Ward,1740 **The Life of Sir T. Gresham** Sir Thomas GRESHAM,1845 English Aristocratic Women, 1450-1550
Barbara J. Harris,2002-08-22 Portraits of aristocratic women from the Yorkist and Tudor periods reveal elaborately clothed and bejeweled nobility exemplars of their families wealth Unlike their male counterparts their sitters have not been judged for their professional accomplishments In this groundbreaking study Barbara J Harris argues that the roles of aristocratic wives mothers and widows constituted careers for women that had as much public and political significance and were as crucial for the survival and prosperity of their families and class as their husband s careers Women Harris demonstrates were trained from an early age to manage their families property and households arrange the marriages and careers of their children create sustain and exploit the client patron relationships that were an essential element in politics at the regional and national levels and finally manage the transmission and distribution of property from one generation to another since most wives outlived their husbands English Aristocratic Women unveils the lives of noblewomen whose historical influence has previously been dismissed as well as those who became favorites at the court of Henry VIII Through extensive archival research of documents belonging to more than twelve hundred families Harris paints a collective portrait of upper class women of this period By recognizing the full significance of the aristocratic women s careers this book reinterprets the politics and gender relations of early modern England Barbara J Harris is Professor of History and Women s Studies at the University of North Carolina at Chapel Hill Her previous works include Edward Stafford Third Duke of Buckingham 1478 1521 Calendar of state papers ,1856 **The Dictionary of National Biography, Founded in 1882 by George Smith** ,1922
