Rumours Of Fulfilment:

Disaster Nationalism Richard Seymour, 2025-10-28 Liberal civilisation is in crisis now is a time of monsters While the spotlight often shines on the actions of charismatic right wing leaders such as Donald Trump and Jair Bolsonaro defeating these people will not stem the tide behind them They are the embodiment of profound forces that are rarely understood With meticulous analysis and compelling storytelling Richard Seymour delves into the ideologies fueling the contemporary right and distorting modern politics into something abhorrent and nihilistic The battle against disaster nationalism is not just political it is a struggle for our collective soul and the future of civilization

Crowd and Rumour in Shakespeare Kai Wiegandt, 2016-04-22 In this study the author offers new interpretations of Shakespeare's works in the context of two major contemporary notions of collectivity the crowd and rumour The plays illustrate that rumour and crowd are mutually dependent they also betray a fascination with the fact that crowd and rumour make individuality disappear Shakespeare dramatizes these mechanisms relating the crowd to class conflict to rhetoric to the theatre and to the organization of the state and linking rumour to fear to fame and to philosophical doubt Paying attention to all levels of collectivity Wiegandt emphasizes the close relationship between the crowd onstage and the Elizabethan audience He argues that there was a significant and sometimes precarious metatheatrical blurring between the crowd on the stage and the crowd around the stage in performances of crowd scenes The book's focus on crowd and rumour provides fresh insights on the central problems of some of Shakespeare's most contentiously debated plays and offers an alternative to the dominant tradition of celebrating Shakespeare as the origin of modern individualism

Interpretations Shewing Scriptural Reasons for the Study of Prophecy ... J. Scott Phillips (Major.), 1860 *Psychopathology* Bernard Hart, 1927 **Israel's watchman (and**

Cagliostro William Rutherford Hayes Trowbridge, 1910 *Schooled by Rumours* Thomas Ramadhani SJ, 2020-02-25 Rumours are perhaps as old as humanity itself because human brain is hardwired for storytelling With modern allegiance to speed and advance in social media the need for objective truth is decomposing Everyone today is at the mercy of taps and clicks on the gadgets Public shaming and cyber bullying have even led to suicides Amid devastating rumours Father Ramadhani turned to the Bible for solace The result is these fourteen stories of how God and God's people deal with rumours Half is taken from the Old Testament with the struggles of the Israelites Moses Hannah Naaman Jonah Job Tobit and Sarah The other half is from the New Testament with the experiences of Paul Zacchaeus the soldiers the sinful woman the prodigal son the disciples John the Baptist and Jesus This final sequel in his Trilogy of Redemption is a message of hope for those who have become helpless victims of rumours It is also an invitation to conversion for those who are addicted to spreading rumours *Tikopia Ritual and Belief (Routledge Revivals)* Raymond Firth, 2012-11-12 First published in 1967 this book gives

some of the fruits of the author's study of Tikopia ways of thought as the result of three field expeditions. Most Polynesians became Christians more than a century ago but Tikopia had a substantial pagan population until quite recent years. This book of essays describes rites and beliefs of a people who still maintained their traditional institutions remote from civilization. Studies of totemism, of magic and of beliefs in the fate of the soul in the afterworld not only throw new light on Polynesian attitudes but also contribute some novel ideas to the interpretation of standard theoretical problems in social anthropology. Studies of rumour, suicide and a new essay on spirit mediumship also provide links between social anthropology and psychology. A general review based on the author's visit in 1966 describes the modern position after the adoption of Christianity.
