Rules And The Emergence Of Society Occasional Papers Ser No 39:

The Emergence of Civilisation Charles Keith Maisels, 2003-12-16 The Emergence of Civilisation is a major contribution to our understanding of the development of urban culture and social stratification in the Near Eastern region Charles Maisels argues that our present assumptions about state formation based on nineteenth century speculations are wrong His investigation illuminates the changes in scale complexity and hierarchy which accompany the development of civilisation The book draws conclusions about the dynamics of social change and the processes of social evolution in general applying those concepts to the rise of Greece and Rome and to the collapse of the classical Mediterranean world **Bowker's Law Books and Serials in Print** ,1984 **Civil Society and Politics in Central Asia** Charles E. Ziegler, 2015-02-27 The five Central Asian states of Kazakhstan Uzbekistan Kyrgyzstan Tajikistan and Turkmenistan constitute an area of increasing importance in global politics The region currently serves as the main route for transporting American and NATO supplies and personnel into Afghanistan Its Turkic Muslim peoples share ethnic and religious roots with China's Uighurs in neighboring Xinjiang where some Uighurs have connections to the Taliban in Afghanistan and Pakistan fueling Beijing's already acute fears of terrorism and separatism Perhaps most importantly the Caspian basin holds immense reserves of oil and natural gas Countries rich in hydrocarbons like Kazakhstan Turkmenistan and Uzbekistan can benefit greatly from this wealth but often they must rely on foreign companies usually backed by foreign governments to develop these resources Revolts in Kyrgyzstan in 2005 and 2010 and Uzbekistan in 2005 Tajikistan's civil war in the 1990s and continued terrorist incidents 2010 2011 strikes and suicide bombings in Kazakhstan in 2011 have contributed to concerns about stability in the region In *Civil Society and Politics in Central Asia* a prominent group of scholars assesses both the area's manifold problems and its emerging potential examining the often uneasy relationship between its states and the societies they govern A meticulously in depth study the volume demonstrates the fascinating cultural complexity and diversity of Central Asia Small landlocked and surrounded by larger powers Central Asian nations have become adept at playing their neighbors against each other in order to maximize their own abilities to maneuver The essays in this book look beyond the surface of Central Asian politics to discover the forces that are working for political change and continuity in this critical region of the world *Promoting the Rule of Law Abroad* Thomas Carothers, 2010-03-01 Over the past decade Carothers has established himself as the leading U S expert on democracy promotion He is a powerful critic not only of the nuts and bolts of democracy assistance but also of U S grand strategy overall SAIS Review Promoting the rule of law has become a major part of Western efforts to spread democracy and market economics around the world Yet although programs to foster the rule of law abroad have mushroomed well grounded knowledge about what factors ensure success and why remains scarce In *Promoting the Rule of Law Abroad* leading practitioners and policy oriented scholars draw on years of experience in Russia China Latin America Central and Eastern Europe the Middle East and Africa to critically assess the rationale methods and goals of rule of law

policies These incisive accessible essays offer vivid portrayals and penetrating analyses of the challenges that define this vital but surprisingly little understood field Contributors include Rachel Belton Truman National Security Project Lisa Bhansali World Bank Christina Biebesheimer World Bank Thomas Carothers Carnegie Endowment Wade Channell Stephen Golub and David Mednicoff University of Massachusetts Amherst Laure H l ne Piron Overseas Development Institute Matthew Spence Yale Law School Matthew Stephenson Harvard Law School and Frank Upham NYU School of Law Experience and
