M. Wessel,2006-08-01 I would recommend purchasing the REVISED EDITION which is probably listed on the next page s If you can t find it just click on my name and it will take you to my homepage where all my books are listed I decided to display this original edition on my storefront because there was a review attached to it that you might want to read Rose Book of Bible Charts Rose Publishing (Torrance, Calif.),2008 More than 230 pages of reproducible Bible charts in one book Buying these charts separately would cost 130 You may reproduce up to 300 copies of any chart free of charge for your own classroom Full color contains most Rose material published since 2005 Hardcover with a spine covering a spiral binding 233 pages Peloubet's Select Notes on the International Bible Lessons for Christian Living ,1910 **Bible Proofs of Universal Salvation** John Wesley Hanson,1885 The Bible and Its Influence Cullen Schippe,Chuck Stetson,2006 Biblical allusions are found in great literature and in the daily newspaper as well Rock musicians screenwriters television producers and advertisers use the Bible as a source Politicians use the words and accounts of the Bible to frame their debates **The Lost Books of the Bible** Frank Crane,2011-05 YOU will find between these covers all the ecclesiastical writings of early Christian authorities that are known to exist and yet were omitted from the authorized New Testament They are published here as a matter of record Whether they are canonical or not at least these writings are of very great antiquity Origins are noted in paragraphs at the front of each book This will enable the reader to form his own conclusions as to the genuineness of the writings These writings are a vivid picture of the minds of men in the post Apostolic period of the Church Discount the statements from the historical viewpoint as you will there remains in these gospels and epistles an earnestness of purpose and zeal to express a message similar to that of our authorized Bible An interesting question naturally arises as to why these writings were cast out in the selection of the material that has come down to us in the authorized version The compilation of the Bible was not an act of any definite occurrence It was a matter complicated and abstruse It was an evolution at the hands of Churchmen of various beliefs and purposes In the formulation of early church doctrines there was dissension personal jealousy intolerance persecution bigotry That out of this welter should have arisen the Bible with its fine inspiration would seem to present a plausible basis for belief in its Divine origin But who can deny that under such vicious and human circumstances much writing of as pure purpose and as profound sincerity as other that is included in the authorized Bible must have been omitted The story of the first council of Nice when Arius was commanded by the Bishop of Alexandria to quit his beliefs or be declared a heretic and his writings were ordered destroyed is eloquent of many things that happened Good men were engaged on both sides of the ecclesiastical controversies *The Wiersbe Bible Commentary: New Testament* , Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as
