Connections lord Archibald Philip Primrose Rosebery, 1910 **The Late Lord** Jacqueline Reiter, 2017-01-30 This biography of the second Earl of Chatham looks beyond his famous military failure to reveal one of the early nineteenth century's most fascinating figures John Pitt 2nd Earl of Chatham is one of the most enigmatic and overlooked figures of early nineteenth century British history The elder brother of Pitt the Younger he has long been consigned to history as the late Lord Chatham the lazy commander in chief of the 1809 Walcheren expedition whose inactivity and incompetence turned what should have been an easy victory into a disaster In *The Late Lord* Jacqueline Reiter presents a more nuanced and revealing portrait During a twenty year career at the heart of government Pitt served in several important cabinet posts such as First Lord of the Admiralty and Master General of the Ordnance Yet despite his closeness to the Prime Minister and friendship with the Royal Family political rivalries and private tragedy hampered his ascendance Paradoxically for a man of widely admired diplomatic skills his downfall owed as much to his personal insecurities and penchant for making enemies as it did to military failure Using a variety of manuscript sources to tease Chatham from the records this biography peels away the myths and places him for the first time in proper familial political and military context It breathes life into a much maligned member of one of Britain's greatest political dynasties revealing a deeply flawed man trapped in the shadow of his illustrious relatives
