first two years of medical school as a nontraditional student I was in an environment that encouraged the development of the knowledge of Native American traditions We had Native American speakers that came and elaborated on Native American traditions One area that was lacking was tribal histories but what academics label prehistory I commented to her that when white man came they did all they could to destroy our social and religious fabric so the old traditions were not passed down to most of the remaining members of the tribes Now we know nothing of our old history There is nothing left The white side of my family history is easy to know but not my Cherokee and Choctaw side She replied by saying that yes many of our peoples have lost their old traditions and it is sad There Are Four Trees on Your Stone Jean Leonard, Wicapi

Winyan, 2013-02-18 When you are a 28 year old white woman reporter with a newspaper editor husband and a college administrator father and you find a stone on a holy Lakota mountain and a Lakota holy man says Do you see the four trees on this stone you look and see only four fern leaves fossilized on the stone When he says You will meet four men in 9 2 4 and 8 and points to some fossilized numbers in the corner of the stone you are skeptical and offer to give him the stone When he says No it is your stone you do keep it And over the next two years when in September February April and August you meet four men of the bloodlines of great Lakota Sioux and Apache you start honoring the stone and the mountain you found it on You start paying close attention to the holy man Frank Fools Crow and his wife Kate who is the mother you never had This book is the story of finding the four men the four trees It is the story of what they and Fools Crow taught me as we traveled several states together There were powerful adventures at North and South Dakota and Montana reservations and universities a Minnesota sacred pipestone quarry and Minnesota maximum security prison a California publishing company and Alaska cities These are places where September February April and August brought four holy men The skeptical just the facts man white woman began to see the connectedness of all of life On Bear Butte near Sturgis South Dakota where Crazy Horse had fasted she gave her life to the Great Spirit because her energies were being miserably unused and the world was going by without her doing something she felt she should be doing In exchange for her offering up her life the stone glowed a tree gave a loving message stars fell and she would never feel alone again Fools Crows prediction also brought Native American women to me and we wrote their books and traveled their lands in Minnesota and Alaska It was fun to travel them again in this book Also crossing my path were people of black white and Asian American cultures The book tells of the exciting events with these people I am writing this my story so that all these people can live on A Second Look Andie Peterson, 2007-10-19 Four hundred twenty five books are reviewed in this superb collection A Second Look Native Americans in Childrens Books gives a thorough examination of the books as a guide for parents teachers librarians and administrators interested in books for children Anyone involved in selecting books will find this guide useful in working through the maze of available materials Andie Peterson one of the few women to be awarded an Eagle Feather has provided a meaningful criteria to help in judging books She outlines ways for objectively studying books to draw conclusions as to the suitability for the

reader She writes candidly about books filled with stereotypes hurtful images and damaging text and illustrations She writes eloquent glowing reviews of the books that are real treasures She writes On a daily basis children must face the hidden curriculum that lets them know where they fit in whether they can achieve their goals whether they even dare to dream An overwhelming part of that hidden curriculum begins with books that are more narrative and illustrations they are books that carry a message of politics and values Andie advises that in selecting Native American books the non Native child must be considered also She counsels that hurtful books set in motion attitudes of prejudice that persist for years She states that she has reviewed books with older copyrights because they are still on the shelves in libraries and available via the Internet She says reading the older books helps to understand how adults have formed ideas about Native people She says After all if its in a book in the library people believe it to be true Its time to disturb the peace and end the ritual of damage A Second Look Native Americans in Childrens Books By Andie Peterson **Poetry as Insurgent Art** Lawrence Ferlinghetti,2007

California Indian Oversight Hearings United States. Congress. Senate. Committee on Interior and Insular Affairs. Subcommittee on Indian Affairs,1974 *Apocalyptic Anxiety* Anthony Aveni,2016-05-02 Apocalyptic Anxiety traces the sources of American culture s obsession with predicting and preparing for the apocalypse Author Anthony Aveni explores why Americans take millennial claims seriously where and how end of the world predictions emerge how they develop within a broader historical framework and what we can learn from doomsday predictions of the past The book begins with the Millerites the nineteenth century religious sect of Pastor William Miller who used biblical calculations to predict October 22 1844 as the date for the Second Advent of Christ Aveni also examines several other religious and philosophical movements that have centered on apocalyptic themes Christian millennialism the New Age movement and the Age of Aquarius and various other nineteenth and early twentieth century religious sects concluding with a focus on the Maya mystery of 2012 and the contemporary prophets who connected the end of the world as we know it with the overturning of the Maya calendar Apocalyptic Anxiety places these seemingly never ending stories of the world s end in the context of American history This fascinating exploration of the deep historical and cultural roots of America s voracious appetite for apocalypse will appeal to students of American history and the histories of religion and science as well as lay readers interested in American culture and doomsday prophecies **A Concise Encyclopedia of the Baha'i Faith** Peter Smith,2013-10-01 Written by a well known author in the field of Baha i studies this is a comprehensive and accessible encyclopedia to the youngest of the world religions Regarded as the second most widespread faith after Christianity with adherents in almost every country around the globe the Baha i faith is nevertheless unfamiliar to many here Dr Smith traces the origins and development of the religion from 19th century Iran to the modern day introducing its central figures and major historical events combining breadth with a readable yet concise style he provides a balanced overview of Baha i scriptures doctrines and practices social teachings and organization This reference work presents a clear and knowledgeable view of a fascinating new religion *The 2012 Story*

John Major Jenkins,2010-10-14 From the pioneering author who helped introduce the question of 2012 into the global spiritual community comes an epic exploration of the authentic origins and meaning of this portentous date Drawing from his own groundbreaking research including his involvement in the modern reconstruction of Mayan 2012 cosmology John Major Jenkins has created the crucial guide to 2012 surveying its roots in Mayan cosmology modern astronomy ancient prophecy and metaphysical philosophy and exploring why it has become a focal point for millions today **Liquid Light of Sex**

Barbara Hand Clow,2001-09-01 A nationally known astrologer explores the connection between spiritual emergencies at age 30 40 and 50 and key astrological passages of Saturn Uranus and Chiron Provides techniques for directing the kundalini energy released during planetary passages for optimal personal and psychic development Includes charts for birth years starting in 1930 so that readers can determine the timing of their planetary passages By Barbara Hand Clow author of the bestselling Pleiadian Agenda 60 000 copies sold Kundalini the energy of eros that lies at the base of the spine can be overwhelming once activated Times of activation coincide with the key astrological passages of Saturn Uranus and Chiron in one s birth chart and are often experienced as periods of spiritual emergency confusion and imbalance In Liquid Light of Sex Barbara Hand Clow opens up new dimensions for understanding what occurs during these key life passages which most of us experience three times in our lives In the author s words we form at age 30 we transform at age 40 and we transmute at age 50 Focusing on the transformation at age 40 the time of imbalance and spiritual confusion often referred to as the midlife crisis she explores how kundalini energy the liquid light of sex can be creatively channeled by unblocking the chakras Offering effective methods for achieving physical emotional and spiritual growth during this important life passage Liquid Light of Sex presents a roadmap for using celestial cycles to navigate positively and productively in times of great life change

Pyramid of Fire: The Lost Aztec Codex John Major Jenkins,Martin Matz,2004-11-03 The first translation of a previously unknown Aztec codex and its initiatory teachings for 2012 Discloses the potential for great spiritual awakening offered at the end of the Aztec calendar cycle Presents the only existing English language transcription of the Aztec codex with line by line commentary Contains the epic poetry and metaphysical insights of Beat poet Marty Matz 1934 2001 In 1961 an unknown Aztec codex was revealed to Beat poet and explorer Marty Matz by a Mazatec shaman in the mountains of Oaxaca Mexico Originally intended for dramatic performance this codex presents a profound metaphysical teaching describing how the end of time will bring about a visionary ascent At the behest of his Mazatec teacher Matz transcribed this pictorial codex into a literary form that would preserve its initiatory teachings and reveal its secret meanings to a wider audience Pyramid of Fire is an epic poem that provides a vehicle to transport the initiate into the higher realms of consciousness It represents a barely surviving thread of teachings that have been passed down in secret since the time of the Spanish Conquest Revealed are the techniques by which man is transported to the stellar realm after death via the solar energy within what the ancients called the serpent of consciousness Line by line commentary by Matz and John Major Jenkins provides insights into the perennial

philosophy contained in the codex and its relevance to our times Beyond 2012: Catastrophe or Awakening? Geoff Stray, 2009-05-21 An illustrated encyclopedic overview of the prophecies calendars and theories that indicate the year 2012 is a threshold of great change for humanity Looks at the scientific and anthropological evidence for the rare galactic alignment due to occur in December 2012 Sifts through the catastrophic theories to show what we might really expect in 2012 In December of 2012 the Mayan Calendar s Great Cycle will come to an end Opinion remains divided as to whether apocalyptic scenarios of worldwide destruction or utopian visions of a spiritually renewed humanity will prevail after this key date has passed What is certain however is that a rare galactic alignment will occur one so unique that it is found at the core of many wisdom traditions from around the globe Geoff Stray has been collecting the vast amounts of data relating to the 2012 phenomena since 1982 Far from confining his research to the Maya who provide the most prominent predictions indicating this date will herald significant changes for humanity he has studied the prophetic traditions of other cultures including the Tibetan Chinese Jewish Ethiopian and tribal cultures from around the globe to show the kind of convergence of cosmic purposes happening along a number of parallel tracks This book offers an extensive study of many modern theories including Terence McKenna s timewave zero and Maurice Cotterell s sunspot research as well as anomalous phenomena such as near death experiences and crop circles Sifting through all the scientific research and speculation that the year 2012 has inspired Geoff Stray provides an encyclopedic look at what we might really expect on this pivotal date
