Personnel Information Bulletin United States. Veterans Administration, 1952 **QUEENLINESS** Garv Dabas, **Anger Management for Parents** Susan Malcom, 2022-09-13 Being a parent is a tough gig there s no doubt about that There will be moments that are beautiful lifelong memories Others will try your patience and leave you pulling your hair out It s not a question of if but when you as a parent will lose your temper with your child Kids don t know any better and they will push you to the edge The danger is when your anger spills over onto your child crushing their self esteem hurting their feelings or making them feel unwanted Understanding how your anger can change your child s environment for the worse and how it can impact their growth is key in helping you curtail it Nobody wants an unhappy child and you owe it to your children to prevent their unhappiness Managing anger is a huge component of raising a happy healthy and emotionally intelligent child Inside this book you ll learn how to take accountability for your anger and what that means for you as a parent understanding both your own trauma and the trauma that can affect your children the benefits of positive parenting anger management techniques specific to parents and guardians On top of anger management techniques themselves you ll learn how to keep yourself consistent with how and when you apply them to ensure that you don t find yourself slipping With a collection of FAQs and directions to a support group dedicated to helping parents manage their emotions this book is also perfect to read now and again to refresh your understanding of the topic If you ve ever felt anger towards your child or if you ve ever said or done things as a parent that were motivated by anger then click Buy and get your ebook now **People's'hit** Umang jain, 2024-08-09 Peopleshit isn t a book it s a revelation a mirror held up to our collective soul Umang Jain the audacious young author invites you to peel back the layers one uncomfortable truth at a time Here s what awaits you within these pages In the labyrinth of existence we stumble upon our own shadows Peopleshit dissects the struggles we share the gnawing ache of unmet expectations the silent battles fought behind closed doors and the relentless pursuit of meaning Umang s prose is both scalpel and balm cutting through pretense to reveal the raw pulsating core of our humanity *Bush's War* Jim A. Kuypers, 2006-10-10 Immediately after the attacks of September 11 2001 Americans looked to President Bush for words of leadership In his most formal reply of the day he said Today our fellow citizens our way of life our very freedom came under attack in a series of deliberate and deadly terrorist acts The victims were in airplanes or in their offices secretaries businessmen and women military and federal workers moms and dads friends and neighbors Thousands of lives were suddenly ended by evil despicable acts of terror The stark tone of Bush s speech suggested the promise of more words to come from the president and it is these words that Bush s War addresses While many books have offered a take on the attacks of 9 11 and their impact upon American society one area has been comparatively ignored presidential justifications for war in the age of terrorism Specifically what did President Bush say to justify American military actions in the post 9 11 world And how did the public hear what he said especially as it was filtered through the news media The eloquent and

thoughtful Bush's War shows how public perception of what the president says is shaped by media bias Jim A Kuypers compares Bush's statements with press coverage arguing that the nature of American public knowledge concerning our role in the world has been changed not by 9/11 but by the subsequent argumentative back and forth between Bush and the press

S. Carroll, 2012-05-03 Crystallizing Chaos is a wryly comic tale of balancing academia with action and replacing footnotes with a sense of fun A high brow college student Daniel Coventry hopes to be a writer He encounters the forgotten but immensely gifted pulp novelist Stephen Chidley who wrote action oriented novels by the dozens in a month apiece while living his adventures He is also inspired by

the novelists granddaughter Dora who resides in Stephens home near Daniels dorm Through Daniel they become entangled with his best professor Cynthia Schuler an outspoken feminist and scholar Cynthia also wrangles with her chauvinist unfaithful husband and has fallen for her favorite student after many rounds of lovemaking in her office Each of them confronts the fear of failure Daniel is afraid of flunking if he cant complete a novel for his graduation Stephen is afraid that he abused his fabulous storytelling talents as a pulp writer who came close to greatness only in a single memorable novel Dora is afraid of any loss of independence Cynthia is afraid of failing Daniel and of losing him to Dora Step by comic misstep they confront their differences and the chasm that divides the ivory tower from popular culture With a month remaining they decide that only one solution will enable Daniel to begin his book and race to finish it in time for graduation Let him crystallize the chaos of their year long battle in a way that blends the best of academia and action
