Lost Years:

The Lost Years Sonja B'Field, 2011-10 This is a true story inspired by my Lord and Savior Jesus Christ It will touch you deep inside your heart and soul Sonja B Field had a tough childhood with a child molesting and abusive step father and a mother who struggled to raise her seven children From age seven she remained devoted to her mother and her siblings Yet as she grew up she wanted nothing more than to escape her abusive childhood She dreamed of the day when she would have her own life with some tall and handsome man who would love her unconditionally When she finally meets Jansen she falls madly in love with him and he sweeps her off her feet and away from her hometown to an unfamiliar country where she would soon find nothing but torment and abuse at the hand of the man she trusted It was like living her childhood all over again

Ten Lost Years, 1929-1939 Barry Broadfoot, 2013-04-23 Hundreds of ordinary Canadians tell their own stories in this book They tell them in their own words and the impact is astonishing As page after page of unforgettable stories rolls by it is easy to see why this book sold 300 000 copies and why a successful stage play that ran for years was based on them The stories and the 52 accompanying photographs tell of an extraordinary time One tells how a greedy Maritime landlord ho tried to raise a widow s rent was tarred and gravelled another how rape by the boss was part of a waitress s job Other stories show Saskatchewan families watching their farms turn into deserts and walking away from them or freight trains black with hoboos clinging to them criss crossing the country in search of work or a man stealing a wreath for his own wife s funeral Throughout this portrait of the era before Canada had a social safety net there are amazing stories of what Time magazine called human tragedy and moral triumph during the hardest of times In the end this is an inspiring uplifting book about bravery one you will not forget

The Lost Years Stacey Ritz, 2019-03 We may not control our circumstances but we can control our choices WE ARE ALL COLLECTING MEMORIES moments that stay with us forever imprinted on our hearts and minds We store these moments letting them shape who we are and who we become But what do we do with the unwanted memories the ones that haunt us At thirty two Rainie Amburger has pushed everyone from her past aside to start a new life She is finally dating someone who might be the one Despite her past she has created a life that allows her to be in control and surrounded by those she can trust at her Kentucky Farm Rescue and Sanctuary Estranged for years Veronica Jorgenson never forgot her older sister Rainie Her married life with Andrew is full of smiles and pleasantries But Veronica learns that smiles can be deceptive After several odd events she is beginning to wonder what Andrew may be hiding behind his jovial smile What she is uncovering about the truth of her perfect looking life places who she is and what she believes into question Nearly sixty Sarah Jayne has spent her life as a caretaker to her ailing husband She sacrificed her dreams and dignity to care for a man who could never be bothered to properly care for himself When her husband is involved in a fatal accident despite having each gone their separate ways the incident brings the mother and her two daughters to the beaches of Corolla North Carolina There the three women are tested against their past and against their individual struggles And there with the

backdrop of aquamarine waves Rainie runs into her childhood best friend and high school sweetheart Milo Rivers someone she thought she left behind fourteen years ago The Lost Years is the story of the bond between sisters of mothers and daughters and of finding the courage and strength to leave the past behind and welcome what lies ahead even when it looks vastly different than what was expected Ultimately The Lost Years is a story of hope love and connection in the face of fear and despair EDITORIAL REVIEWS Heartwarming It is a story full of hope love connection and strong women I didn't want the book to end Once again Stacey Ritz weaves a rich and delightful story What fantastic read This is a story full of triumph and hope I loved every character and found myself rooting for everyone in the story We are all faced with tragedies in our lives Our stories however are not based on these tragedies but in our response to each tragedy This is exactly what Stacey Ritz proves with her latest novel The Lost Years The author pulls you in with her fabulous storytelling and keeps you engaged through her emotional and heart warming characters You will not want to put the book down and may find yourself reading all night This was a wonderful story of hope and reconnection My favorite part of The Lost Years was the underlying message that we are all in charge of our lives I loved this book and will happily read more of Ritz's novels in the future Dayton Monthly Book Club I was intrigued from the beginning I thought this may be just another beach read but I was wrong What a fabulous story of hope and reconnecting with those you thought you may have lost forever It gives everyone hope that maybe if you are true to yourself that happy endings aren't just for fairy tales
