Lorca The Gay Imagination

Simon Breden

Lorca The Gay Imagination:

Lorca Paul Binding,1985 The first book length publication to examine Lorcass writing specifically from the standpoint of his sexuality **Federico Garcia Lorca and the Culture of Male Homosexuality** Ángel Sahuquillo,2007-05-31 Spain in the twentieth century gave birth to an array of astounding artistic and literary talent including the passionately iconoclastic writer Federico Garcia Lorca But his works were ill received in the homophobic atmosphere of institutionalized Spanish criticism Because of this atmosphere even today s critics have effectively marginalized and disavowed intimations of homo affectivity and homoeroticism in the great Spanish works This book first appeared in Spain in 1991 as counter discourse against those prevailing ideological structures Before its appearance no significant work had focused on the position of Spanish culture towards homosexuality or on how homosexuality could affect the works of canonical writers Engaging with homosexuality as an imperative source of meaning in artistic work this volume rigorously studies the works of Federico Garcia Lorca and several of his marginalized homosexual contemporaries including Emilio Prados Luis Cernuda Juan Gil Albert and Salvador Dali The study relies on the textual evidence presented by these authors to define the homosexual culture as one plagued by the realities of rejection fear of the law self doubts the lack of an authorized language with which to convey emotions the awareness of disgust around the individual the need to accept marginality to find sexual or emotional satisfaction and the knowledge of one s own social divergence all of which have an enormous influence on any artist s work With this new and updated translation this work offers English speaking readers the opportunity to focus on formal aspects of literary expressions of homosexuality **A Companion to Federico García Lorca** Federico Bonaddio,2007 Lorca icon and polymath in all his manifestations The Theatre of García Lorca Paul Julian Smith,1998-05-28 A study of the plays of Garc a Lorca the greatest Spanish dramatist of the twentieth century Queer Rebels Łukasz Smuga,2022-01-31 Queer Rebels is a study of gay narrative writings published in Spain at the turn of the 20th century The book scrutinises the ways in which the literary production of contemporary Spanish gay authors Jos Luis de Juan Luis G Mart n Juan Gil Albert Juan Goytisolo Eduardo Mendicutti Luis Antonio de Villena and Ivaro Pombo engages with homophobic and homophile discourses as well as with the vernacular and international literary legacy The first part revolves around the metaphor of a rebellious scribe who queers literary tradition by clandestinely weaving changes into copies of the books he makes This subversive writing act named Mazuf s gesture after the protagonist of Jos Luis de Juan s This Breathing World 1999 is examined in four highly intertextual works by other writers The second part of the book explores Luis Antonio de Villena and Ivaro Pombo who in their different ways seek to coin their own definitions of homosexual experience in opposition both to the homophobic discourses of the past and to the homonormative regimes of the commercialised and trivialised gay culture of today In their novels Mazuf s gesture involves playing a sophisticated queer game with readers and their expectations **Lorca's Legacy** Jonathan Mayhew,2018-05-15 In Lorca s Legacy Jonathan Mayhew explores multiple aspects of the creative and critical

afterlife of Federico García Lorca the most internationally recognized Spanish poet and playwright of the twentieth century Lorca is an iconic and charismatic figure who has evoked the admiration and fascination of musicians poets painters and playwrights across the world since his tragic assassination by right wing forces in 1936 at the onset of the Spanish Civil War This volume ranges widely discussing his influence on American theater his much debated lecture on the duende his delayed encounter with queer theory his influence on contemporary Spanish poetry and other relevant topics The critical literature on Lorca is vast and original contributions are comparatively rare but Mayhew has found a way to shed fresh light on his legacy by looking with a critical eye at the creative transformations of his life and work both in Spain and abroad Lorca's Legacy celebrates the wealth of material inspired by Lorca bringing to bear a sophisticated theoretically informed critical perspective This book will be of enormous interest to anyone interested in the international projection of Spanish literature or anyone who has felt the fascination of Lorca's duende *Gay and Lesbian Literary Heritage* Claude J.

Summers, 2014-02-25 The revised edition of *The Gay and Lesbian Literary Heritage* is a reader's companion to this impressive body of work It provides overviews of gay and lesbian presence in a variety of literatures and historical periods in depth critical essays on major gay and lesbian authors in world literature and briefer treatments of other topics and figures important in appreciating the rich and varied gay and lesbian literary traditions Included are nearly 400 alphabetically arranged articles by more than 175 scholars from around the world New articles in this volume feature authors such as Michael Cunningham Tony Kushner Anne Lister Kate Millet Jan Morris Terrence McNally and Sarah Waters essays on topics such as Comedy of Manners and Autobiography and overviews of Danish Norwegian Philippines and Swedish literatures as well as updated and revised articles and bibliographies *A Study Guide for Federico García Lorca's "Gacela of the Dark Death"* Gale, Cengage Learning, 2016 A Study Guide for Federico García Lorca's *Gacela of the Dark Death* excerpted from Gale's acclaimed *Poetry for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Poetry for Students* for all of your research needs *Routledge Revivals: Homosexuality: A Research Guide (1987)* Wayne R.

Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology Federico García Lorca Simon Breden, 2024-08-26 Lauded as one of the most important poets and playwrights of the twentieth century Federico García Lorca was also an accomplished theatre director with a clear process and philosophy of how drama should be staged

Directing both his own work and that of others Lorca was also closely involved in the rehearsals for productions of many of his plays and from his own writings and those of his collaborators a determined agenda to stimulate audiences and renovate theatre can be seen This is the first book in English to fully consider Lorca as a director and his rehearsal methodology The book combines A biographical account of Lorca s work as a director and rehearsal leader revealing his techniques and methods of approach texts An exploration of his key writings on and around theatre drawing on his talks play introductions and some of the dramatic works themselves The first translation into English of his fragment Drag n A detailed discussion of Lorca s key productions Lope de Vega s Fuente Ovejuna 1933 for La Barraca and his own Yerma 1934 Specific focus on the practical applications that we can draw from Lorca s methods both from what survives of his own work and from the accounts of his close collaborators As a first step towards critical understanding and as an initial exploration before going on to further primary research Routledge Performance Practitioners offer unbeatable value for today s student

Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty, Bonnie Zimmerman, 2003-09-02

Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public

Ice in the Lungs Gerald Kraak, 2006

Revolving around a group of students who are caught up in South Africa s political uprising in 1976 this novel focuses on the parallels drawn between apartheid and experiences in Stalinist Greece It is a moving story of bravery betrayal and unrequited love in which the despair and danger of the characters lives mirror each other An inspired study in moral uncertainty it reveals the conflicting nature of political and sexual choices and their unforeseen consequences

A History of Gay Literature

Gregory Woods, 1998-01-01 Account of male gay literature across cultures and languages and from ancient times to the present It traces writing by and about homosexual men from ancient Greece and Rome through the Middle Ages and Renaissance to the twentieth century gay literary explosion It includes writers of wide ranging literary status from high cultural icons like Virgil Dante Marlowe Shakespeare and Proust to popular novelists like Clive Barker and Dashiell Hammett and of various locations from Mishima s Tokyo and Abu Nuwas s Baghdad to David Leavitt s New York It also deals with representations of male male love by writers who were not themselves homosexual or bisexual men

Encyclopedia of Gay Histories and Cultures George Haggerty, 2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this

encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

The Hispanic Homograph Robert Richmond Ellis,1997 *The House Of Bernarda Alba* Federico García

Lorca,2019-11-14 Bernarda Alba is a widow and her five daughters are incarcerated in mourning along with her One by one they make a bid for freedom with tragic consequences Lorca s tale depicts the repression of women within Catholic Spain in the years before the war The House of Bernarda Alba is Lorca s last and possibly finest play completed shortly before he was murdered by Nationalist sympathisers at the outbreak of the Spanish Civil War Inspired by real characters and described by the author as a true record of village life it is a tragic tale of frustration and explosive passions in a household of women rulled by a tyrannical mother Edited with invaluable student notes a must for students of Spanish drama **Bob Dylan and**

Leonard Cohen David Boucher,Lucy Boucher,2021-04-08 Both Dylan and Cohen have been a presence on the music and poetry landscape spanning six decades This book begins with a discussion of their contemporary importance and how they have sustained their enduring appeal as performers and recording artists The authors argue that both Dylan and Cohen shared early aspirations that mirrored the Beat Generation They sought to achieve the fame of Dylan Thomas who proved a bohemian poet could thrive outside the academy and to live his life of unconditional social irresponsibility While Dylan s and Cohen s fame fluctuated over the decades it was sustained by self consciously adopted personas used to distance themselves from their public selves This separation of self requires an exploration of the artists relation to religion as an avenue to find and preserve inner identity The relationship between their lyrics and poetry is explored in the context of Federico Garc a Lorca s concept of the poetry of inspiration and the emotional depths of duende Such ideas draw upon the dislocation of the mind and the liberation of the senses that so struck Dylan and Cohen when they first read the poetry and letters of Arthur Rimbaud and Lorca The authors show that performance and the poetry are integral and the duende or passion of the delivery is inseparable from the lyric or poetry and common to Dylan Cohen and the Beat Generation *Blood Wedding* Federico Garcia Lorca,Gwynne Edwards,2020-02-27 Blood Wedding is set in a village community in Lorca s Andalusia and tells the story of a couple drawn irresistibly together in the face of an arranged marriage This tragic and poetic play is the work on

which his international reputation was founded Like many of Lorca s passionate and intensely lyrical plays that focus on peasant life and the forces of nature Blood Wedding combines innovatory dramatic technique with Spanish popular tradition Methuen Drama Student Editions are expertly annotated texts of a wide range of plays from the modern and classic repertoires As well as the complete text of the play itself the volume contains a chronology of the playwright s life and work an introduction giving the background to the play a discussion of the various interpretations notes on individual words and phrases in the text and questions for further study

Sacred Passions Carol A. Hess,2005 This biography offers a fresh understanding of the life and work of Spanish composer Manuel de Falla 1876 1946 recognized as the greatest composer in the Spanish cultural renaissance that extended from the latter part of the 19th century until the outbreak of the Spanish Civil War in 1936 The biography incorporates recent research on Falla draws on untapped sources in the Falla archives reevaluates Falla s work in terms of current issues in musicology and considers Falla s accomplishments in their historical and cultural contexts

The Contemporáneos Group Salvador A. Oropesa,2010-01-01 In the years following the Mexican Revolution a nationalist and masculinist image of Mexico emerged through the novels of the Revolution the murals of Diego Rivera and the movies of Golden Age cinema Challenging this image were the Contemporáneos a group of writers whose status as outsiders sophisticated urbanites gay men women gave them not just a different perspective but a different gaze a new way of viewing the diverse Mexicos that exist within Mexican society In this book Salvador Oropesa offers original readings of the works of five Contemporáneos Salvador Novo Xavier Villaurrutia Agustín Lazo Guadalupe Marín and Jorge Cuesta and their efforts to create a Mexican literature that was international attuned to the realities of modern Mexico and flexible enough to speak to the masses as well as the elites Oropesa discusses Novo and Villaurrutia in relation to neo baroque literature and satiric poetry showing how these inherently subversive genres provided the means of expressing difference and otherness that they needed as gay men He explores the theatrical works of Lazo Villaurrutia s partner who offered new representations of the closet and of Mexican history from an emerging middle class viewpoint Oropesa also looks at women s participation in the Contemporáneos through Guadalupe Marín the sometime wife of Diego Rivera and Jorge Cuesta whose novels present women s struggles to have a view and a voice of their own He concludes the book with Novo s self transformation from intellectual into celebrity which fulfilled the Contemporáneos desire to merge high and popular culture and create a space where those on the margins could move to the center

Lorca The Gay Imagination Book Review: Unveiling the Power of Words
