Edward W. Hassinger, 1978 General Technical Report RM., 1993 **CSR Image Discursive Construction of Banks
and the Effects on Capital Markets** Muchun Wan, 2022-11-11 This book attempts to establish an inter disciplinary
discourse evaluation framework to analyze multi dimensional discursive features along 4 dimensions in Chinese and
American banks CSR reports sentiment readability CSR keyword and visualization It analyzes Chinese and American banks
different discursively constructed CSR images via the employment of various discursive features in CSR reports within their
different contexts Lastly it examines the effects of Chinese and American banks discursively constructed CSR images on
capital markets with an inter disciplinary approach of linguistics management and economics Theoretically this book
contributes to the development of institutional identity s cross disciplinary research Additionally it reveals the problem
solving function of discourse This sheds light on theoretical research into both corporate governance and business discourse
Practically this book contributes to the improvement of Chinese banks awareness in CSR disclosure and the establishment of
Chinese banks international images Since more and more Chinese companies in different sectors are choosing overseas
listings findings in this book also have practical implications for their information disclosure international images
construction and corporate value enhancement through corporate narratives such as annual reports and IPO prospectuses
