Ruling Ideas Of The Present Age:

Ruling Ideas of the Present Age Washington Gladden, 2018-09-11 **Ruling Ideas of the Present Age** Washington Gladden, 1895 World Without End James H. Moorhead, 1999-10-22 In the nineteenth century many American Protestants expected almost limitless orderly progress as Christianity and democracy spread and as technology and prosperity increased Yet they also believed that many centuries hence after progress had run its course the Second Coming of Jesus and a supernatural End to the world would occur If these Protestants had one foot in the world of steamships and the telegraph the other remained firmly planted in the cosmos of the Apocalypse a universe where angels poured out vials of wrath where the dead would rise again and where the wicked would be cast forever into a lake of burning fire **The Literary Digest** , 1891

The United States Catalog George Flavel Danforth, Marion Effie Potter, 1900 *The Tuftonian* , 1895 *When Marx Mattered* Harold J. Bershad, 2017-09-08 A beautifully written trenchant and moving memoir When Marx Mattered follows Harold J Bershad's odyssey from childhood through his coming of intellectual age The wounds and pleasures of his childhood include fear of Nazis poverty the joys and constraints of Jewishness his caring family and love of music and the confusion surrounding World War II In this book Bershad describes his teenage encounter with Marxism and how it provided some understanding of the world and hope for peace Bershad gives us a serious portrayal of the evolution of scholarly judgment but also a social history of the second half of the twentieth century refracted through the author's own experiences in which Jewish Americans played an important but under appreciated part Along the way the author corrects the misapprehension that Jewish or non Jewish American political radicals only evolve into conservatives Through his own mistakes and hard won lessons Bershad shows the power importance and morality that intellectual standards play in enabling an intellectual to achieve sound and fair judgments Bershad firmly believes that his achievements in the social sciences are grounded in the fact that he also studied philosophy literature and history all of which immeasurably deepened his understanding of social life The generational portrait in this book is both an homage to those who preceded him and a hope for educational broadening of social science in the generation to come **The Expository Times** James Hastings, Ann Wilson Hastings, Edward Hastings, 1896 The United States Catalog , 1900 **Good Housekeeping** , 1896
