The Collected Works of Eric Voegelin Eric Voegelin,1998 Annotation Examining the emergence of modernity within the philosophical and political debates of the sixteenth century Religion and the Rise of Modernity resumes the analysis of the great confusion introduced in Volume IV of History of Political Ideas Encompassing a vast range of events ignited by Luther s Ninety Five Theses this period is one of controversy revolution and partiality Despite the era s fragmentation and complexity Voegelin s insightful analysis clarifies its significance and suggests the lines of change converging at a point in the future the medieval Christian understanding of a divinely created closed cosmos was being replaced by a distinctly modern form of human consciousness that posits man as the proper origin of meaning in the universe Analyzing the most significant features of the great confusion

Voegelin examines a vast range of thought and issues of the age From the more obvious thinkers to those less frequently studied this volume features such figures as Calvin Althusius Hooker Bracciolini Savonarola Copernicus Tycho de Brahe and Giordano Bruno Devoting a considerable amount of attention to Jean Bodin Voegelin presents him as a prophet of a new true religion amid the civilizational disorder of the post Christian era Focusing on such traditional themes as monarchy just war theory and the philosophy of law this volume also investigates issues within astrology cosmology and mathematics Religion and the Rise of Modernity is a valuable work of scholarship not only because of its treatment of individual thinkers and doctrines influential in the sixteenth century and beyond but also because of its close examination of those experiences that formed the modern outlook

Science-fiction, the Early Years Everett Franklin Bleiler,1990 In this volume the author describes more than 3000 short stories novels and plays with science fiction elements from earliest times to 1930 He includes imaginary voyages utopias Victorian boys books dime novels pulp magazine stories British scientific romances and mainstream work with science fiction elements Many of these publications are extremely rare surviving in only a handful of copies and most of them have never been described before

2001 Frederick Sontag,2001-09-12 Can we 21st century pioneers match the challenge that our wanderings in a vast spiritual desert will bring us to encounter still never giving up our hope and yet continually find our courage renewed Can we rediscover trust in our now more divided lands as some have managed to do in their past trials and tribulations In 2001 A Spiritual Odyssey Frederick Sontag argues that we cannot understand the causes and the directions of our 21st century spiritual odyssey without seeing the forces which attract and drive the human spirit Our goal To see what new born novelties may be moving us to our 2001 spiritual odyssey and what attractions and distractions may be as old to us as our evolution s history

Science and Health With Key to Scripture Mary Baker Eddy,2009-05 With our American Philosophy and Religion series Applewood reissues many primary sources published throughout American history Through these books scholars interpreters students and non academics alike can see the thoughts and beliefs of Americans who came before us
