

The Runaway Summer of Davie Shaw

Runaway Summer Of Davie Shaw

Mario Puzo

Runaway Summer Of Davie Shaw:

The Runaway Summer of Davie Shaw Mario Puzo, 1976 **The Runaway Summer of Davie Shaw (braille)** Mario Puzo, **The Fortunate Pilgrim** Mario Puzo, 2004-09-28 FROM BESTSELLING AUTHOR OF THE GODFATHER A classic The novel is lifted into literature by its highly charged language its penetrating insights and its mixture of tenderness and rage New York Times Book Review Described by the author as his best and most literary book Puzo s classic story about the loves crimes and struggles confronted by one family of New York City immigrants living in Hell s Kitchen Fresh from the farms in Italy Lucia Santa struggles to hold her family together in a strange land At turns poignant comic and violent The Fortunate Pilgrim is Italian American fiction at its very best The book s hero Lucia Santa is an incredibly captivating character and based on Puzo s very own mother he describes her wisdom her ruthlessness and her unconquerable love for her family and for life itself qualities not valued in women at the time **The Dark Arena** Mario Puzo, 2009-02-19 Mario Puzo won international acclaim for The Godfather and his other Mafia novels But before creating those masterpieces Puzo wrote his first acclaimed novel The Dark Arena an astounding story of a war scarred young American in a battle against corruption and betrayal After coming home at the end of World War II Walter Mosca finds himself too restless for his civilian role in America So he returns to Germany to find the woman he had once loved and to start some kind of life in a vanquished country But ahead of Walter stretches a dark landscape of defeat and intrigue as he succumbs to the corrupting influences of a malevolent time Now he enters a different kind of war one in which he must make a fateful decision between love and ambition passion and greed life and death **They Also Write for Kids** Suzanne Manizza Roszak, 2022-12-28 Outside the world of children s literature studies children s books by authors of well known texts for adults are often forgotten or marginalized Although many adults today read contemporary children s and young adult fiction for pleasure others continue to see such texts as unsuitable for older audiences and they are unlikely to cross read children s books that were themselves cross written by authors like Chinua Achebe Anita Desai Joy Harjo or Amy Tan Meanwhile these literary voices have produced politically vital works of children s literature whose complex themes persist across boundaries of expected audience These works form part of a larger body of activist writing for children that has long challenged preconceived notions about the seriousness of such books and ideas about who in fact should read them They Also Write for Kids Cross Writing Activism and Children s Literature seeks to draw these cross writing projects together and bring them to the attention of readers In doing so this book invites readers to place children s literature in conversation with works more typically understood as being for adult audiences read multiethnic US literature alongside texts by global writers consider children s poetry and nonfiction as well as fiction and read diachronically as well as cross culturally These ways of reading offer points of entry into a world of books that refuse to exclude young audiences in scrutinizing topics that range from US settler colonialism and linguistic prejudice to intersectional forms of gender inequality The authors included here also employ

an intricate array of writing strategies that challenge lingering stereotypes of children's literature as artistically as well as intellectually simplistic. They subversively repurpose tropes and conventions from canonical children's books, embrace an epistemology of children's literature that emphasizes ambiguity and complexity, invite readers to participate in redefining concepts such as civilization and cultural belonging, engage in intricate acts of cross-cultural representation and re-envision their own earlier works in new forms tailored explicitly to younger audiences. Too often disregarded by skeptical adults, these texts offer rich rewards to readers of all ages and here they are brought to the fore. **The Fourth K** Mario

Puzo, 2012-01-04 **A PRESIDENTIAL DYNASTY AN ARAB TERRORIST ATTACK DEMOCRACY UNDER SIEGE** Mario Puzo envisioned it all in his eerily prescient 1991 novel *The Fourth K*. President Francis Xavier Kennedy is elected to office in large part thanks to the legacy of his forebears: good looks, privilege, wealth, and is the very embodiment of youthful optimism. Too soon, however, he is beaten down by the political process and disabused of his ideals; he becomes a leader totally unlike what he has been before. When his daughter becomes a pawn in a brutal terrorist plot, Kennedy, who has obsessively kept alive the memory of his uncle's assassinations, activates all his power to retaliate in a series of violent measures. As the explosive events unfold, the world and those closest to him look on with both awe and horror. **The Last Don** Mario Puzo, 2004-09-28

A masterful saga of the last great American Mafia family and its powerful reach into Hollywood and Las Vegas from the author of *The Godfather*, *The Last Don* is Domenico Clericuzio, a wise and ruthless old man who is determined to see his heirs established in legitimate society but whose vision is threatened when secrets from the family's past spark a vicious war between two blood cousins. *The Last Don* is a mesmerizing tale that takes us inside the equally corrupt worlds of the mob, the movie industry, and the casinos where beautiful actresses and ruthless hitmen are ruled by lust and violence, where sleazy producers and greedy studio heads are drunk on power, where crooked cops and desperate gamblers play dangerous games of betrayal, and where one man controls them all. Praise for *The Last Don*: Puzo is in top form. *Headlong Entertainment* bubbling over with corruption, betrayal, assassinations, Richter-scale romance, and of course family values. *Time*: The most entertaining read since *The Godfather*. *The New York Times Book Review*: Skillfully crafted. It gives us Hollywood, Las Vegas, and the mob in one sweet dish. *Los Angeles Times Book Review*: Puzo returns after a quarter century to the terrain of his greatest success, *The Godfather*, to tell a second masterful tale of Mafia life. *Variety*: A compelling tale peopled by memorable characters. Puzo is a master storyteller with an uncanny facility for details that force the reader to keep the pages turning. *USA Today*

[Star Power](#) Aaron Barlow, 2014-08-11 Stars do have real power, but not all of them wield it wisely. This work explores how a variety of celebrities developed their brands and how celebrity can become a jumping-off point to entirely unrelated activities. Over the past century, a new breed of entertainer has arisen, one where the old division between on-camera talent and the suits behind the scenes has largely eroded. From Mabel Normand and Charlie Chaplin to Lady Gaga and Quentin Tarantino, entertainers have attempted to cross specialties and platforms, to new arenas, from politics to

philanthropy and more An ideal resource for general readers as well as students of American popular culture and media at the undergraduate through scholar level **Star Power The Impact of Branded Celebrity** details the new ways entertainers are working in expanded environments to broaden their brands while also providing the history behind this recent trend The two volume set comprises four main sections one that provides historical background a second on entertainers moving beyond stardom a third focused on commerce and education and a final section on cultural missions The work documents how earlier entertainers set the stage for today s stars by exploiting their celebrity to take greater artistic control of their projects and provides articles that depict each artist from a number of perspectives Readers will understand what motivates the most important contemporary entertainers working today and better grasp the business of entertainment as a whole how Hollywood works and who is really in control

The Writer's Guide to Crafting Stories for Children Nancy Lamb,2001-09-20 Create Unforgettable Stories for Kids You dream of writing stories that children respond to the kind they come back to again and again Nancy Lamb can help you achieve that dream She mixes insightful advice for mastering storytelling with dozens of examples that illustrate a variety of plot building techniques Nancy s instruction covers everything from format and content to setting and characterization She also draws from a range of children s classics including *Where the Wild Things Are* *Charlotte s Web* and *Bridge to Tarabithia* to explore and illuminate the unique nature of children s literature Nancy also shares writing tips and tricks accumulated through years of successful storytelling invaluable advice for crafting fiction that resonates with children of all ages from 4 to 14 and beyond

[The Sicilian](#) Mario Puzo,2004-09-28 After Mario Puzo wrote his internationally acclaimed *The Godfather* he has often been imitated but never equaled Puzo s classic novel *The Sicilian* stands as a cornerstone of his work a lushly romantic unforgettable tale of bloodshed justice and treachery The year is 1950 Michael Corleone is nearing the end of his exile in Sicily *The Godfather* has commanded Michael to bring a young Sicilian bandit named Salvatore Guiliano back with him to America But Guiliano is a man entwined in a bloody web of violence and vendettas In Sicily Guiliano is a modern day Robin Hood who has defied corruption and defied the Cosa Nostra Now in the land of mist shrouded mountains and ancient ruins Michael Corleone s fate is entwined with the dangerous legend of Salvatore Guiliano warrior lover and the ultimate Siciliano Praise for *The Sicilian* Puzo is a master storyteller USA Today *The Balzac of the mafia* Time An accomplished and imaginative writer Los Angeles Times
