Lost Bar Harbor:

Lost Bar Harbor G. W. Helfrich, Gladys O'Neil, 2015-05-15 From the 1880s to the end of World War I the fashionable resort of Bar Harbor attracted thousands of summer visitors with the money and leisure to pursue the simple life on a grand scale Eighty six vanished summer palaces are pictured in Lost Bar Harbor Many never before published
Lost in Bar Harbor Angela Webber, 2011
Summer by the Seaside Bryant Franklin Tolles, 2008 A sweeping richly illustrated architectural study of the large historic New England coastal resort hotels
Facts and Fancy Jean Marie Ivey, Donna Marie Lee, 2022-08-01 What They're Saying About Facts and Fancy Thanks to a mother and daughter writing team there is now on the bookshelves a truly sensible guide to the history trivia places and things on Mount Desert Island I thoroughly enjoyed this book and have to admit I learned a lot of things about Acadia and MDI that I never knew
Hale G Joy The Ellsworth American A wonderful little volume well done and much needed
Duane Pierson Friends of Acadia Catches as well as a small practical but pleasing booklet can and better than any guide I've seen the Island's story and character
Patricia Ranzoni Maine in Print As a fifth generation summer person and a full time resident for 20+ years of Mount Desert Island I thought I was well versed on the history lore and contemporary features of the area But I learned a number of interesting bits of information in Ivey and Lee's attractive little pocketbook
Facts and Fancy This would be the perfect book to have on hand when visitors come for a weekend's stay and you find yourself barraged with questions you really should know the answers to but don't know
Nan Lincoln The Bar Harbor Times
The Park Loop Road Robert Thayer, 1999-01-01 Mount Desert Island and Acadia National Park offer a remarkable diversity of natural and human history This book guides you through the unparalleled scenic beauty dramatic geology and historic importance of the 21 mile Park Loop Road
Maine Cottages John M. Bryan, Fred L. Savage, 2005-04-07 Robert R Pyle Our sense of place and community is made up of memories personal memories of first hand experience oral memories that recount our ancestors' experiences and formal codified civic memories set down in laws ceremonies and rituals Together they are vital building blocks of citizenship In a vivid and meaningful way this book preserves memories relevant to understanding the roots of communities on Mount Desert Island
Maine The surnames of many of Mount Desert's earliest settlers are still found in today's telephone directories In these families many oral traditions are passed down from generation to generation building outward from a historical core like the rings of a tree
Dad used to farm this field Fred L Savage's great nephew Don Phillips told me once gesturing toward an alder growth His father grew vegetables for the hotel and my great grandfather grew grains This road used to go right on up over the hill and they used it to move the cemetery up there from where the hotel is now Describing the field Don ignores the alders and the towering evergreens beyond them for in his mind's eye he sees yellow waving wheat and rye bare ground and a narrow cart track leading up the hill into the distance on which his ancestors transported the remains of their own forebears to a new resting place Oral traditions living memory set the stage for him and he accepts the reality of things he
