superiority but from winning behaviors and learned emotional dispositions With a delightful blend of gifted story telling and intellectual scholarship Dr Landrum has created a book that melds the recent discoveries in psychology and brain research with the dramatic performances of the world s greatest athletes Charismatic athletes such as Michael Jordan Lance Armstrong Martina Navratilova and Tiger Woods are analyzed in psycho biographical profiles that focus on the underlying motivations and behaviors of these preeminent personalities rather than on what they achieved In this respect and in its connection to the recent research in brain function and psychology Dr Landrum s work is unprecedented in the extant literature on athletes and athletic technique Amazon com
