Losing The Peace Georgia Republicans And Reconstruction 1865 1871

Michael Les Benedict

Losing The Peace Georgia Republicans And Reconstruction 1865 1871:

Losing the Peace Elizabeth Studley Nathans, 1969 *The Fruits of Victory* Michael Les Benedict, 1986 When you judge decisions you have to judge them in light of what there was available to do noted Secretary of State George C Marshall to the Senate in 1951 In this spirit this volume addresses and succeeds in outlining the mammoth task that Northern Americans faced after the Civil War in restoring the Union Originally published in 1975 by the J B Lippincott Company *When the War Was Over* Dan T. Carter, 1985-04-01 In the months after Appomattox the South was plunged into a chaos that surpassed even the disorder of the last hard months of the war itself Peace brought if anything an increased level of violence to the region as local authorities of the former Confederacy were stripped of their power and the returning foot soldiers of the defeated army hungry and without hope raided the already impoverished countryside for food and clothing In the wake of the devastation that followed surrender even some of the most virulent Yankee haters found themselves relieved as the Union army began to bring a small level of order to the lawless southern terrain Dan T Carter's *When the War Was Over* is a social and political history of the two years following the surrender of the Confederacy the so called period of Presidential Reconstruction when the South under the watchful gaze of Congress and the Union army attempted to rebuild its shattered society and economic structure Working primarily from rich manuscript sources Carter draws a vivid portrait of the political leaders who emerged after the war a diverse group of men former loyalists as well as a few mildly repentant fire eaters who in some cases genuinely sought to find a place in southern society for the newly emancipated slaves but who in many other cases merely sought to redesign the boundaries of black servitude Carter finds that as a group the politicians who emerged in the postwar South failed critically in the test of their leadership Not only were they unable to construct a realistic program for the region's recovery a failure rooted in their stubborn refusal to accept the full consequences of emancipation but their actions also served to exacerbate rather than allay the fears and apprehensions of the victorious North Even so Carter reveals these leaders were not the monsters that many scholars have suggested they were and it is misleading to dismiss them as racists and political incompetents In important ways they represented the most constructive creative and imaginative response that the white South overwhelmed with defeat and social chaos had to offer in 1865 and 1866 Out of their efforts would come the New South movement and with it the final downfall of the plantation system and the beginnings of social justice for the freed slaves **The Dunning School** John David Smith, J. Vincent Lowery, 2013-11-15 From the late nineteenth century until World War I a group of Columbia University students gathered under the mentorship of the renowned historian William Archibald Dunning 1857 1922 Known as the Dunning School these students wrote the first generation of state studies on the Reconstruction volumes that generally sympathized with white southerners interpreted radical Reconstruction as a mean spirited usurpation of federal power and cast the Republican Party as a coalition of carpetbaggers freedmen scalawags and former Unionists Edited by the award winning historian John David Smith and J

Vincent Lowery The Dunning School focuses on this controversial group of historians and its scholarly output Despite their methodological limitations and racial bias the Dunning historians writings prefigured the sources and questions that later historians of the Reconstruction would utilize and address Many of their pioneering dissertations remain important to ongoing debates on the broad meaning of the Civil War and Reconstruction and the evolution of American historical scholarship This groundbreaking collection of original essays offers a fair and critical assessment of the Dunning School that focuses on the group s purpose the strengths and weaknesses of its constituents and its legacy Squaring the past with the present this important book also explores the evolution of historical interpretations over time and illuminates the ways in which contemporary political racial and social questions shape historical analyses The Roots of Southern Populism : Yeoman Farmers and the Transformation of the Georgia Upcountry, 1850-1890 San Diego Steven Hahn Associate Professor of History University of California,1983-08-25 In this examination of the rise of agrarian radicalism in the late 19th century South Hahn focuses on social change and popular consciousness while exploring populism s kinship with other movements such as labour radicalism Rebuilding Zion Daniel W. Stowell,2001-09-20 Both the North and the South viewed the Civil War in Christian terms Each side believed that its fight was just that God favored its cause Rebuilding Zion is the first study to explore simultaneously the reaction of southern white evangelicals northern white evangelicals and Christian freedpeople to Confederate defeat As white southerners struggled to assure themselves that the collapse of the Confederacy was not an indication of God s stern judgment white northerners and freedpeople were certain that it was Author Daniel W Stowell tells the story of the religious reconstruction of the South following the war a bitter contest between southern and northern evangelicals at the heart of which was the fate of the freedpeople s souls and the southern effort to maintain a sense of sectional identity Central to the southern churches vision of the Civil War was the idea that God had not abandoned the South defeat was a Father s stern chastisement Secession and slavery had not been sinful rather it was the radicalism of the northern denominations that threatened the purity of the Gospel Northern evangelicals armed with a vastly different vision of the meaning of the war and their call to Christian duty entered the post war South intending to save white southerner and ex slave alike The freedpeople however drew their own providential meaning from the war and its outcome The goal for blacks in the postwar period was to establish churches for themselves separate from the control of their former masters Stowell plots the conflicts that resulted from these competing visions of the religious reconstruction of the South By demonstrating how the southern vision eventually came to predominate over but not eradicate the northern and freedpeople s visions for the religious life of the South he shows how the southern churches became one of the principal bulwarks of the New South a region marked by intense piety and intense racism throughout the twentieth century **Blacks, Carpetbaggers, and Scalawags** Richard L. Hume,Jerry B. Gough,2008-10-01 After the Civil War Congress required ten former Confederate states to rewrite their constitutions before they could be readmitted to the Union An electorate composed of newly enfranchised

former slaves native southern whites minus significant numbers of disenfranchised former Confederate officials and a small contingent of carpetbaggers or outside whites sent delegates to ten constitutional conventions Derogatorily labeled black and tan by their detractors these assemblies wrote constitutions and submitted them to Congress and to the voters in their respective states for approval Blacks Carpetbaggers and Scalawags offers a quantitative study of these decisive but little understood assemblies the first elected bodies in the United States to include a significant number of blacks Richard L Hume and Jerry B Gough scoured manuscript census returns to determine the age occupation property holdings literacy and slaveholdings of 839 of the conventions 1 018 delegates Carefully analyzing convention voting records on certain issues including race suffrage and government structure they correlate delegates voting patterns with their racial and socioeconomic status The authors then assign a Republican support score to each delegate who voted often enough to count establishing the degree to which each delegate adhered to the Republican leaders program at his convention Using these scores they divide the delegates into three groups radicals swing voters and conservatives and incorporate their quantitative findings into the narrative histories of each convention providing for the first time a detailed analysis of these long overlooked assemblies Hume and Gough s comprehensive study offers an objective look at the accomplishments and shortcomings of the conventions and humanizes the delegates who have until now been understood largely as stereotypes Blacks Carpetbaggers and Scalawags provides an essential reference guide for anyone seeking a better understanding of the Reconstruction era

Black Conservatism Peter Eisenstadt, 2013-09-13 This volume is the first comprehensive examination of African American conservative thought and politics from the late eighteenth century to the present The essays in the collection explore various aspects of African American conservatism including biographical studies of abolitionist James Forten clergymen Henry McNeal Turner and J H Jackson and activists A Philip Randolph and Bayard Rustin Thematic essays in the volume consider southern black conservatism in the late nineteenth century and after World War I African American success manuals Ellisonian cultural criticism the Nation of Islam and African Americans and the Republican Party after 1964

The Roots of Southern Populism Steven Hahn, 2006-05-18 Despite the vast changes in plantation agriculture following the Civil War and Reconstruction the lot of small farmers was little improved Examining the nonplantation region of upcountry Georgia as a microcosm of the South Steven Hahn showed how farmers were buffeted by such forces as the unravelling of antebellum household economy the development of market forces the growth of a new class of merchants landlords and rising tensions between town and countryside and how their resentments fuelled the Populist movement at the end of the 19th century For this updated edition Hahn will add new material to discuss how the book has stood up since it was published over twenty years ago how the arguments and questions were received and what influence they may have had on scholarship He will also consider what has happened to historical interest in Populism poor white people and populist politics as well as why he thinks it likely that interest may revive and what sort of questions and arguments may drive it

From Slavery to Agrarian Capitalism in the Cotton Plantation South Joseph P. Reidy, 2000-11-09 Reidy has produced one of the most thoughtful treatments to date of a critical moment in southern history placing the social transformation of the South in the context of the age of capital and the changes in the markets ideologies etc of the Atlantic world system Better than anyone perhaps Reidy has elaborated both the large and small narratives of this development connecting global forces with the initiatives and reactions of ordinary southerners black and white Thomas C Holt University of Chicago Joseph Reidy's detailed analysis of social and economic developments in central Georgia during and after slavery will take its place among the standard works on these subjects Its discussions of the expansion of the cotton kingdom and of the changes after emancipation make it necessary reading for all concerned with southern and African American history Stanley Engerman University of Rochester Successfully places the experience of one region's people into the larger theoretical context of world capitalist development and in the process challenges other scholars to do the same Rural Sociology

A People at War Scott Reynolds Nelson, Carol Sheriff, 2007-04-16 Claiming more than 600 000 lives the American Civil War had a devastating impact on countless numbers of common soldiers and civilians even as it brought freedom to millions This book shows how average Americans coped with despair as well as hope during this vast upheaval *A People at War* brings to life the full humanity of the war's participants from women behind their plows to their husbands in army camps from refugees from slavery to their former masters from Mayflower descendants to freshly recruited Irish sailors We discover how people confronted their own feelings about the war itself and how they coped with emotional challenges uncertainty exhaustion fear guilt betrayal grief as well as physical ones displacement poverty illness disfigurement The book explores the violence beyond the battlefield illuminating the sharp edged conflicts of neighbor against neighbor whether in guerilla warfare or urban riots The authors travel as far west as China and as far east as Europe taking us inside soldiers tents prisoner of war camps plantations tenements churches Indian reservations and even the cargo holds of ships They stress the war years but also cast an eye at the tumultuous decades that preceded and followed the battlefield confrontations An engrossing account of ordinary people caught up in life shattering circumstances *A People at War* captures how the Civil War rocked the lives of rich and poor black and white parents and children and how all these Americans pushed generals and presidents to make the conflict a people's war

The Scalawag In Alabama Politics, 1865-1881 Sarah Woolfolk Wiggins, 1977-07-30 Who was this scalawag Simply a native white Alabama Republican Scorned by his fellow white Southerners he suffered in his desire for socioeconomic reform and political power more than mere verbal abuse and social ostracism he lived constantly under the threat of physical violence When first published in 1977 Wiggins' treatment of the scalawag was the first book length study of scalawags in any state and it remains the most thorough treatment According to *The Journal of American History* this is the most effective challenge to the scalawag stereotype yet to appear

The Presidency of Andrew Johnson Albert Castel, 1979 A critical study of his administration assessing his Reconstruction program

and economic foreign relations and Indian policies

Iron Confederacies Scott Reynolds Nelson, 2005-10-12 During Reconstruction an alliance of southern planters and northern capitalists rebuilt the southern railway system using remnants of the Confederate railroads that had been built and destroyed during the Civil War In the process of linking Virginia the Carolinas and Georgia by rail this alliance created one of the largest corporations in the world engendered bitter political struggles and transformed the South in lasting ways says Scott Nelson Iron Confederacies uses the history of southern railways to explore linkages among the themes of states rights racial violence labor strife and big business in the nineteenth century South By 1868 Ku Klux Klan leaders had begun mobilizing white resentment against rapid economic change by asserting that railroad consolidation led to political corruption and black economic success As Nelson notes some of the Klan's most violent activity was concentrated along the Richmond Atlanta rail corridor But conflicts over railroads were eventually resolved he argues in agreements between northern railroad barons and Klan leaders that allowed white terrorism against black voters while surrendering states control over the southern economy

The Invisible Empire Albion Winegar Tourgee, Otto H. Olsen, 1989-04-01 The North Carolina carpetbagger Albion Winegar Tourgee came to the South in 1865 after serving as a Union volunteer during the Civil War His struggles in the cause of civil rights led him to take part in the political reorganization of the region However in 1879 Tourgee despaired of his efforts in the South and returned to the North There he published A Fool's Errand a largely autobiographical novel that depicted a southern society dominated by the Ku Klux Klan and riddled with racism ignorance and corrupt policies Within a year of the release of A Fool's Errand Tourgee published The Invisible Empire a nonfiction account of his years in the South intended to buttress the portrait of Reconstruction southern society he had depicted in his novel The Invisible Empire investigates white supremacy as it emerged from the milieu of slavery war politics and Reconstruction Tourgee argues that organizations such as the Klan appealed to the mass of white southerners as a means of ameliorating their defeat and ensuring a measure of political control He describes that Klan as the produce of southern hostility toward any and all things associated with the uplifting of the black population Tourgee's efforts in his books and in his life were aimed at undermining racism and promoting egalitarian and democratic ideals This reprint of The Invisible Empire brings to light a book that will interest scholars and general readers alike It is a striking contemporary look into the mind of the carpetbagger and the genesis of both the Ku Klux Klan and the political structure of the postwar South Otto H Olsen's introduction and notes place the work in its proper historical and literary context His analysis of the documentary evidence supplied by various reliable sources gives Tourgee's narrative a more solid historical basis than it has heretofore had

Ambiguous Lives Adele Logan Alexander, 1992-02-01 1992 Myers Center Outstanding Book on Human Rights Historians have produced scores of studies on white men extraordinary white women and even the often anonymous mass of enslaved Black people in the United States But in this innovative work Adele Logan Alexander chronicles there heretofore undocumented dilemmas of one of nineteenth century America's most marginalized groups free

women of color in the rural South *Ambiguous Lives* focuses on the women of Alexander's own family as representative of this subcaste of the African American community. Their forbears in fact included Africans, Native Americans, and whites. Neither black nor white, affluent nor impoverished, enslaved nor truly free, these women of color lived and died in a shadowy realm situated somewhere between the legal, social, and economic extremes of empowered whites and subjugated blacks. Yet as Alexander persuasively argues, these lives are worthy of attention precisely because of these ambiguities, because the intricacies, gradations, and subtleties of their anomalous experience became part of the tangled skein of American history and exemplify our country's endless diversity, complexity, and self-contradictions. Written as a reclamation of a long ignored substratum of our society, *Ambiguous Lives* is more than the story of one family; it is a well-researched and fascinating profile of America, its race and gender relations, and its complex cultural weave.

Black Politicians and Reconstruction in Georgia Edmund L. Drago, 1992. This widely hailed study examines the reasons behind the quick demise of Radical Reconstruction in Georgia. Edmund L. Drago shows that a primary factor was ironically the extraordinary fairness on the part of the state's black leaders in dealing with their former masters. Lacking the sizable and experienced antebellum free black class that existed in such states as South Carolina and Louisiana, Georgia's former slaves turned to their ministers for political leadership. Otherworldly and fatalistic, the ministers preached a message in which all people, even slaveholders, were deserving of God's mercy. Translated into politics, this message quickly and predictably brought disaster. Shortly after the black delegation to the state constitutional convention of 1867-1868 refused to support a provision guaranteeing blacks the right to hold office, blacks were expelled from the state legislature. Only then did the minister-politicians realize that they would have to become more militant and black-oriented if they were to challenge white supremacy. Propelled by this newfound toughness, they were soon able to achieve a limited success by bringing about the Second Reconstruction of Georgia. In the preface to this new edition, Drago surveys recent writing on Reconstruction and drawing upon his own research on black leadership in South Carolina, compares experiences in that state to those in Georgia. It is time, he says, to give greater consideration to the role black women played in shaping politics and to the emergence of a black conservative political tradition. He also suggests that revisionists in reacting to the racism in traditional histories have sometimes glossed over issues of corruption and the black politician.

Urban Emancipation Michael W. Fitzgerald, 2002-09-01. Scholars of Reconstruction have generally described Republican party factional conflicts in racial terms as if the Radical agenda evoked unified black support. As Michael W. Fitzgerald shows in the first major study of black popular politics in the urban South in the years surrounding the Civil War, that depiction oversimplifies a contentious and often overlooked intraracial dynamic. Republican political power, he argues, heightened divisions within the African American community, divisions that were ultimately a major factor in the failure of Reconstruction. Focusing on Mobile, the Confederacy's fourth largest city, Fitzgerald traces how the rivalry between longtime black residents and destitute freedmen fleeing the countryside yielded a startlingly

antagonistic political scene He demonstrates that the Republican factionalism that helped doom Reconstruction went beyond competing cliques of white officeholders Boldly challenging reigning theories about the nature of post Civil War politics Urban Emancipation will spark historical debate for years to come Faithful, Firm, and True Titus Brown,2002 In this book the author traces the dual roles of the northern American Missionary Association AMA and the African American community of Macon Georgia in their joint effort to provide education to blacks in central Georgia He places the history of African American education in Macon in the context of the national debate over what kind of education best served the black community and what roles blacks should play in the nation s social political and economic life **The Facts of**

Reconstruction Eric Anderson,Alfred A. Moss, Jr.,1991-05-01 Thirty years after the publication of John Hope Franklin s influential interpretative essay Reconstruction After the Civil War ten distinguished scholars have contributed to a new appraisal of Reconstruction scholarship Recognizing Professor Franklin s major contributions to the study of the Reconstruction era their work of analysis and review has been dedicated to him Although most of the contributors studied with John Hope Franklin The Facts of Reconstruction is not a festschrift at least not the conventional sense The book does not offer a comprehensive assessment of Franklin s remarkably wide ranging work in southern and Afro American history but instead engages his influential interpretation of Reconstruction The essays in The Facts of Reconstruction focus upon questions raised in Reconstruction After the Civil War Was southern white intransigence the decisive influence in Presidential Reconstruction What as the role of violence in southern redemption How successful were the educational experiments of the Reconstruction era Why did southern Republicans fail to build an effective coalition capable of surviving the pressure of racism In addition several essays discuss questions not directly addressed in Franklin s book since his pathbreaking work indirectly stimulated study in a variety of new areas For example contributors to The Facts of Reconstruction examine the ante bellum origins of Reconstruction evaluate the development of racial segregation during the late nineteenth century analyze the political and legal ideas behind the Reconstruction debates and study the prospering minority among blacks Representing a variety of perspectives the authors have sought to follow John Hope Franklin s admonition that Reconstruction should not be used as a mirror of ourselves If they have succeeded this book in honor of a profound scholar and inspiring teacher will provoke new discussion about the facts of Reconstruction

Losing The Peace Georgia Republicans And Reconstruction 1865 1871 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Losing The Peace Georgia Republicans And Reconstruction 1865 1871 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Losing The Peace Georgia Republicans And Reconstruction 1865 1871 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Losing The Peace Georgia Republicans And Reconstruction 1865 1871 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Losing The Peace Georgia Republicans And Reconstruction 1865 1871 Books

What is a Losing The Peace Georgia Republicans And Reconstruction 1865 1871 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Losing The Peace Georgia Republicans And Reconstruction 1865 1871 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Losing The Peace Georgia Republicans And Reconstruction 1865 1871 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Losing The Peace Georgia Republicans And Reconstruction 1865 1871 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Losing The Peace Georgia Republicans And Reconstruction 1865 1871 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing

and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
