Rural Indonesia Socioeconomic Development In A Changing Environment

Y. Hayami, M. Aoki

Rural Indonesia Socioeconomic Development In A Changing Environment:

Rural Indonesia Erik Thorbecke, Theodore Van Der Pluijm, 1993 The formulation of a rural development strategy for any country is an extremely difficult and multi faceted task especially so for a country as large and diversified as Indonesia With its almost two hundred million inhabitants and its island geography Indonesia presents a particular challenge to efforts aimed at improving the lot of the rural poor Illustrating again how economic growth in urban areas rarely translates into a decrease in rural poverty this volume identifies the impact of recent changes in the national economy on the rural poor the interaction between the agricultural sector and the rural population and patterns of food consumption nutrition and health Drawing on the data and conclusions of thirteen years of IFAD experience in Indonesia this book also examines the successes and failures of past development efforts and makes tangible practical recommendations for future programs Emphasizing that different strategies are required for Java the other Inner Islands and for the Outer Islands the authors highlight the need for greater employment opportunities greater commodity and regional diversification in the form of the cultivation of secondary food crops maintenance and improvement of irrigation and the construction of roads among other programmes and a special emphasis on poor rural women

Rural Indonesia International Fund for Agricultural Development (IFAD). Economic and Planning Department, 1987 **Rural Indonesia** Erik Thorbecke, Theodore van der Pluijm, 1993-05-01 The formulation of a rural development strategy for any country is an extremely difficult and multi faceted task especially so for a country as large and diversified as Indonesia With its almost two hundred million inhabitants and its island geography Indonesia presents a particular challenge to efforts aimed at improving the lot of the rural poor Illustrating again how economic growth in urban areas rarely translates into a decrease in rural poverty this volume identifies the impact of recent changes in the national economy on the rural poor the interaction between the agricultural sector and the rural population and patterns of food consumption nutrition and health Drawing on the data and conclusions of thirteen years of IFAD experience in Indonesia this book also examines the successes and failures of past development efforts and makes tangible practical recommendations for future programs Emphasizing that different strategies are required for Java the other Inner Islands and for the Outer Islands the authors highlight the need for greater employment opportunities greater commodity and regional diversification in the form of the cultivation of secondary food crops maintenance and improvement of irrigation and the construction of roads among other programmes and a special emphasis on poor rural women

Development of Small-scale Industries During the New Order Government in Indonesia Tulus Tahi Hamonangan Tambunan, 2024-11-01 This title was first published in 2000 As in many other LDCs in Indonesia small scale industries SSIs are important particularly with respect to the creation of employment opportunities SSIs are expected to absorb many millions of workers who have been displaced by current economic crisis This work seeks to explain the pattern of development of SSIs in Indonesia within a broader theoretical framework It also deals with a number of SSI development

related aspects that in Indonesia so far have never or rarely been studied such as the formation of strategic alliance cluster development and application of theories of flexible specialization to the LDCs The book also tries to examine empirically the effects of the current economic crisis and to assess theoretically the likely impact of the full implementation of the agreed IMF reform package on SSI development in the country Main problems faced by small producers and the government policy environment are highlighted through several detailed examples

The Institutional Foundations of East Asian Economic Development Y. Hayami, M. Aoki, 1998-12-13 The International Economic Association was foremost in reviving professional economists concern with institutions and their impact in publications such as *Economic Institutions in a Dynamic Society* 1989 This volume concentrates on the states whose development has been characterised as the East Asian miracle in the light of the performance of other economies starting from similarly low income levels including India China African states especially Nigeria and Latin American countries including Brazil This comprehensive comparative survey in economic history demonstrates the external shocks and interacting domestic forces which constituted the growth dynamic Nobel Laureates Kenneth Arrow and Douglass North and past President of the IEA the late Michael Bruno are among the thirty four highly distinguished specialist contributors

Environmental Change in South-East Asia Raymond Bryant, Michael Parnwell, 2005-08-03 *Environmental Change in South East Asia* brings together scholars journalists consultants and NGO activists to explore the interaction of people politics and ecology Ostensibly green activities plantation forestry eco tourism hydro electricity are revealed as guises used by elites to promote their own political and economic interests Highlighting fatal flaws in presently exclusive economic and ecological approaches the authors stress that neither the quest for sustainable development nor the process of environmental change itself can be understood without reference to political processes

Poverty, Inequality and Development Alain de Janvry, Ravi Kanbur, 2006-06-09 This collection of essays honors a remarkable man and his work Erik Thorbecke has made significant contributions to the microeconomic and the macroeconomic analysis of poverty inequality and development ranging from theory to empirics and policy The essays in this volume display the same range As a collection they make the fundamental point that deep understanding of these phenomena requires both the micro and the macro perspectives together utilizing the strengths of each but also the special insights that come when the two are linked together After an overview section which contains the introductory chapter and a chapter examining the historical roots of Erik Thorbecke's motivations the essays in this volume are grouped into four parts each part identifying a major strand of Erik's work Measurement of Poverty and Inequality Micro Behavior and Market Failure SAMs and CGEs and Institutions and Development The range of topics covered in the essays written by leading authorities in their own areas highlight the extraordinary depth and breadth of Erik Thorbecke's influence in research and policy on poverty inequality and development Acknowledgements These papers were presented at a conference in honor of Erik Thorbecke held at Cornell University on October 10 11 2003 The conference was supported by the funds of the H E Babcock Chair in

Food Nutrition and Public Policy and the T H Lee Chair in World Affairs at Cornell University **The Politics of NGOs in Indonesia** Bob S. Hadiwinata, 2003-08-29 This book deals with two major issues how Indonesian NGOs survived under Suharto's authoritarian rule and how NGOs contributed to the promotion of democracy in the post Suharto era If NGOs are to change from development to movement in democratic post Suharto Indonesia they must adjust not only their management and working style but also their very ideology This comprehensive study will be an important book for scholars interested in Asian studies Indonesian politics and development studies *Finance Against Poverty: Volume 2* David Hulme, Paul Mosley, 2006-01-16 The theory that poverty in the world's poorest regions can be overcome through microeconomic policies is examined through case studies of seven developing countries providing some startling conclusions *Indonesia* William C.
