**Rum and Coca-Cola** Ralph De Boissière, 1984      *The West Indian Novel and Its Background* Kenneth Ramchand, 2004  
An account of the emergence of the West Indian novel in English this work provides valuable insights into the social cultural and political background offering concise and focused accounts of the growth of education the development of literacy and the formation of West Indian Creole languages      *A History of Literature in the Caribbean: English- and Dutch-speaking countries* Albert James Arnold, Julio Rodríguez-Luis, J. Michael Dash, 2001-01-01 For the first time the Dutch speaking regions of the Caribbean and Suriname are brought into fruitful dialogue with another major American literature that of the anglophone Caribbean The results are as stimulating as they are unexpected The editors have coordinated the work of a distinguished international team of specialists Read separately or as a set of three volumes the History of Literature in the Caribbean is designed to serve as the primary reference book in this area The reader can follow the comparative evolution of a literary genre or plot the development of a set of historical problems under the appropriate heading for the English or Dutch speaking region An extensive index to names and dates of authors and significant historical figures completes the volume The subeditors bring to their respective specialty areas a wealth of Caribbeanist experience Vera M Kutzinski is Professor of English American and Afro American Literature at Yale University Her book *Sugar's Secrets Race and The Erotics of Cuban Nationalism* 1993 treated a crucial subject in the romance of the Caribbean nation Ineke Phaf Rheinberger has been very active in Latin American and Caribbean literary criticism for two decades first at the Free University in Berlin and later at the University of Maryland The editor of *A History of Literature in the Caribbean* A James Arnold is Professor of French at the University of Virginia where he founded the New World Studies graduate program Over the past twenty years he has been a pioneer in the historical study of the N gritude movement and its successors in the francophone Caribbean

**The Oxford History of the Novel in English** Simon Gikandi, 2016-10-03 The Novel in Africa and the Caribbean since 1950 examines the institutional and social peculiarities that make fiction produced in Africa and the Atlantic World since 1950 important to the history of the novel in English      **Between the Bocas** Jak Peake, 2017-07-19 Situated opposite the mouth of the Orinoco River western Trinidad has long been considered an entrep t to mainland South America Trinidad's geographic position seen as strategic by various imperial governments led to many heterogeneous peoples from across the region and globe settling or being relocated there The calm waters around the Gulf of Paria on the western fringes of Trinidad induced settlers to construct a harbour Port of Spain around which the modern capital has been formed From its colonial roots into the postcolonial era western Trinidad therefore has played an especial part in the shaping of the island's literature Viewed from one perspective western Trinidad might be deemed as narrating the heart of the modern state's national literature Alternatively the political threats posed around San Fernando in Trinidad's southwest in the 1930s and from within the capital in the 1970s present a different picture of western Trinidad one in which the fractures of Trinidad and

Tobago's projected nationalism are prevalent. While sugar remains a dominant narrative in Caribbean literary studies, this book offers a unique literary perspective on matters too often perceived as the sole preserve of sociological, anthropological, or geographical studies. The legacy of the oil industry and the development of the suburban commuter belt of East West Corridor therefore form considerable discursive nodes alongside other key Trinidadian sites such as Woodford Square, colonial houses, and the urban yards of Port of Spain. This study places works by well-known authors such as V. S. Naipaul and Samuel Selvon alongside writing by Michel Maxwell, Philip Marcella, Fanny Wilkins, E. L. Joseph, Earl Lovelace, Ismith Khan, Monique Roffey, Arthur Calder Marshall, and the largely neglected novelist Yseult Bridges, who is almost entirely forgotten today. Using fiction, calypso, history, memoir, legal accounts, poetry, essays, and journalism, this study opens with an analysis of Trinidad's nineteenth-century literature and offers twentieth-century and more contemporary readings of the island in successive chapters. Chapters are roughly arranged in chronological order around particular sites and topoi, while literature from a variety of authors of British, Caribbean, Irish, and Jewish descent is represented.

This series presents a comprehensive global and up-to-date history of English language prose fiction, written by an international team of scholars. *A History of Literature in the Caribbean* A. James Arnold, 2001-07-23. For the first time, the Dutch-speaking regions of the Caribbean and Suriname are brought into fruitful dialogue with another major American literature, that of the anglophone Caribbean. The results are as stimulating as they are unexpected. The editors have coordinated the work of a distinguished international team of specialists. Read separately or as a set of three volumes, the *History of Literature in the Caribbean* is designed to serve as the primary reference book in this area. The reader can follow the comparative evolution of a literary genre or plot, the development of a set of historical problems under the appropriate heading for the English or Dutch-speaking region. An extensive index to names and dates of authors and significant historical figures completes the volume. The subeditors bring to their respective specialty areas a wealth of Caribbeanist experience.

**Stolen Time** Shane Vogel, 2018-09-07 In 1956 Harry Belafonte's *Calypso* became the first LP to sell more than a million copies For a few fleeting months calypso music was the top selling genre in the US it even threatened to supplant rock and roll *Stolen Time* provides a vivid cultural history of this moment and outlines a new framework for understanding race performance and mass culture in the twentieth century United States Vogel situates the calypso craze within a cycle of cultural appropriation including the ragtime craze of 1890s and the Negro vogue of the 1920s that encapsulates the culture of the Jim Crow era He follows the fad as it moves defiantly away from any attempt at authenticity and shamelessly embraces calypso kitsch Although white calypso performers were indeed complicit in a kind of imperialist theft of Trinidadian music and dance Vogel argues black calypso craze performers enacted a different and subtly subversive kind of theft They appropriated not Caribbean culture itself but the US version of it and in so doing they mocked American notions of racial authenticity From musical recordings nightclub acts and television broadcasts to Broadway musicals film and modern dance he shows how performers seized the ephemeral opportunities of the fad to comment on black cultural history and even question the meaning of race itself

Bucknor, Alison Donnell, 2011-06-14 This Companion is divided into six sections that provide an introduction to and critical history of the field discussions of key texts and a critical debate on major topics such as the nation race gender and migration In the final section contributors examine the material dissemination of Caribbean literature and point towards the new directions that Caribbean literature and criticism are taking
