Karma's Spirit

L.A. Boruff,Lacey Carter,Helen Scott, What does Karma have to do with the ghostly world Apparently everything When I meet a psychic in Mystic Hollow I m skeptical Even though you know I ve accepted most of the supernatural world But who could blame me when the psychic acts like a stereotype from a really corny show Yet when our hands touch everything changes Suddenly I m seeing ghosts all over our little town And when they realize I can see them I become the karmic justice for far too many ghosts Just another crazy day in my life though right Wrong When one of the ghosts wants revenge against one of my witchy pals I find myself trying to dive into the dark past of our town Because this ghost is angry And if I can t figure out the truth in time our little gang is in trouble

KarmaSutra Ankur Bagga,2021-08-14 What should have been a simple employment interview for Aadhya Mhann a middle class Punjabi lady in her early twenties turned into a gruesome gang rape by 6 men 4 of them being part of the most influential circles in Mumbai Aadhya had the opportunity to seek for legal help and she had enough evidence to make sure all 6 men were locked up for years but she chose to do things her own way The justice system always had a soft spot for rich and influential people and even when it didn t the culprits of the crime enjoyed minimal sentences compared to the torture and

trauma they put their victims through Aadhya didn't want her rapists to be let off that easy. She had to make all of them suffer. But she couldn't do it alone. Aadhya finds and recruits 5 other girls that have been raped at some points in their lives: Manju, Sudesha, Palakh, Sathya, and Lakshmi. They all came from different backgrounds, castes, and social classes, but they all had the same objective: To make the fuckers that had raped them regret ever having dicks. They were willing to step out of the restrictions of the law and make sure that these vile men get the punishment they deserve for their atrocities. Creating an elaborate covert operation with Aadhya at the helm, they combine their resources and talents and go on a revenge rampage. One by one, the girls target the 10 men that had raped any one of them and kill them off in the most gruesome and blood-curling way possible. They leave the most psychologically draining death for Akash Rathore, the biggest and richest pervert of them all. The murders and the elaborate ways in which they are carried out shake the core of Mumbai. What is more mysterious is that no one has any idea who the killers are, as the girls are always careful to keep their identities secret. As time goes by, the painful pasts of the girls are revealed, and they create the most unlikely of bonds with each other. They become pillars for each other, and the deaths of their rapists become the glue that brings them together.
