Lost Passions Of Jesus:

The Lost Passions of Jesus Donald L. Milam, 2000 This volume takes a personal and intimate look at the passions of our Lord as they were divinely demonstrated in His life and in His teachings These passions passion for the kingdom of God faith the Holy Spirit compassion for the lost prayer glory of God and the Father are looked at not from a theological viewpoint but from a desire to know and experience the heart drive of our Master **Lost Sons** Michael Sadgrove, 2012-11-15 Stories in the Books of Genesis and Exodus tell of fathers whose sons are lost to them through deaths of various kinds One is murdered Another is abandoned A third is supplanted A fourth is betrayed A fifth is taken for sacrifice A sixth is forgotten about A seventh is secreted away Only one of these is lost through physical death the others die symbolically But in their different ways all these sons are lost to their fathers some for a time some forever And all of them develop the theme with which the biblical narrative begins God's first son Adam who by becoming lost to his Creator sets in train God's long search for humanity The book culminates with a chapter on Jesus God's son lost and found **What God's Word Say's About It** Cindy Schwartz-Jones, 2022-06-28 As a minister's wife I had spent countless hours of intimate moments with the Lord studying and reading listening bible studies with my husband and God always seems to have me writing on deep issues about things that are impacting individuals today or our world or lifestyle as a Christian and how we must really align them with the word of God This book is a compilation of all my writing in the last few years all in one on strong topics that we deal with and what God's word directly says about it and want to make sure that your salvation is secure and your destination is heaven and not get caught up in all the distractions I pray that this book is an eye opener and that your salvation be secured so we all can enjoy our Lord and Savior in Heaven together He is coming back soon This is a MUST read book Cindy Schwartz Jones

Praying the Lord's Prayer Cleddie Keith,2005-01-18 You Can Pray the Way Jesus Prayed Everyone who wants to pray effectively needs to read this book Pastor Cleddie Keith is a living testimony of the power of prayer Anyone can teach theory but Praying the Lord s Prayer gives you all the secrets that Pastor Keith has discovered by experience over the years he has walked with God In this powerful *Lost Passions of Jesus* Don Milam,2000-04-01 *The Passion of the King of Glory* Russ Ramsey,2018-07-10 In this carefully researched retelling of the story of Jesus pastor Russ Ramsey invites us to

rediscover our wonder at Jesus sinless life brutal death and glorious resurrection Featuring forty short chapters this book expands on the biblical narrative of Jesus life in a fresh and creative way giving us a taste of what it would have been like to walk next to Jesus and experience his earthly ministry firsthand **The Voice of God in the Present Hour** Reuben Archer Torrey,1917 *Jesus Only* Ernan Norman,2011-11-01 The focus and theme of this book is Jesus only The eternal verity taught in Scripture is that Jesus alone saves Therefore the central focus of the church must be on Jesus Christ the One crucified risen ascended interceding and coming again This was the secret to the life and power of the apostolic church Everything about the early church as recorded in the book of Acts was due to the presence and power of the Lord in His church The Scriptures clearly speak about their passion but also about the One who was central to their preaching teaching and living as a body of believers And daily in the temple and in every house they ceased not to teach and preach Jesus Christ Acts 5 42 Unfortunately the church no longer measures up to the life that God intended for it In these final and closing days of earths history Jesus is anxiously awaiting for a portrait of Himself in His church The spirit and power of the apostolic period must return The central focus of Jesus Christ as Lord and Savior must return The dynamic Holy Ghost empowerment of the church must return The daily growth of the church must return The self sacrificing spirit that should mark the life of a true disciple must return There is no question that we must return to primitive godliness and for that to happen the church will have to return to her first love which is a central focus on Jesus *The Truth about the Lordship of Christ* John F. MacArthur,2012 Best selling author and pastor John MacArthur brings his deep knowledge of Scripture to this foundational subject Step by step he walks through the impact of God s sovereignty our submission the characteristics of holy living and our assurance of salvation *The Passion and the Death of Jesus Christ* Saint Alfonso Maria de' Liguori,1887 *The Silence of God during the Passion* Daniel Bourguet,2016-08-03 God s silence during the passion is certainly a silence towards man but in particular God was silent towards Christ in his perfect and complete humanity It is also the silence of the Father towards the Son At first sight this silence is troubling and perhaps shocking suggesting that God is in fact absent However the author invites us to go beyond this first impression and the silence turns out to be of tremendous richness overwhelming depth and surprising beauty We are invited to refocus our attention and discover what the Father is saying in a completely new way These pages sing with love for God and our meditation of the passion narratives draws us into deep contemplation of the One they celebrate the Crucified **Dangerous Church** John Bishop,2011-04-19 Dangerous churches should be norm Church leaders and church people alike shrink back from danger because we want safety Jesus said that he s overcome the world and its troubles Dangerous churches put everything on the line for the one thing that matters most reaching lost people It s dangerous not to be a dangerous church The book is less about methods or even the message of God but about a church that risks everything it has to reach lost people Living Hope was birthed 8 years ago and has grown from five families to 5000 attendees grown from one to 19 services on many campuses and baptized 5 000 people along the way A dangerous

church sees what only God can do when it acts upon what the church is supposed to be It risks everything to reach people God wants us to live on the edge of our margin when it comes to mission and methods So much of Living Hope s journey has been going back to the Book of Acts and trying to live authentically with the givens of who they were where they were and what they had to work with They learned to abandon agendas and short sighted human plans especially ones that copy what other churches are doing That s when they found God s blessing We went from being a good church to being God honoring church he reports Drawing insight from the book of Acts this book unfolds the very personal journey of a pastor and then his entire church when they finally began to live a dangerous faith The transition had a dramatic impact on the pastor s life and marriage as well as on the congregation and its outreach It opened a new sense of mission and incredible spiritual fruitfulness The pastor is not only a radically different person today but the entire church has become an atmosphere that values taking dangerous steps of faith It will lead Christ s followers to become risk takers who change the world through a revolution that begins with a dangerous grace The book is story rich with examples of the grace filled culture from Living Hope Church through the experiences of its pastor John Bishop It will avoid a smug attitude that implies we ve arrived we re the first to live out grace or we re the best at giving grace Instead the book will convey a humble attitude of we ve got a lot to learn including examples of mistakes the church has made along the way The rapid transition of Living Hope will not be projected as a speed for other churches to follow lest the book invite a crash and burn outcome at other churches Thus the book will find its primary story in and from Living Hope In 2007 Outreach Magazine ranked Living Hope as the seventh fastest growing schurh in the US They have also been listed among the 50 most influential churches in America *Herald of Gospel Liberty* ,1910 **Herald of Gospel Liberty** Elias Smith,1910
