the three brilliant libretti that Lorenzo Da Ponte prepared for Mozart They were also central to Da Ponte s own extraordinary life His Memoirs record a fantastic variety of romantic political and professional intrigues and tell of meetings with a host of remarkable men In a life that took him from the canals of Venice to the streets of New York Da Ponte was at different times priest professional gambler proprietor of a bordello political agitator court poet impresario grocery store owner and the first professor of Italian literature at Columbia University His Memoirs a minor classic of Italian literature are the picaresque and engrossing story of a man of enormous talent and unsurpassed flair who was above all an indefatigable survivor I shall speak of things so singular in their oddity as in some manner to instruct or at least entertain without wearying Lorenzo da Ponte
