Leslie Meier, 2010-05-01 New York Times Bestselling Author A feud between two competitive moms may have turned fatal in the engaging cozy series set in small town Maine Publishers Weekly Two of her four kids may be out of the nest but Lucy Stone knows only too well that mothering is a lifetime commitment At least she gets to kick back and enjoy a fancy Mother's Day brunch with her brood that is before the festivities are interrupted by a nasty scene courtesy of Barbara Hume and Tina Nowak Opposites in every way these mean moms have only one thing in common the need to best each other at every turn using their teenage daughters as pawns in elaborate games of one upmanship But even after witnessing the women's claw sharpening rituals Lucy never expects to see actual blood spilled until Tina is shot dead on the public tennis court As charming and enjoyable as ever Romantic Times Lucy Stone is an endearing sleuth Dorothy Cannell **The Best Moms Don't Do it All** Thomas Phelan PhD, 2022-08-16 The only book that gives you an actionable plan to reduce the emotional labor and mental load that comes with raising a busy family while trying to live your own life from a clinical psychologist and bestselling author Are you a mom who does it all This is the book for you It's impossible to deny most moms continue to do way more household work and childcare than most dads Working full time raising kids cooking dinner making sure every appointment and activity is lined up and that everyone gets there on time no wonder you're tired But despite all the books and articles lamenting the crushing mental load and emotional labor women bear for their families no one has come up with a plan to actually make things change Until now The Best Moms Don't Do it All is the first book that not only acknowledges the fact that moms are burning out but shows you how to transfer responsibility for daily tasks from yourself to your partner and also gasp your kids Clinical psychologist and child discipline expert Thomas W Phelan PhD explains how we got into this mess in the first place and how we can get out of it through a calm systematic approach to teaching our families how to take initiative and contribute in meaningful ways Dr Phelan walks you through real life situations and shows you how to step back from the things that are dragging you down For example Your Maternal Identity the things you tell yourself you have to do in order to be a good mom The oppressive trap of chronic supervision Our society's curious underestimation of children's capabilities How to eliminate primary childcare with tweens and teens How to manage resistant or traditionalist dads Realistic and simple enough to implement in your home right away The Best Moms Don't Do it All provides a roadmap for you to take your life back and proves that the happiest families share the work and the fun equally Previously published as The Manager Mom Epidemic **Momfluenced** Sara Petersen, 2023-04-25 How momfluencer culture impacts women psychologically as consumers as performers of their stories and as mothers On Instagram the private work of mothering is turned into a public performance generating billions of dollars The message is simple we're all just a couple of clicks away

from a better more beautiful experience of motherhood Linen clad momfluencers hawking essential oils parenting manuals baby slings and sponsored content for Away suitcases make us want to forget that the reality of mothering in America is an isolating exhausting almost wholly unsupported endeavor In a culture which denies mothers basic human rights it feels good to click purchase now on whatever a momfluencer might be selling It feels good to hope Momfluencers are just like us except they aren't They are mothers yes They are also marketing strategists content creators lighting experts advertising executives and artists They are businesswomen The most successful momfluencers offer content that differs very little from what we used to find in glossy women's magazines like Glamour and Real Simple only they're churning it out daily and that content is their lives We flock to momfluencers to learn about fashion wellness parenting politics and to find Brooklyn designed crib sheets printed with radishes Chances are if you're a mother reading this and maybe even if you're not you are an arm's length away from something you've purchased because a momfluencer made it look good Drawing on her own fraught relationship to momfluencer culture Sara Petersen incorporates pop culture analysis and interviews with prominent momfluencers and experts psychologists academics technologists to explore the glorification of the ideal mama online with both humor and empathy At home on a bookshelf with Lyz Lenz's Belabored and Jia Tolentino's Trick Mirror Momfluenced argues that momfluencers don't simply sell mothers on the benefits of bamboo diapers they sell us the dream of motherhood itself a dream tangled up in whiteness capitalism and the heteronormative nuclear family Momfluenced considers what it means to define motherhood for ourselves when society is determined to define motherhood for us
