up I went to an open mic night and poured my heart and soul into a song I wrote for the boy who never made it home That night I met Elijah and we had an instant connection that I couldn t ignore For the first time in months I felt alive again But the next day Elijah walked into my drama class as Mr Larson our new teacher How was I supposed to go back to the way things were when my whole life had

been turned upside down And how was I supposed to stop myself from falling for the man who had brought me back to life See author s website for full list of content and trigger warnings Note **My Lips Are Sealed** is the first book in the Sealed With a Kiss series and the first book of Zoe s continuous trilogy which must be read in order **My Fate Is Sealed** Carmen Richter,2018-10-12 When my best friend committed suicide in our senior year of high school I moved two states away trying to escape the grief Less than two years later I found out that my girlfriend had cheated on me and was about to have another man s child I spent the next three years retreating into a shell of my former self keeping everyone at arm s length If all I got out of letting people in was pain what was the point But that all changed the night I met Zoe When I heard her sing her voice captivated me When I talked to her I felt an immediate connection When I kissed her she brought me back to life And then she walked into my classroom the next day as one of my high school students Could I really pretend the chemistry between Zoe and I didn t exist Or was I willing to risk everything to be with the girl who had reminded me that life was worth living See author s website for a full list of content and trigger warnings Note **My Fate Is Sealed** is the fourth book in the Sealed With a Kiss series and the first book of Elijah s continuous trilogy This trilogy follows the events of Zoe s trilogy but from Elijah s perspective Now and Then We Time Travel Fraser A. Sherman,2017-01-11 More than 400 films and 150 television series have featured time travel stories of rewriting history lovers separated by centuries journeys to the past or the often dystopian future This book examines some of the roles time travel plays on screen in science fiction and fantasy Plot synopses and credits are listed for films and TV series from England Canada the UK and Japan as well as for TV and films from elsewhere in the world Tropes and plot elements are highlighted The author discusses philosophical questions about time travel such as the logic of timelines causality what s to keep time travelers from jumping back and correcting every mistake and morality if you correct a mistake are you still guilty of it **Not So Bad After All** Elaine E. Gaulke, 2021-09-21 Written in a theopoetic key this book challenges Christian reliance on the motif of promise especially

where promise is regarded as a prerequisite for the experience of hope. It pursues instead an unpromising hope available to the agnostic or belief fluid members and leaders of faith communities. The book rejects any theological judgement about doubt and hopelessness being sinful. It also rejects any hope which is grounded in a sense of Christian supremacy. Chapter 1 focuses on Ernst Bloch's antifascist concept of utopian surplus, putting Bloch in conversation with queer theorist Jose Esteban Munoz and womanist theologian M. Shawn Copeland. Chapter 2 explores the saudadic and theopoetic hope of Rubem Alves. Chapter 3 turns to the womanist theologies of Delores Williams, Emilie Townes, and A. Elaine Brown Crawford. Finally, chapter 4 engages the post-colonial eschatology of Vitor Westhelle, framing hope as nearby in space rather than nearby in time. Each chapter offers an unpromising hope that may be tapped into by those who wish to affirm belief fluidity in their own communities and by those who wish to speak of hope honestly, whether or not at any given moment they believe in God or in the promises of a god.
