Lord Given Lovers The Holy Union Of David And Jonathan:

Lord Given Lovers Christopher Hubble,2003-10 The Holy Union of David and Jonathan is a provocative biblical story of passion and political intrigue LGBT readers will discover a story that will help them find self acceptance and constructively challenge the prejudice of religious homophobes David and Jonathan formed a magnificent and beautiful partnership that they apparently intended to last for a lifetime Theirs was a loving and committed relationship The failure of our culture to recognize the intrinsic divinity of homosexuality and the sanctity of our relationships is the central dilemma challenging lesbian gay bisexual and transgendered people Our society s civil morality is informed by the religious mores of our culture A redefined cultural and societal understanding of same sex love derived from and supported by the Bible a widespread knowledge of the holy union of David and Jonathan will have a profound impact on the long term success of our justice movement

The Love of David and Jonathan James E. Harding,2016-04-08 Were David and Jonathan gay lovers This very modern question lies behind the recent explosion of studies of the David and Jonathan narrative Interpreters differ in their assessment of whether 1 and 2 Samuel offer a positive portrayal of a homosexual relationship Beneath the conflict of interpretations lies an ambiguous biblical text which has drawn generations of readers from the redactors of the Hebrew text and the early translators to modern biblical scholars to the task of resolving its possible meanings What has not yet been fully explored is the place of David and Jonathan in the evolution of modern Western understandings of same sex relationships in particular how the story of their relationship was read alongside classical narratives such as those of Achilles and Patroclus or Orestes and Pylades The Love of David and Jonathan explores this context in detail to argue that the story of David and Jonathan was part of the process by which the modern idea of homosexuality itself emerged
