Lords of the Earth Patrick Anderson,1984 *Lords of the Earth* Warren Murphy,Richard Sapir,1985 Remo and Chium risk their lives to stop an insane millionaire s plot to unleash an army of killer insects *Lords of the Earth* Don Richardson,2008-08-01 Engulfed in the darkness of Irian Jaya s Snow Mountains live the Yali naked cannibals who call themselves lords of the earth Yet in spite of their boldness they live in terror and bondage to the women hating child despising gods they serve Missionary Stan Dale dared to enter their domain and be an instrument to change their future Peace Child author Don Richardson tells the story of Dale his wife his companions and thousands of Yali tribesmen in *Lords of the Earth* This unforgettable tale of faithful determination and zeal against overwhelming odds brings unlikely characters together in a swirl of agony and bloodshed climaxing in a dramatic unexpected ending Readers will find their perceptions of how God moves enlarged and inspired by this classic story For parents and youth leaders looking for real life role models for the new generation of young people you will want to meet the Dales in *Lords of the Earth* *Lords of the Earth* Janet Melanie Ailsa Mills,19?? **The Earth is the Lord's** Win Mott,2018-12-26 The earth is the Lord s says Psalm 24 God owns it in other words Is it time to take this seriously as God s word does If so it means that secular is an illusion and our traditional division of the world into sacred and secular is false This work looks at the major consequences for Christians when we see the earth as sacred and realize the stewardship that follows We are called as Christians to take a prophetic role in forming a worldview which understands that we live as sacred beings in the Lord s sacred space The Conditions of Our Lord's Life on Earth Arthur James Mason,1896 **Lords of the Earth** Jerry Haughton,2018-04-18 This is a novel about conserving God s creation The main character is struggling with how to regard nature the view of Eastern religions the Native American view the utilitarian view or the Christian view The story has tension between the Forest Service and good ole boys the main character and his parents his girl friend and a naturalist Which view of nature with Bret embrace and how will he resolve his person issues The author made three trips to Montana to give authenticity to the story therefore the places mentioned are real but the events are fictional It is an attempt by the author to answer which philosophy of nature best explains reality **The Dialogue of Earth and Sky** Timothy J. Knab,2022-07-12 In Mexico s Sierra Norte de Puebla beliefs that were held before the coming of Europeans continue to guide the lives of modern Aztecs For residents of San Mart n Zinacapan life in and on the earth is animated by the same forces through which people seek to maintain a cohesive view of the relationship of mankind the cosmos and the natural world This delicate balance of the human spirit maintains the health and well being of villagers and is an essential part of the social and ideological framework that makes a person s life whole

This book describes the basic elements of a belief system that has survived the onslaught of Catholicism colonialism and the modern world Timothy Knab has spent thirty years working in this area of Mexico learning of the Most Holy Earth and following what its people there call the good path He was initiated as a dreamer learned the prayers and techniques for curing maladies of the human soul and from his long association with the Sanmartinos has constructed a thorough account of their beliefs and practices Learning to recount dreams forming a dreamtale and carrying it on one's back to the waking world is the first part of the practitioner's labor in curing But dreamtales are shown to be more than parables in this world for they embody the ethos and cosmovision that link Sanmartinos with their traditions and the Most Holy Earth Building on this background Knab describes how the open ended interpretation of dreams is the practitioner's primary instrument for restoring a client's soul to its proper equilibrium thus providing a practical approach to finding and resolving everyday problems Many anthropologists hold that such beliefs have long since disappeared into the nebulous past but in San Mart n they remain alive and well The underworld of the ancestors talocan or Tlalocan for the Aztecs is still a vital part of everyday life for the people of the Sierra Norte de Puebla The Dialogue of Earth and Sky is an important record of a culture that has maintained a precolumbian cosmovision for nearly 500 years revealing that this system is as resonant today with the ethos of Mesoamerican peoples as it was for their ancestors *The Earth is the Lord's* John L. Ruth,2001 John Landis Ruth adds folk memory to extensive documentation and careful explanation of key beliefs and practices in this 360 year story of faith in Lanacaster County An indispensable source with lists of early immigrants congregations ordinations and conference officers up to 1977 and a general chronology **Sermons** Newman Hall,1868 Sermons [preached in America].
