Foster, 2019-10-04 This book is a brutal expose of religion's failure to keep and preserve our Godly American culture and the unconventional answer to restore the cultural soul that is rightfully ours to maintain It exposes the history and spiritual influences behind the decline and the process Christians can follow to reverse that decline Liberals may claim that they are godless Atheists but the truth is they are following the doctrines of Lucifer and following a game plan taught by followers of Lucifer We are losing a spiritual battle by fighting with the tools of the flesh logic reason emotion science and the law We are bound to lose We need to learn the rules and methods that have been proven to work spiritually against a ruthless spiritual opponent Liberals know full well that they are fighting for the soul of our nation We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed Godliness can be restored We are also fighting for the soul of our nation It is NOT the same soul that the Liberals are trying to preserve They have corrupted our nation by deception We can restore the national soul they corrupted with the truth **Notes on Saul D. for Conservatives defines the rules that conservatives should use to stop this incremental takeover by liberals The Tea Party movement is determined to cut the tax burden on Americans With decreased tax revenues governments will have to shrink and liberals will lose power Rules for Conservatives is the playbook for all conservatives and all Tea Party people to save America from liberal community organizers **Rules for Radicals Defeated** Jeff Hedgpeth,2012-05-04 Rules for Radicals is the playbook for the Left If you want to understand how the Obama Administration operates you need this book You will also learn twenty principles to defeat the Alinsky tactics without compromising your morality Learn how the Obama Administration thinks and how to counteract them Learn it Live it Take America back **Understanding Radicalism** Ernest J.
