Prayer Evangelism:

Prayer Evangelism Ed Silvoso, 2000-10-04 As a result of the growing worldwide prayer movement powerful changes have taken place in the Church and in scattered cities transformations beyond anything imaginable only a few years ago Of the revelations to come out of this movement perhaps the most dramatic and promising is the rediscovery of biblical principles for changing the spiritual climate over entire cities and regions Fulfillment of the Great Commission is no longer a distant hope but rather is a fast approaching reality for a Church that will take hold of and utilize the biblical principles for changing cities as described in *That All Should Hear* In it Ed Silvoso shares his heart and his passion for reaching cities the way the Early Church did it the whole Church modeling the whole gospel to the whole city through prayer and prayerful evangelism

Evangelistic Prayer J. Kie Bowman, 2024-05-24 Acts 2:47 tells us that the believers in the early Church prayed and people were saved In fact this pattern prayer first then evangelism is a pattern emphasized throughout the book of Acts Somewhere along the line the modern Church has forgotten that biblical formula Evangelistic Prayer explores the truth of this prayer evangelism connection and shows individuals and churches how to see people come to faith in Jesus Christ as they put this early Church method into practice Let Evangelistic Prayer challenge and equip you and your congregation to pray with more passion and insight for their lost friends and family Kie Bowman is the National Director of Prayer for the Southern Baptist Convention and Senior Pastor Emeritus of Hyde Park Baptist Church in Austin Texas He helps lead a citywide prayer ministry in Austin where he lives with his wife Tina He is also the co author of *City of Prayer Transform Your Community through Praying Churches* *Prayer That Ignites Revival* Joe Oden, 2024-04-23 The Secret to Every Spiritual Awakening in History Today's standard for morality is whatever is right in your own eyes The world is experiencing moral decline cultural shifts away from God and hostility toward the things of God Through engaging stories and dynamic teaching evangelist and prayer leader Joe Oden reveals that passionate prayers and humble hearts from believers willing to partner with the Holy Spirit are what usher in great revival In these pages you will learn how to develop a lifestyle of consistent powerful prayer implement biblical and historical principles of revival cultivate personal habits that birth spiritual awakening release God's power to shift the atmosphere and shake the nations Today is your day to kneel humbly rise bravely and move boldly to see sweeping cultural revolution signs and wonders deliverance and the salvation of millions of souls that causes even skeptics to be in awe of God *That None Should Perish* Ed Silvoso, 1995-04-18 Ed Silvoso weaves together the solid biblical basis and practical outworking of how to reach entire cities for Christ He presents a working model for reaching each city through his own personal battle scars and triumphant victories Every believer will be challenged and equipped for leading seekers into the kingdom of God **Prayer and Evangelism** Jessie Penn-Lewis, 2019-04-05 God wants intercessors The greatest blessing God could give his church today would be a few souls who pray as Elijah prayed a few intercessors who know his will and seek and pray for nothing else May God raise them up Most Christians would agree with this conviction of

Jessie Penn Lewis A careful meditation on these pages will act as a powerful stimulus in turning this conviction into personal experience Those who at some stage in their Christian lives have cried as the disciples of old Lord teach us to pray will find valuable help from the lessons highlighted here *Engage the Conversation with God, with Believers, with Seekers* John F. Smed, Justine Hwang, 2016-09-14 PRAYER EVANGELISM TRAINING FOR MINISTRY LEADERS If you are discouraged about evangelism If you have given up on evangelism If you have never tried evangelism If you don't think evangelism is your gift If you are afraid your non-Christian friends will find you judgmental or irrelevant There is another way Today there is a universal openness to prayer as people thirst for spiritual experience Prayer is a common current of all faiths and is a bridge to the seeker Indeed many are open to prayer rarely will anyone say no if you offer to pray for them especially in times of need Praying for seekers is a tangible way to care for them This training will encourage you to engage seekers in an engaging relevant and genuine way With a focus on the heart this training is less about technique and more about listening to Jesus and others through prayerful conversation Let Jesus dispel your fears with his heart for you and compassion for your friends as you learn to share Jesus IN prayer with friends by inviting them into a prayer conversation with Jesus This training will multiply your prayer conversations with friends family and neighbours and help you train others to share Jesus in prayer

Lord, Disciple Me Richard Mull, 2005-04 Jesus commanded all of his disciples to go and make disciples of all nations This book dares you to examine how Jesus Himself made disciples What is discipleship according to Jesus Can the church today possess the power of the early church Does God still use His people to heal the sick Are miracles and deliverance still part of Jesus disciple making agenda Richard Mull's honest account of his personal journey toward biblical discipleship presents a dilemma for twenty first century believers Will you adopt a system of belief that explains why we disciple differently than Jesus did or admit that in spite of our education and experience we may not be making disciples according to Jesus teaching God desires to take you on a journey much like that of Jesus first disciples who learned to do what Jesus was doing by observing Him in action and obeying what He taught *Lord Disciple Me* will challenge you to develop a biblical foundation for your journey Jesus will provide the hand on experience

Intercessory Prayer Study Guide Dutch Sheets, 2010-10-27 How God Can Use Your Prayers to Move Heaven

and Earth Bestselling author Dutch Sheets unwraps the mystery of intercessory prayer revealing our role as God's partners in His work. If God is all powerful why does He need us to pray? Have you ever wondered if your prayers really count? Or why you never seem to get any answers? If so then Int True Evangelism Lewis Sperry Chafer, 2016-12-10. If you tend to shrink in guilt and fear when you hear the word evangelism this book is for you. Saturated with grace and deep biblical insight Chafer helps us understand that evangelism is never about pressure or a formula. Rather it is about interceding for the Lost and being open to the Holy Spirit's leading in sharing the Gospel when the time is right. One cannot read this book without being inspired and refreshed in the Christian's great task, privilege and joy of evangelism. *Prayer Revolution* John Smedley, 2020-05-05. Are you praying constricted prayers or disruptive ones? Most prayers are constricted ones. They're prayers that only focus on one part of the Lord's Prayer: give us our daily bread. They're usually focused on self and envision God as a heavenly caretaker. Disruptive prayers, on the other hand, are powerful, uncommon and deeply biblical. They focus on God rather than self, seek to advance the kingdom and submit all things to God. They are also prayed with a profound belief that prayer actually accomplishes something. When we pray disruptive prayers that's when the revolution begins. This book shows you how to equip leaders, fuel kingdom movements and do real damage to the powers of darkness in the here and now. But most of all, discover how your own heart will be transformed as you begin to see how much bigger prayer and God is than you ever thought possible. **How to Pray for Healing** Che Ahn, 2003-12-08. This book is an account of the author's personal journey through healing and into a healing ministry. With a simple and down-to-earth style, the author demystifies the idea of healing the sick through prayer. His goal is to encourage others to use the power of prayer as a main line of defense. He explains the basic theology of healing and how to pray for yourself and others. There is also a section that discusses the times when God does not heal. Should we always expect healing? This introduction to the subject of prayer and healing balances the miraculous with the practical and draws from such well-known sources as John Wimber, Francis McNutt, Smith Wigglesworth and others. Many personal stories included. **A Study Guide for Evangelism Praying** Evelyn Christenson, 1996. Do you desire a more active role in helping people accept Jesus but aren't sure how to begin? This standalone study guide outlines steps for starting a powerful prayer program that focuses on group prayer. The companion book *A Time To Pray: God's Way* gives hands-on advice and helpful suggestions. **Making Cell Groups Work: Navigation Guide** Joel Comiskey, Scott Boren, Ralph Neighbour, Randall Neighbour, Bill Beckham, 2023-05-27. This is an expanded 624-page reference tool for the 8-stage transition process found in *How Do We Get There From Here* (formerly titled *Making Cell Groups Work*). This sizable compilation is filled with hundreds of articles by pastors and experts, including helpful articles such as how to transition your church's calendar and budget to allow for a growing holistic small group/cell group ministry, how to choose team members to implement the transition, tips on how to prototype groups and much, much more. One of the most valuable tools found in this resource is a revealing readiness assessment tool which will help you determine weaknesses, if any, in four key areas of

church health all of which are required for a successful transition *The Power of the Upper Room* Jerry L. Bowers, 2004-03
