they're jamming down your throat Only half of you actually are however It's time for you to wake up and realize what we have become In this book THE LORDS OF NOTHING I'm going to give you your medicine in the candy I'm going to give it to you in sci-fi form instead You people love fantasy maybe you can grasp it in this form this easier If you want the truth about what we are and you have the guts then read my books So many of you don't want to be told what to do You're so worried about socialism You forget something and that is that The Socialist in the Sky God Himself will judge you for everything that you do Oh by the way the women that are hooking up with the massive influx of garbage men that are here now in massive numbers WERE THE LAST LINE OF DEFENSE THAT HAS FALLEN TO PREVENT THESE IDIOTS FROM REPRODUCING MORE OF THEMSELVES Bad dads mean bad kids period You women complain that there aren't enough good men Correct there isn't a lot of good men So who are these 100 million women married to Why let's see duh oh I get it the bad ones Ta da What a profound thought on my part huh Two stupid parents are not better than one good parent as you have already sadly found out What part of your life is quality Is it the one where you go to work and wear the Urban Gimp Suit cliché business suit Is it the part where you spend one half of an hour eating dinner with family Is it the part right after that when you go into separate rooms to worship the decadence of the now maligned format of the Plasma Gods TV sets Is it when you go to sleep and dream about great conquests Most of this country's great victories are someone else's on a TV screen because most of you have made no life of your own We've traded ethics nobility and morals for superficial entertainment and money Time to take back the country This is my second venture into writing My first book MARCH OF THE COOKIE CUTTERS was embraced by those with vision and denied and scoffed at by those that were actually living out that lifestyle themselves The truth about the reality of their situation was too scary a place for them to go to I am nearing the Big 50 now and my convictions for writing these ideas are stronger than ever There have simply been too many visionaries out there that have seen the truth about what we have become and all too clearly I continue to be totally honest with you people with zero coloration of the sad facts that are at hand I promised myself in the beginning to never waver from the truth and I will forever uphold to that principle Luckily for me I do not have to deal with the large contingency of these perpetrators in my personal life I am surrounded by or have surrounded myself by the very good people that we still have Thank God Nothing of which I write about is based on any bitterness from personal experiences I have a great family and I have great friends However the problem people that I write about are now in massive numbers My books are an attempt to dispel the myths and false mist that so many of us now exist in So many of us are now just clone copies of everybody else We have almost forgot how to be sincere We are losing our way We must try to get back on the right track and make America the great nation that it once was *A Fallen Redemption* Vince Seim,2016-07-10 Book II of the Heaven Hell Humanity Trilogy As angels descend from the High Heavens and the demonic armies of Hell rise from the depths Humanity balances on the precipice of extinction The war of immortals has returned **Lord of Obsidian** Laraine Anne Barker,2004-08 I am the Power of Obsidian the

Essence of Obsidian the voice boomed at him I am the Omniscient All seeing Eye of the Obsidian Orb Am I inside the Obsidian Orb Peter dared to ask Oh indeed not the Power of Obsidian replied You are within the Essence of Obsidian or if you prefer it inside the Book of Obsidian the most powerful book ever written about the most potent source of magic the world has ever known Yes I know Peter said But why can't I learn from the Book of Obsidian the same way that I learn from other books Why do you have to well swallow me Sujad Cariotis has stolen the refashioned Obsidian Orb and made himself Lord of Obsidian a very powerful enemy who is yet only a servant to the real Enemy But unknown to Sujad Peter has made an unusual secret friend to help the Earthlight in its continuing fight against the evil that threatens to swamp the planet
