Communists in Closets Bettina Aptheker, 2022-09-09 *Communists in Closets Queering the History 1930s 1990s* explores the history of gay lesbian and non heterosexual people in the Communist Party in the United States The Communist Party banned lesbian gay bisexual and transgender LGBT people from membership beginning in 1938 when it cast them off as degenerates It persisted in this policy until 1991 During this 60 year ban gays and lesbians who did join the Communist Party were deeply closeted within it as well as in their public lives as both queer and Communist By the late 1930s the Communist Party had a membership approaching 100 000 and tens of thousands more people moved in its orbit through the Popular Front against fascism anti racist organizing especially in the south and its widely read cultural magazine *The New Masses* Based on a decade of archival research correspondence and interviews Bettina Aptheker explores this history also pulling from her own experience as a closeted lesbian in the Communist Party in the 1960s and 70s Ironically and in spite of this homophobia individual Communists laid some of the political and theoretical foundations for lesbian and gay liberation and women's liberation and contributed significantly to peace social justice civil rights and Black and Latinx liberation movements This book will be of interest to students scholars and general readers in political history gender studies and the history of sexuality **Hansberry's Drama** Steven R. Carter, 1991 This insightful study opens with an overview of Hansberry's cultural social political and philosophical views and their relations to her artistic goals The 20th Century Go-N Frank N. Magill, 2014-03-05 Each volume of the *Dictionary of World Biography* contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography *Black Women's Liberation Movement Music* Reiland Rabaka, 2023-10-30 *Black Women's Liberation Movement Music* argues that the Black Women's Liberation Movement of the

mid to late 1960s and 1970s was a unique combination of Black political feminism Black literary feminism and Black musical feminism among other forms of Black feminism This book critically explores the ways the soundtracks of the Black Women s Liberation Movement often overlapped with those of other 1960s and 1970s social political and cultural movements such as the Black Power Movement Women s Liberation Movement and Sexual Revolution The soul funk and disco music of the Black Women s Liberation Movement era is simultaneously interpreted as universalist feminist in a general sense and Black female focused This music s incredible ability to be interpreted in so many different ways speaks to the importance and power of Black women s music and the fact that it has multiple meanings for a multitude of people Within the worlds of both Black Popular Movement Studies and Black Popular Music Studies there has been a long standing tendency to almost exclusively associate Black women s music of the mid to late 1960s and 1970s with the Black male dominated Black Power Movement or the White female dominated Women s Liberation Movement However this book reveals that much of the soul funk and disco performed by Black women was most often the very popular music of a very unpopular and unsung movement The Black Women s Liberation Movement Black Women s Liberation Movement Music is an invaluable resource for students teachers and researchers of Popular Music Studies American Studies African American Studies Critical Race Studies Gender Studies and Sexuality Studies

Examines the life and works of twentieth century African American playwright Lorraine Hansberry who wrote *A Raisin in the Sun* includes a chronology and a selected bibliography

Contemporary African American Female Playwrights Dana A. Williams, 1998-06-30 Lorraine Hansberry's *A Raisin in the Sun* 1959 was a major dramatic success and brought to the world's attention the potential talent of African American women playwrights But in spite of Hansberry's landmark contribution both the theater and the literary world have often failed to include contemporary African American female playwrights within the circle of production publication and criticism In African American drama anthologies female playwrights are seldom given the degree of attention that is accorded their male counterparts And because of space constraints anthologies of works by women playwrights are forced to exclude numerous female dramatists including African Americans Meanwhile some scholars have argued that the works of African American female playwrights are seldom produced in the mainstream theater because these plays frequently challenge the views of white America But as *A Raisin in the Sun* demonstrates plays by African American women dramatists can have a powerful message and are worthy of attention A comprehensive research tool this annotated bibliography sheds light on the often neglected works of contemporary African American female playwrights Included within its scope are those dramatists who have had at least one work published since 1959 the year of Hansberry's monumental achievement The first section provides a listing of anthologies that include one or more plays written by an African American female dramatist The second gives entries for reference works and for scholarly and critical studies of the dramatists and their plays The third presents a listing of published plays by individual dramatists along with a summary of each drama the works of each playwright that are related to drama and secondary sources that treat the dramatists and their plays Entries are accompanied by concise but informative annotations and the volume closes with a list of periodicals that frequently publish criticism of African American female playwrights a section of brief biographical sketches of the dramatists and extensive indexes

Lorraine Hansberry Collection Introduction

In the digital age, access to information has become easier than ever before. The ability to download Lorraine Hansberry Collection has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Lorraine Hansberry Collection has opened up a world of possibilities. Downloading Lorraine Hansberry Collection provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Lorraine Hansberry Collection has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Lorraine Hansberry Collection. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Lorraine Hansberry Collection. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Lorraine Hansberry Collection, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Lorraine Hansberry

Collection has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
