means to be a good preacher **Preaching and Intimacy** Charles B. Bugg,1999 Intimacy has multiple meanings for preaching It affirms the crucial role a messenger has in the message It is the quality that helps to establish a relationship between the hearer and the speaker It is a holistic approach to preaching Designed to help both the student and the practicing minister communicate more effectively Preaching and Intimacy begins with the preacher as a person before moving through the components that are essential to preaching Preaching and Intimacy gives attention to a minister s relationship with God his her feelings about himself herself how to imaginatively engage a biblical text how to think of the listeners and how to use these tools to address and deliver a sermon Emphasis is put on the preacher s investment in the sermon so that when it is spoken it is authentic and real **Preaching in High Definition** Dr. Ryan Mustered,2025-05-29 Our enemies the world the flesh and the devil are ravaging humankind like biological weapons You hold the antidote the Word of God The only challenge is convincing stubborn humans to take the antidote As a warrior you will have to use every weapon in your communication arsenal We live in a high definition culture Video audio pictures and crystal clear messages flood our eyes ears minds and hearts Social media the internet television radio and printed content have the potential for either great good or great evil So what is high definition preaching It is simply this clearly communicating God s word to transform lives using every weapon the Lord provides God s word is living and active sharper than any two edged sword Hebrews 4 12 So why are some preachers able to brandish it like a lightsaber but others seem to swing it around like a butter knife Why do some sermons come across like a fuzzy 13 inch black and white analog TV buy it now for 10 at Goodwill while other sermons come alive like your buddy s new 75 inch Neo QLED 8K TV buy it now on Amazon for 1 998 That s the difference that high definition preaching makes The child of God preaching the Word of God with clarity empowered by the Spirit of God will be an effective weapon in this battle for the souls of humankind It s time to level up and put some new weapons in your communication arsenal We have to preach in high definition to reach a high definition culture When Better Isn't Enough Jill M. Hudson,2004-02-01 Many sociologists and a growing number of church scholars have noted that we live in a time of transition from the modern era to the postmodern Whenever a shift of this magnitude occurs it leaves all of life including the church in flux We instinctively strive to stabilize the situation by re establishing what has worked in the past Increasingly however congregations are finding that the same old things done harder or better don t seem to make a difference Author Jill Hudson argues We must identify new criteria for success and perhaps even for faithfulness and hold ourselves accountable to them Approaching the postmodern era as a tremendous opportunity Hudson identifies 12 characteristics by which we can measure effective ministry for the early 21st century Based on those 12 criteria Hudson has created evaluation tools an early measuring stick to help congregations evaluate their work in this new era Not everything of the past is ineffective and best discarded she says nor will everything we try in the future be successful But by faithfully listening for God s guidance and carefully evaluating progress using Hudson s tools looking at the ministry of the whole

people of God as well as that of the professional staff congregations can improve their ministry help members and staff grow in effectiveness deepen a sense of partnership and add new richness to the dialogue about the congregation's future

Preach Better Chris McCurley, 2015-01-20 You preach But you probably wish you could be better How many Sunday nights have you sat and wished you were a better preacher How many Friday afternoons have you spent wishing you had crafted a better message for Sunday If you've ever wanted to be a better preacher this book is for you Inspired by The Jenkins Institute's Better Conference this book offers the wisdom and counsel of ten preachers who want to help you preach better Covering topics such as sermon planning the invitation lesson illustrations passion in your delivery and the preacher's prayer life this book will inspire and equip you to communicate the gospel of Jesus Christ more effectively Book Cover

Preaching Conversations with Scholars Rodney Wallace Kennedy, 2016-10-25 With an eye toward reuniting the church and the academy this book focuses on the role that scholarship can play in making good preachers into really great preachers This is the bridge between scholarly and popular writing that informs the sermon and makes it more powerful and meaningful for the people who regularly listen to sermons Preachers are challenged to raise the level of their commitment to scholarship as well as overcome any pre-existing prejudices with scholarship The preacher as scholar is the perfect way for the pulpit to respond to the challenges of a secular post-modern world that often wonders if smart people can even believe in God

Setting the World on Fire Laura R. DeJmek, 2014-08-19 Laypersons receiving a divine call to preach in the Roman Catholic Church may feel caught between a rock and a hard place both figuratively and ecclesiastically They may feel constrained between the Rock of Peter and the hard place of resistance to the preaching gift they believe they have and their desire to share it At first glance the Roman Catholic Church with its two millennia of Sacred Tradition seemingly offers little that favors the inclusion of lay preachers In addition many lay preachers may experience the bias of clergy and assembly members who unconsciously presume there is no role for laity to preach within the Roman Catholic Church Preaching does not occur solely within liturgical settings or only via pulpit preachers All Dominicans as members of the Order of Preachers are called to embody the *Sacra Praedicatio* the Sacred Preaching In fact canon law does permit laity to preach in certain liturgical settings *Setting the World on Fire* details one Roman Catholic woman's experience of her own call to preach the grace and gifts brought to both the preacher and the assembly as well as her desire to help all Dominicans and indeed all Christians embrace their rightful role as preachers

How We Preach Eben Kanukayi Nhiwatiwa, 2016-09-01 This book is the second of two volumes on Preaching in African Context For both seasoned preachers and beginners including students in seminaries Bible colleges and universities this second volume explores how we preach and the practice of contextual preaching in Africa The two volumes go hand in hand and Nhiwatiwa demonstrates that the principles need good practice to become contextual preaching and our practice needs principles to ensure integrity Read these volumes to see why preaching is an urgent aspect of ministry that can open new horizons and give fresh outlook for the future

Conversations with Barth

on Preaching Bishop William H. Willimon, 2010-09-01 One of today's greatest preacher theologians engages one of the twentieth century's greatest teacher theologians on the meaning of preaching. Readers of William H. Willimon's many books have long found there the influence of Karl Barth, probably the most significant theologian of the twentieth century. In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems, glories and grandeur of preaching the Word of God. The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church. Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources. Willimon brings this material to light, introducing the reader to Barth's thought not just on the meaning but the practice of preaching as well. Preaching Jason C. Meyer, 2013-10-31 The sermon is under attack. Many churches are increasingly forsaking formal preaching in favor of substitutes like dialogue, discussion, and sharing. In response to this recent trend, Jason Meyer has written a robust biblical and practical theology of preaching where he explores how the concept of preaching develops throughout the Bible and how it impacts one's understanding of other key doctrines. In addition to offering readers a comprehensive overview of the Bible's teaching, the book sets forth clear, accessible answers to commonly raised questions about preaching: what is it, how is it done, and why is it so important. Combining in-depth study of God's word with practical reflection on the place of preaching in the ministry of the church, Meyer challenges readers to reexamine the importance of preaching for the Christian life.
