Lost Mines and Buried Treasures of Old Wyoming W. C. Jameson, 2010 W C Jameson an expert on treasure hunting now turns his attention to Wyoming's lost fortunes With his gift for storytelling he relates intriguing legends and historical accounts of lost gold buried payrolls and hidden strongboxes Jameson takes us on an adventure to the four corners of Wyoming to investigate the Snake River Pothole Gold the Hallelujah Gulch Robbery Loot the Lost Treasure of Big Nose George the Lost Cabin Gold Mine and twelve other action packed tales Jameson has written more than 60 books on treasure hunting and served as an advisor to Walt Disney Productions on the National Treasure movies starring Nicholas Cage An amateur treasure hunter in Texas testified in court that he had found a multi million dollar lost treasure by using only a copy of one of Jameson's books and Google Earth for directions

### **Camp Fire Tales of Lost Mines and Hidden Treasure**

Robert G. Ferguson, 1937      **Out of the Dust** Stephen B. Shaffer, 2005      *Lost Mines and Treasure Tales of New England* Ivan Herring, 2018-05-04 This book contains 127 stories of Lost Mines and Treasures in New England covering the States of Connecticut Maine Massachusetts New Hampshire New York Rhode Island and Vermont Many of the stories concern treasure hunters buried by the French British Indians and Colonial settlers during the many wars that rocked the area in the 18th and 19th centuries I have also included a few stories from early newspapers on the Treasure of Oak Island which discuss the early history of the site It seems that interest has been revived in the area by a Television Show which has run for five seasons seeking the treasure believed to be there At the end of 2017 they actually found a piece of 16th century jewelry containing a faceted Rhodonite Garnet and a lead cross and a few pieces of hardware I found the data for this book while doing research on old mines for my series of books Mines of the American West The Lost Mines and Treasures were identified from articles in early American newspapers and other sources considered reliable Where possible for those lost treasures still to be found I have tried to tie them to modern mines or areas and include some background data on such areas In doing this some of them seemed to fall short in the area of fact and logic The reader should understand that this is a collection of data from old and new publications and not a focused specifically on the effort to find the specific properties although some research especially from a logic standpoint has been done If the reader can glean critical information from these original articles and the limited research that allows or helps him or her to locate a lost mine or lost treasure I wish him or her well and leave it to them to reap the rewards The print version of this book has been produced in the 8 1/2 X 11 format to keep the price low If done in 6 X 9 or smaller the book would be 2 or 3 times as many pages in length and would cost substantially more to increased on demand print costs These seem to be heavily influenced by the total number of pages While this may be one of the seeming drawbacks to on demand printing the benefit of on demand printing is that specialty books such as this are now practical to publish where the target market may be relatively small and minimal returns to the author are acceptable

**Following the Legends** Dale R. Bascom, 2007 Utah's history is overflowing with legends for the past 25 years Dale Bascom has been collecting stories maps and documentation about Utah's legends In Following the

Legends he attempts to draw the line between fact and fiction in the quest for treasure and adventure with the assistance of modern technology GPS equipment and mapping software the search for treasure takes on a whole new meaning Following the Legends combines old rumors with new tools to shed light on Utah s rich history This compilation of legends true stories expert advice and practical wisdom is ideal for both the curious and the adventurous alike **Lost Mines and Buried Treasures of Arizona** W. C. Jameson,2010-01-19 Arizona s history is liberally seasoned with legends of lost mines buried treasures and significant deposits of gold and silver The famous Lost Dutchman Mine has lured treasure hunters for over a century into the remote treacherous and reportedly cursed Superstition Mountains east of Phoenix Gold and silver bars discovered in Huachuca Canyon by a soldier stationed at nearby Fort Huachuca just before World War II remain inaccessible despite years of laborious attempts at recovery Outside the town of Yucca bandits eager to make a fast getaway buried a strongbox filled with gold unaware they wouldn t survive the pursuit of a law enforcing posse to recover their plunder And somewhere in the Little Horn Mountains northeast of Yuma lies an elusive wash containing hundreds of odd gold filled rocks Selected from hundreds of tales passed down from generation to generation since the days of the gold seeking Spanish explorers the tales included here are among the most compelling that Arizona has to offer **Texas Tales of Lost Mines and Buried Treasures** Carlos Savoy,2001 Amazing stories of lost and hidden outlaw loot Spanish gold and silver mines buried Indian treasure lost pirate booty and legendary treasures have lured searchers for generations And most serious treasure hunters agree that Texas is the richest source of some of the world s most fascinating and compelling history regarding such stories This book represents the largest collection of in depth research on the legends and folktales concerning lost mines and buried treasure in the state of Texas Western Treasures Notebook of Lost Mines and Buried Treasure Jack Black,1966 **Oklahoma Treasures and Treasure Tales** Steve Wilson,1989-05-01 Contains stories some true some legendary about caches of lost treasure *Lost Mines and Buried Treasures of the Civil War* W. C. Jameson,2013-03-01 To a professional treasure hunter the era of the Civil War is attractive in a number of ways For one thing many of the lost or cached military payrolls are documented so the fortune at the end of the search remains a real one as opposed to a folklorical or mythical one The truth is there are millions of dollars worth of such payrolls waiting to be discovered Further recovered artifacts associated with both the Union and Confederate armies can sometimes yield impressively high values among collectors Recovered weapons caches find a viable market Most tales of lost mines and buried treasures are steeped in history and or lore The added element of the fascinating era of the Civil War adds a particular level of interest and excitement to the quest For the first time an exhaustively researched collection of some of the most notable lost treasures of the Civil War is presented in this book **Lost Mines and Buried Treasures of the West** Thomas Probert,1977 This large easy to use volume lists the works of more than eleven hundred different authors covering thousands of stories of lost mines and buried treasures supposedly located in fifteen Western and Southwestern states and in

Mexico In addition to being a boon to those adventurers who are tempted to search for lost mines and buried treasures it will be an important basic research tool for historians geologists geographers anthropologists archaeologists and folklorists and it will be useful in identifying the man treasure hoards and mining claims all the way from the Lost Adams Diggings in Arizona to the Stagecoach in Wyoming The information given in this important bibliography was acquired through perusal of an unusually large number of books newspapers magazines unpublished manuscripts deposits in private and public libraries holdings of various historical foundations and governmental records and archives The task took Mr Probert three full years of steady patient work Many of these stories of lost mines and buried treasures have resulted in the discovery of some that are rarely acknowledged largely because as Mr Probert points out those who have been so fortunate as to find the pot of gold at the end of the rainbow have deemed it wiser and much safer to keep their own counsel Book jacket *Lost Mines and Buried Treasures of California* Richard Austin Pierce, 1962

### **Lost Mines And Hidden Treasure Introduction**

In today's digital age, the availability of Lost Mines And Hidden Treasure books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lost Mines And Hidden Treasure books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lost Mines And Hidden Treasure books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you

need to purchase several of them for educational or professional purposes. By accessing Lost Mines And Hidden Treasure versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lost Mines And Hidden Treasure books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lost Mines And Hidden Treasure books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lost Mines And Hidden Treasure books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lost Mines And Hidden Treasure books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lost Mines And Hidden Treasure books and manuals for download and embark on your journey of knowledge?
