Rumi In The Arms Of The Beloved:

Rumi Jonathan Star,2008-12-26 Landmark translations of the Sufi poet mystic Rumi from the acclaimed interpreter of the Tao Te Ching Jonathan Star has assembled selections of Rumi's verse in a treasury that spans the poet's life and includes his most celebrated and poignant work It is an enchanting volume of classic Eastern thought that creates an exhilarating experience for all readers **Rumi** Jalāl al-Dīn Rūmī (Maulana),2008 **The Aquarian Gospel of Jesus the Christ**

Levi H. Dowling,2009-03-05 An extraordinary vision of unity among the world's historic faiths and a classic of New Age spirituality Here is a hugely influential interpretation of the lost years of Jesus Christ from roughly the ages of twelve to thirty that are not covered in Scripture in which the Son of Man is seen to travel through the religious cultures of the East learning and preaching the unifying spiritual ethic behind all religions The Aquarian Gospel of Jesus the Christ is a stirring and deeply involving vision that profoundly impacted the development of alternative spirituality in the early twentieth century and continues to touch readers today Now the unabridged narrative of this powerful work drawn from one of its earliest volumes is redesigned for ease of reading in a handsome signature edition Rumi's Songs of the Soul Rae Chandran,2017-11-03 What is not known about me is that I was greatly influenced by the understandings and philosophy of the magi who were the followers of the sacred fire I had thoughts put into my mind while I slept and during times of deep silence about the sacredness of all life and about how to accept things in life without discarding any of it I followed this and never gave up on finding God for in rejecting any part of God I was rejecting God entirely Now in modern times people must carefully examine what supported them before and make adjustments and corrections wherever necessary I wanted to bring my writings in a newer form that would suit your present Earth reality because of the changing times and planetary shift To do this I chose my old student Rae he was one of the students at the seminary in Konya to bring forth this new understanding to help people remember the Law of One and the Family of God I offer these poems in humble gratitude Rumi
