Our Christian Symbols:

Our Christian Symbols Friedrich Rest, 1964 **Christian Symbols Used in Our Sanctuary** Karen Roethel, Greg Whelton, August Grollmus, St. John's United Church of Christ (Sheboygan, Wis.), 2002* **Handbook of Christian Symbolism** William Audsley, George Ashdown Audsley, 1865 *Our Catholic Symbols* Michael J. Daley, 2009 As Catholic catechists our relationship with God involves literally hundreds of symbols We take them for granted and hardly notice when others don't get them including those we teach Here Michael Daley offers a fascinating and informative overview of our symbolic language He breaks these down into core symbols of Catholicism symbolic persons from Scripture saints as symbolic persons virtues Christian symbols and symbols of the Mass Each chapter includes questions for review and reflection activities for learners and a prayer starter This is a must have resource for anyone who teaches about the faith or just plain wants to know more about it **Christian Symbols** Katherine Kennedy, 1919 **The Christian Symbols in Our Church** First United Methodist Church (Green Bay, Wis.), 1957 **Christian Symbol and Ritual** Bernard Cooke, Gary Macy, 2005-09-08 In his pathbreaking *Israel in Egypt* James K Hoffmeier sought to refute the claims of scholars who doubt the historical accuracy of the biblical account of the Israelite sojourn in Egypt Analyzing a wealth of textual archaeological and geographical evidence he put forth a thorough defense of the biblical tradition Hoffmeier now turns his attention to the Wilderness narratives of Exodus Leviticus and Numbers As director of the North Sinai Archaeological Project Hoffmeier has led several excavations that have uncovered important new evidence supporting the Wilderness narratives including a major New Kingdom fort at Tell el Borg that was occupied during the Israelite exodus Hoffmeier employs these archaeological findings to shed new light on the route of the exodus from Egypt He also investigates the location of Mount Sinai and offers a rebuttal to those who have sought to locate it in northern Arabia and not in the Sinai peninsula as traditionally thought Hoffmeier addresses how and when the Israelites could have lived in Sinai as well as whether it would have been possible for Moses to write down the law received at Mount Sinai Building on the new evidence for the Israelite sojourn in Egypt Hoffmeier explores the Egyptian influence on the Wilderness tradition For example he finds Egyptian elements in Israelite religious practices including the use of the tabernacle and points to a significant number of Egyptian personal names among the generation of the exodus The origin of Israel is a subject of much debate and the wilderness tradition has been marginalized by those who challenge its credibility In *Ancient Israel in Sinai* Hoffmeier brings the Wilderness tradition to the forefront and makes a case for its authenticity based on solid evidence and intelligent analysis **Symbols and Emblems of Early and Mediaeval Christian Art** Louisa Twining, 1885 **Christian Symbols, Ancient Roots** Elizabeth Rees, 1992 Ancient peoples articulated and made sense of their lives through the powerful world of symbol and Christianity absorbed such symbols as blood corn fire and water adding new dimensions of meaning to each one By medieval times these symbols provided access to a many levelled world in which pagan and Christian truths shed light upon each other During the Age of

Reason the language of symbol was spoken less and now that symbols are valued once again Christians often fear to reconnect religious symbols with their ancient roots As a result the symbol world of modern Christians is often a pale shadow of the world their forebears inhabited This book selects dominant Christian symbols and places them against the archaic background from which they grew drawing on myths and rituals of both ancient and contemporary cultures thereby integrating the worlds of symbol and reality sacred and secular myth and history
