Lost Country Life How English Country Folk Lived Worked Threshed Thatched:

Shakespeare's Nature Charlotte Scott, 2014 Shakespeare's Nature offers a radically new interpretation of Shakespeare's depiction of nature revealing the extent to which Shakespeare drew on the language of his wider environment for the exploration of his social worlds

The Story of Us Humans, from Atoms to Today's Civilization Robert Dalling, 2006-03 The Story of Us Humans explains human nature and human history including the origins of our species emotions behavior morals and society It explains what we are how we got here and where we are today by describing the origin history and current ways of our neighborhoods religion government science technology and business Written in plain language it explains what astronomy physics geology biology chemistry anthropology history religion social science and political science tell us about ourselves Most everyone feels that human success is measured in terms of healthy and happy children and communities Human thoughts and actions involve little besides love and children spouse and family community and justice because we are parenting mammals and social primates Each of us simply wants to laugh and joke with our family and friends pursue life raise children and strive to be a valued and contributing member of our community We have made incredible progress building civilization in just a few hundred generations using nothing except our animal minds Have you wondered What are the laws of nature and how many laws are there How did molecular life begin and then evolve into worms fish amphibians reptiles mammals primates and humans What are the differences between these animals How did we get from the Big Bang to bacteria and on to Christianity democracy and globalization What is life like for gatherer hunters When did we first become farmers and first build cities and what was life like at those times What was life like in Ancient Mesopotamia Ancient Athens 13th century Cahokia Medieval China and Europe 19th Century New England Yoruban villages and in the U S during the 1920s What was the Industrial Revolution and how has it changed our lives What are the Hindu Muslim Confucian Jewish Christian Buddhist and Humanist religions and world views How have our wages infant mortality rates lifespans crime rates and poverty and inequality rates varied through the ages What are the biggest economic and social secrets in the U S today What are some meaningful goals and priorities for our civilization and how can we measure the success of our attempts to reach those goals Includes questions index bibliography and 1 200 internet links taking you to images videos and discussed documents

Comfort Food Michael Owen Jones, Lucy M. Long, 2017-04-14 With contributions by Barbara Banks Sheila Bock Susan Eleuterio Jillian Gould Phillis Humphries Michael Owen Jones Alicia Kristen William G Lockwood Yvonne R Lockwood Lucy M Long LuAnne Roth Rachelle H Saltzman Charlene Smith Annie Tucker and Diane Tye Comfort Food explores this concept with examples taken from Atlantic Canadians Indonesians the English in Britain and various ethnic regional and religious populations as well as rural and urban residents in the United States This volume includes studies of particular edibles and the ways in which they comfort or in some instances cause discomfort The contributors focus on items ranging from bologna to chocolate including sweet and savory puddings fried bread with an egg in the center dairy products

fried rice cafeteria fare sugary fried dough soul food and others Several essays consider comfort food in the context of cookbooks films blogs literature marketing and tourism Of course what heartens one person might put off another so the collection also includes takes on victuals that prove problematic All this fare is then related to identity family community nationality ethnicity class sense of place tradition stress health discomfort guilt betrayal and loss contributing to and deepening our understanding of comfort food This book offers a foundation for further appreciation of comfort food As a subject of study the comfort food is relevant to a number of disciplines most obviously food studies folkloristics and anthropology but also American studies cultural studies global and international studies tourism marketing and public health
