that we believe we cannot control or affect the societal economic and political structures around us From climate change to nuclear war white nationalism to the worship of wealth and conspicuous consumption as the future becomes seemingly less secure Americans turn away from the public sphere and find shelter in the private Essig argues that when we do this we allow romance to blind us to the real work that needs to be done building global movements that inspire a change in government policies to address economic and social inequality

The Power of Mother Love Brenda Hunter, 2011-05-04

The Power of Mother Love highlights the incredible although sometimes unrealized influence that a mother has on her children and her society. Decades of scientific and psychological study provide overwhelming evidence for the idea that mother love has an enormous permanent impact in shaping the character and life of a child. In her compelling new work, psychologist Brenda Hunter presents a convincing argument that indicates this love is even more powerful, even more far-reaching than our culture has yet realized, not only for the child but for the mother and society as a whole. Affirming the immeasurable value of the mothering role while realistically addressing women's greatest questions and concerns, Hunter clearly reveals how mother love positively affects the way a woman defines herself. All mothers and all those who care about the lives of women, children, and the future of our society will be dramatically impacted by this not-to-be-missed book skillfully written to empower women to mother from the heart.

Shameless Steve Geyer, 2016-01-27 Are you plagued with memories of past failures? Do you ever feel like everything that goes badly is your fault? Do words like worthless and unacceptable describe how you feel about yourself? You're not alone. Millions of people struggle with these same thoughts, including people who might surprise you. These thoughts and feelings cause people to put on a variety of masks to cover up the dark and hidden places inside that they are terrified others may see. This book seeks to shed light on shame, the shadowy force that has controlled people's thoughts, actions, and lives for centuries. Comedian and pastor Steve Geyer will take you on a personal and poignant journey as he peels back his own mask and shares insights, life lessons, and a few well-timed laughs along the way. Reading *Shameless* will help you, reader, feel the weight of shame less and less. Steve, I'm sitting in a questionable carwash in a less-than-desirable neighborhood and reading your book for the third time. The ugly cry that happened with the first two readings has surfaced again and is scaring my fellow patrons. Thank you for your candor and transparency. Cameron Winton, Pastor of Discipleship, Woodlawn United Methodist Church, Panama City, FL.

Forthcoming Books Rose Arny, 1997-04 **From My Mess to His Message** Christopher Sparks, 2018-02-19 We all have messes in our lives. Some are big ones and some are small ones. Some we make with our choices; some are made for us by others or by sickness. This book is the result of the mess I created with my sin. I found my life turned upside down. I was locked up in prison without my freedom. I disgraced my family. I drove my friends away, and I had lost my job. I hit bottom, and I finally realized that I needed a savior. I cried out to God to take back control over my life. Once I did that, I needed a place to start, and God led me straight to His word. The devotions you will find on the pages of this book are the very words God gave me as He gave them to me. They are His messages of hope and salvation to a hurting child that He loves. He carried me through that season of my life. No matter what it is you are going through in your life, as you read the pages of this book, you will feel the overwhelming love and care Jesus has for you. Day after day, the words He shares with you will heal you and clean up those messes you made by doing it without Him. God will get so much glory as we walk together, watching Him turn your messes into His messages. He did it for me. I know He will do it for you, too.
