Lord, Teach Me To Pray M. DIV Michael K. Jones, Michael K. Jones, 2012-03 Many Christians operate out of a place of frustration rather than a place of faith While we have access to the greatest power in the world the power of God we often function as though we are powerless For this reason God has inspired me to write this book to equip and empower believers to access the power of God If you keep declaring that prayer changes things and things in your life and world are not changing this book is for you It is my desire that you will move from frustration to faith and from weakness to strength as you learn how to pray like Jesus taught his disciples in scripture Whatever you may be facing rest assured prayer works if you just take the time to learn how
