Kenneth Wray Connors, 1979 **Have You Got Five Minutes?** Opal Belieu, 2021-08-04 I picked this title because I have been writing poetry since I was thirteen years old and I figured it takes two minutes for someone to read the poem and three minutes to grasp the meaning of the poems and ponder its meaning That is why my title is Have You Got Five Minutes As we know a lot can happen in five minutes You can fall in love You can fall down the stairs You can fall off your rocker or you can fall into insanity But if you really think about it almost anything in life can happen in just five minutes So I hope you take five minutes to enjoy one or all of my poetry I hope that it moves you in a way and defines you both spiritually and emotionally blessed As I have been writing poetry for so long sometimes my words slip away from me Sometimes my pen is quicker than my brain and I go off on my tangents I hope everyone enjoys reading this book as much as I have enjoyed writing it

Rysen, 2017-06-16 Captivating mysteries and gripping suspense blended within Christian philosophical and some political ideologies and a healthy dose of imagination result in a fast paced thriller a stimulating and thought provoking story Masterfully composed and written the story leaves absolutely nothing unturned and is intriguing throughout in every sense Andrew a steadfast atheist has defied his parent s attempts to raise him to be a Christian for over thirty years However his life and the lives of his family have been turned upside down by Islamic Jihadist terrorists who are out to kill them as well as detonate a series of nuclear weapons in an effort to destroy America And if that weren t enough one nuclear device rests in a location in the United States so unique

so ingenious its distinct placement alone can render the entire world uninhabitable As Andrew and his family cope with the terrorists and the pending apocalypse their beliefs and lives are put to the ultimate test Is this the end of time predicted in the Book of Revelation The story and its ending explore some possibilities that will be hard to ignore and some eye opening revelations As the tale culminates in an unexpected and most surprising conclusion that in itself becomes an absolute and decisive anecdote the reader will realize that it intends to deliver several messages The story is inspirational subtly educational and may be interactive as it is saturated with clues hints hidden meanings and symbolisms that relate to how the story unfolds Most are subtle and will require some thought to discern however it is not required that the reader make a conscious effort to try to identify and interpret these or participate where it is interactive to enjoy the story Although the story is intense with substance it is also irresistibly alluring and enchanting in an ingenious way and will appeal to anyone looking for a story that is rich with riveting suspense and mysteries in a setting that may be relevant to today s world For more information about the book visit the author s website at <https://www.inthecourseofthreehours.com> Report ...
