Picture-Book Professors

Melissa M. Terras,2018-10-04 How is academia portrayed in children s literature This Element ambitiously surveys fictional professors in texts marketed towards children Professors are overwhelmingly white and male tending to be elderly scientists who fall into three stereotypes the vehicle to explain scientific facts the baffled genius and the evil madman By the late twentieth century the stereotype of the male mad muddlehead called Professor SomethingDumb is formed in humorous yet pejorative fashion This Element provides a publishing history of the role of academics in children s literature questioning the book culture which promotes the enforcement of stereotypes regarding intellectual expertise in children s media The Element is also available with additional material as Open Access
