

The phrase rush to judgement is a silly one. When it comes to judgement, most of us don't have have to rush. We don't have to even leave the couch. Our judgement is easy to reach for.

Rush To Judgement:

Rush to Judgment Mark Lane, 1967 Rush to Judgement Mark Lane, 1967 Rush to Judgment Mark Lane, 1966 A critique of the Warren Commission's Inquiry into the murders of President John F Kennedy Officer J D Tippit and Lee Harvey Oswald *New Documentary* Stella Bruzzi, 2002-01-04 *New Documentary* A Critical Introduction provides a comprehensive account of the last two decades of documentary filmmaking in Britain the US and Europe Stella Bruzzi's engaging textbook discusses key genres filmmakers and issues for the study of non fiction film and television including key texts such as the Zapruder film of Kennedy's assassination Shoah Hoop Dreams and Michael Apted's 7 Up series documentary genres from current affairs programming to fly on the wall documentaries to reality tv series the work of documentary filmmakers such as Emile de Antonio Fred Wiseman Nick Broomfield Molly Dineen and Paul Watson the work of avant garde filmmakers such as Chris Marker Patrick Keiller Peter Greenaway and Wim Wenders whose films challenge conventions of documentary filmmaking movies based on historical events such as JFK and Nixon faux documentaries such as This is Spinal Tap Bob Roberts and Man Bites Dog gender identity queer theory performance race and spectatorship Bruzzi shows how theories of documentary filmmaking can be applied to contemporary texts and genres and discusses the relationship between recent innovative examples of the genre and the more established canon of documentary *Madam Foreman* Amana Cooley, Carrie Bess, Marsha Rubin-Jackson, Tom Byrnes, 2012-02-27 For better or worse The People vs O J Simpson served as a mirror of modern America It was all there wealth fame celebrity sex race adultery drugs domestic abuse and murder acted out by a cast that cut across all segments of society in a drama that polarized the nation And to witness it all anyone had to do was turn on the television As winter turned to spring and spring to summer opinions formed and then hardened Research polls reported deep divisions along racial lines and the opinion pages filled with commentary that tried to explain how so many could look at the same evidence and reach such starkly different conclusions But what people saw in the trial of the century simply reflected their own backgrounds and beliefs In the end that was the most revealing verdict of all Capturing the experiences of the jurors who decided this trial was not an easy feat Throughout this book the insight and opinions of the primary narrators Juror 230 foreperson Armanda Cooley Juror 98 Carrie Bess and Juror 984 Marsha Rubin Jackson are expressed in their own words Only they can and do reveal the view from the jury box Phoenix Books is pleased to offer *Madam Foreman* in newly created ebook format which has been digitally enhanced to include a fully linked table of contents to ensure an enjoyable reading experience on all portable devices *New Challenges for Documentary* Alan Rosenthal, John Corner, 2005-05-13 The first edition of this book provided a major stimulus for teaching about documentary film and television and fresh encouragement for critical thinking about practice This second edition brings together many new contributions both from academics and filmmakers reflecting shifts both in documentary production itself and in ways of discussing it Once again the emphasis has been on clear and provocative writing sympathetic to the practical challenges of

documentary filmmaking but making connections with a range of work in media and communications analysis With its wide range of contributors and the international scope of its agenda this will be essential reading for general filmmakers and documentary students both of academic and practical inclinations **An Epistemic Theory of Democracy** Robert E. Goodin, Kai Spiekermann, 2018-04-26 Democracy has many attractive features Among them is its tendency to track the truth at least under certain idealized assumptions That basic result has been known since 1785 when Condorcet published his famous jury theorem But that theorem has typically been dismissed as little more than a mathematical curiosity with assumptions too restrictive for it to apply to the real world In *An Epistemic Theory of Democracy* Goodin and Spiekermann propose different ways of interpreting voter independence and competence to make jury theorems more generally applicable They go on to assess a wide range of familiar political practices and alternative institutional arrangements to determine what constellation of them might most fully exploit the truth tracking potential of majoritarian democracy The book closes with a discussion of how epistemic democracy might be undermined using as case studies the Trump and Brexit campaigns

Rush to Judgment Mark Lane, 1966 **Matthew 1-13** Manlio Simonetti, Thomas C. Oden, 2001-09-10 The Gospel of Matthew stands out as a favorite biblical text among patristic commentators including Origen Hilary of Poitiers Jerome Theodore of Heraclea Cyril of Alexandria John Chrysostom Augustine and more In this ACCS volume the rich abundance of patristic comment provides a feast of ancient interpretation of the First Gospel *Language and Power in Court* J. Cotterill, 2003-10-14 Sociolinguists and lawyers will find insight and relevance in this account of the language of the courtroom as exemplified in the criminal trial of O J Simpson The trial is examined as the site of linguistic power and persuasion focusing on the role of language in re presenting and re constructing the crime In addition to the trial transcripts the book draws on Simpson s post arrest interview media reports and post trial interviews with jurors The result is a unique multi dimensional insight into the Trial of the Century from a linguistic and discursive perspective
