Augusten Burroughs

Running With Scissors A Memoir:

Running with Scissors Augusten Burroughs, 2006-08-29 The author describes his bizarre coming of age years after his adoption by his mother's psychiatrist during which he witnessed such misadventures as a fake suicide attempt and front lawn family patient sleepovers

Running with Scissors Augusten Burroughs, 2003 The true story of a boy whose mother a poet with delusions of Anne Sexton gave him away to be raised by her unorthodox psychiatrist who bore a striking resemblance to Santa Claus So at the age of twelve Burroughs found himself amidst Victorian squalor living with the doctor's bizarre family and befriending a pedophile who resided in the backyard shed

Running with Scissors Augusten Burroughs, Dede Gardner, Brad Pitt, Brad Grey, Ryan Murphy, Annette Bening, Brian Cox, Joseph Fiennes, Evan Rachel Wood, Alec Baldwin, Jill Clayburgh, Joseph Cross, Tri-Star Pictures, 2006 This is the true story of a boy whose mother a poet with delusions of Anne Sexton gave him away to be raised by her psychiatrist a dead ringer for Santa and a lunatic in the bargain Suddenly at age twelve the author found himself living in a dilapidated Victorian in perfect squalor The doctor's bizarre family a few patients and a pedophile living in the backyard shed completed the tableau

This Is How Augusten Burroughs, 2012-05-08 If you're fat and fail every diet if you're thin but can't get thin enough if you lose your job if your child dies if you are diagnosed with cancer if you always end up with exactly the wrong kind of person if you always end up alone if you can't get over the past if your parents are insane and ruining your life if you really and truly wish you were dead if you feel like it's your destiny to be a star if you believe life has a grudge against you if you don't want to have sex with your spouse and don't know why if you feel so ashamed if you're lost in life If you have ever wondered How am I supposed to survive this This is How **A**

Wolf at the Table Augusten Burroughs, 2008-04-29 As a little boy I had a dream that my father had taken me to the woods where there was a dead body He buried it and told me I must never tell It was the only thing we'd ever done together as father and son and I promised not to tell But unlike most dreams the memory of this one never left me And sometimes I wasn't altogether sure about one thing was it just a dream When Augusten Burroughs was small his father was a shadowy presence in his life a form on the stairs a cough from the basement a silent figure smoking a cigarette in the dark As Augusten grew older something sinister within his father began to unfurl Something dark and secretive that could not be named Betrayal after shocking betrayal ensued and Augusten's childhood was over The kind of father he wanted didn't exist for him This father was distant aloof uninterested And then the games began With *A Wolf at the Table* Augusten Burroughs makes a quantum leap into untapped emotional terrain the radical pendulum swing between love and hate the unspeakably terrifying relationship between father and son Told with scorching honesty and penetrating insight it is a story for anyone who has ever longed for unconditional love from a parent Though harrowing and brutal *A Wolf at the Table* will ultimately leave you buoyed with the profound joy of simply being alive It's a memoir of stunning psychological cruelty and the redemptive power of hope

Dry Augusten Burroughs, 2013-04-23 The Tenth Anniversary Edition of the New York Times

bestselling book that has sold over half a million copies in paperback I was addicted to *Bewitched* as a kid I worshipped Darren Stevens the First When he'd come home from work and Samantha would say Darren would you like me to fix you a drink He'd always rest his briefcase on the table below the mirror in the foyer wipe his forehead with a monogrammed handkerchief and say Better make it a double from Chapter Two You may not know it but you've met Augusten Burroughs You've seen him on the street in bars on the subway at restaurants a twentysomething guy nice suit works in advertising Regular Ordinary But when the ordinary person had two drinks Augusten was circling the drain by having twelve when the ordinary person went home at midnight Augusten never went home at all Loud distracting ties automated wake up calls and cologne on the tongue could only hide so much for so long At the request well it wasn't really a request of his employers Augusten lands in rehab where his dreams of group therapy with Robert Downey Jr are immediately dashed by grim reality of fluorescent lighting and paper hospital slippers But when Augusten is forced to examine himself something actually starts to click and that's when he finds himself in the worst trouble of all Because when his thirty days are up he has to return to his same drunken Manhattan life and live it sober What follows is a memoir that's as moving as it is funny as heartbreaking as it is true *Dry* is the story of love loss and Starbucks as a Higher Power *Dry* Augusten Burroughs,2003 Augusten Burroughs describes his experiences working in advertising in Manhattan and chronicles his battle with alcoholism **Magical Thinking** Augusten Burroughs,2024-10-15 From the 1 bestselling author of *Running with Scissors* and *Dry* a contagiously funny heartwarming shocking twisted and absolutely magical collection True stories that give voice to the thoughts we all have but dare not mention It begins with a Tang Instant Breakfast Drink television commercial when Augusten was seven Then there is the contest of wills with the deranged cleaning lady The execution of a rodent carried out with military precision and utter horror Telemarketing revenge Dating an undertaker And much more A collection of true stories that are universal in their appeal yet unabashedly intimate and very funny *Toil & Trouble* Augusten Burroughs,2019-10-01 From the number one New York Times bestselling author comes another stunning memoir that is tender touching and just a little spooky Here's a partial list of things I don't believe in God The Devil Heaven Hell Bigfoot Ancient Aliens Past lives Life after death Vampires Zombies Reiki Homeopathy Rolfing Reflexology Note that witches and witchcraft are absent from this list The thing is I wouldn't believe in them and I would privately ridicule any idiot who did except for one thing I am a witch For as long as Augusten Burroughs could remember he knew things he shouldn't have known He manifested things that shouldn't have come to pass And he told exactly no one about this save one person his mother His mother reassured him that it was all perfectly normal that he was descended from a long line of witches going back to the days of the early American colonies And that this family tree was filled with witches It was a bond that he and his mother shared until the day she left him in the care of her psychiatrist to be raised in his family but that's a whole other story After that Augusten was on his own On his own to navigate the world of this tricky power on his own to either use or misuse this gift From the hilarious to the terrifying

Toil Trouble is a chronicle of one man's journey to understand himself to reconcile the powers he can wield with things with which he is helpless There are very few things that are coincidences as you will learn in Toil Trouble Ghosts are real trees can want to kill you beavers are the spawn of Satan houses are alive and in the end love is the most powerful magic of all

Serial Memoir N. Stamat, 2014-06-23 Serial Memoir chronicles the phenomenon of seriality in memoir a transition in life writing toward repeated acts of self representation in the later twentieth century Such a shift demonstrates a new way to understand and represent constantly shifting subjectivities and their ambivalent relationship to the concept and structure of the archive
