Guyfford of Weare Jeffery Farnol,1928 In the darkness Sir Richard Guyfford aware that some one is breaking into his house stands rigid and alert A leap a faint cry followed by a fall and light of a candle reveals his victim Lady Helen D Arcy reigning beauty and toast She had come to steal a letter written to Sir Richard Taunting him for being the villain and reprobate that gossip asserted Lady Helen leaves with the letter in her possession The beginning of this delightful and typically Farnolesque novel of England in the early seventeen hundreds is but a taste of what is to follow There is Cousin Julian who more than deserves Richard s reputation a group of shady gentlemen in Julian s power an Irish duchess with a French name and many another equally picturesque And there is more much more as Sir Richard is accused of the murder of his double dealing cousin Needless to say the story is a network of intrigue and misunderstandings all of which are handled with Mr Farnol s extraordinarily skillful touch and with a literary charm reminiscent of his many successes

Christianna Brand,2016-05-31 A young Italian woman travels to eighteenth century England to wage war on polite society in this sweeping historical saga of mystery scandal and romance Sophia Devigne is a child of Venice as much a part of the wonderful island city as the canals themselves If it were up to her she would never leave but her family has other ideas For the sake of her British father s honor she s being sent to London to make her societal debut Her father hopes she ll attract a wealthy husband and retire to a life of polite boredom in the English countryside but beneath Sophia s genteel exterior lurks the wild spirit of Venice which will thrust her headlong into the scandal of the century When Sophia wins the hand of the dashing Lord Weyburn she believes her troubles are over But his elegant Cotswold estate Starrbelow is just another gilded cage Desperate to be free she escapes to town and embarks on a wild debauch that shocks all London Never again will she call herself Sophia Now she s Sapphire and she ll bow to no man But when her wild indulgences embroil her in a suspicious death Sapphire is accused of murder and faces the merciless judgment of the court of public opinion On trial by society she will live or die as she always has unbroken and standing tall This stirring recreation of eighteenth century English society combines adventure murder and timeless romance Christianna Brand was one of the masters of classic British mystery fiction and Starrbelow is one of her greatest works
