Prayer Partners Spiritual Enrichment For Your Marriage:

Prayer Partners Arnold Prater, 1987 Powerful Prayers for Your Marriage David Kopp, Heather Kopp, 2010-12-15 The Best Marriage Building Tool Around NO RELATIONSHIP IS MORE DIFFICULT or more rewarding than marriage Next to our children we are led to pray most often for the mate we love and to whom we have committed our lives Yet we often find ourselves at a loss regarding how to pray That changes however when we draw upon Scripture to help us pray Within these pages you ll find Bible based prayers that will show you how to pray more insightfully more meaningfully and more effectively for your mate You ll also learn how to tap into the power of God s Word on your own using it to lovingly support and encourage the partner who shares your life A Marriage After God's Own Heart David Clarke, 2009-10-14 Isn t sexual or emotional intimacy enough No says Christian psychologist Dr David Clarke Spiritual bonding is the process by which a couple cultivates the presence of God in their relationship he says and it s the only glue that sustains relationships long term Working with hundreds of couples Clarke observes that when we take specific steps to keep God at the center of our relationships every area of intimacy is energized This book teaches men and women in a committed relationship how to pray together create spiritual conversations read and study Scripture together hold private worship sessions and allow the Holy Spirit to guide them It s extremely practical counsel all couples need today **Marriage on the Mend** Clint Bragg, Penny A. Bragg, 2015-03-03 Every broken marriage has the hope of becoming a saved marriage Approximately fifty percent of the couples who sign a marriage license will also sign on the dotted line of a divorce document In order to turn the tide of this stark statistic couples who have considered or experienced separation or divorce must be given real tools to reconcile restore and rebuild their relationships Marriage on the Mend provides these tools for couples in crisis Clint and Penny Bragg know what it means to be that couple After being divorced for eleven years and living 3 000 miles from each other they were remarried but the difficult work of restoration continued long after that second ceremony The Braggs know that couples who reconcile face a unique set of challenges including unresolved arguments poor communication habits unforgiveness and betrayed trust Biblically based materials are required to walk through this treacherous territory toward full healing and restoration This practical realistic book identifies roadblocks that may stall relationship progress recommends ideas to deepen intimacy offers solutions to effectively handle past hurts and conflicts and applies Scripture to every aspect of the process in order to proactively stabilize and safeguard the marriage At the end of each chapter the Braggs include a prayer for couples to share to help facilitate healing The one thing all broken relationships have in common is that true healing takes time Using the framework of Nehemiah s effort to restore Jerusalem s walls following the Israelite s exile and captivity Marriage on the Mend provides a clear framework for the restoration of relationships Living in Difficult Relationships Peter M. Kalellis, 2012 Peter Kalellis a practicing psychotherapist and family counselor offers here practical advice for spouses or those in a committed relationship that clarifies the potential within each person to make their marriage or

relationship better A good marriage begins with a man and a woman who form a loving relationship psychologically sound that provides stability financial security and material benefits A serious relationship consists of personal needs attitudes ambitions expectations and issues that require solutions Emphasis is placed on what one partner does and how the other responds Feelings and attitudes both conscious and unconscious are gradually revealed and reciprocal attention must be paid so they do not become obstacles in the relationship The purpose of reciprocity is to bring emotional stability and happiness to both partners The degree of satisfaction that each spouse derives from the other and the relationship depend on how well expectations are met Most people pursue physical pleasures or various forms of self gratification When I obtain this or am free of that then I will be okay Invariably any satisfaction that we obtain accumulation of material wealth or physical pleasure is short lived and usually is projected onto the future This mindset creates the illusion of happiness in the married life True happiness can be attained as each spouse faces the realities of marriage and takes personal responsibility of his or her part This book provides tools for a better relationship and suggests that the couple become aware of God's presence in their life As our world is going through critical times couples begin to realize that there is no satisfactory answer in whatever options society offers But most people find comfort in returning to God who is the source of life and provider of all good things *Library Journal* ,1987-07 [Setting Your Marriage Free](#) Neil T.
