Ruskin Bembridge Brantwood:

Ruskin, Bembridge and Brantwood James S. Dearden, 1994 John Ruskin Timothy Hilton, 2002-01-01 John Ruskin one of the greatest writers and thinkers of the nineteenth century was also one of the most prolific Not only did he publish some 250 works but he also wrote lectures diaries and thousands of letters that have not been published This book draws on the original source material to give a moving account of the life of this brilliant and creative man *Legacies of Romanticism* Carmen Casaliggi, Paul March-Russell, 2013-03-05 This book visits the Romantic legacy that was central to the development of literature and culture from the 1830s onward Although critical accounts have examined aspects of this long history of indebtedness this is the first study to survey both Nineteenth and Twentieth century culture The authors consider the changing notion of Romanticism looking at the diversity of its writers the applicability of the term and the ways in which Romanticism has been reconstituted The chapters cover relevant historical periods and literary trends including the Romantic Gothic the Victorian era and Modernism as part of a dialectical response to the Romantic legacy Contributors also examine how Romanticism has been reconstituted within postmodern and postcolonial literature as both a reassessment of the Modernist critique and of the imperial contexts that have throughout this time frame underpinned the Romantic legacy bringing into focus the contemporaneity of Romanticism and its political legacy This collection reveals the diversity and continuing relevance of the genre in new and exciting ways offering insights into writers such as Browning Ruskin Pater Wilde Lewis MacNeice and Auster John Ruskin, Henry James and the Shropshire Lads Cynthia J. Gamble, 2008 This fascinating book leads us to Shropshire s beautiful little places John Ruskin that inspired great writers painters politicians diplomats and clergymen In the first part of the book John Ruskin the greatest of the great Victorians is presented among his stimulating circle of interesting and unusual Shropshire friends such as Broseley born Osborne Gordon his sister Jane and her husband John Pritchard Edward Cheney of Badger Hall Venice and London Ruskin s own visits to Shropshire from an early age were inspirational he returned and sketched among the ruins of Wenlock Priory In the second part of the book Henry James following in the steps of his fellow countryman Henry Adams discovers Shropshire James seeks savours and imbibes impressions in its Abbeys and Castles not forgetting his rambles high on Wenlock Edge with stunning views over the Shropshire countryside and Wales *John Ruskin: Praeterita* John Ruskin, 2019-08-07 Praeterita is perhaps the best loved of all the fruits of Ruskin s many sided and tormented genius This exceptional biography the first of Ruskin s works in the Whitehouse edition simultaneously presents a deeply reflective portrait of an early 19th century Protestant family its genuine piety its severities its suffocating possessive affections and the product at once intellectually brilliant and emotionally damaged of its educational system *John Ruskin* James S. Dearden, 1999-01-01 Despite professing a dislike of having his portrait taken John Ruskin s footsteps were dogged by portrait painters sculptors caricaturists and photographers from the cradle to the grave and beyond A thoroughly accessible book it lists and describes some 331 likenesses made between 1822

and 1998 The three introductory chapters to this book survey Ruskin portraiture and the portraits his general physical appearance throughout his life his hands his mouth his various illnesses and their effect on his appearance his clothes style of dress size tailors their bills etc These opening chapters include many descriptions and reminiscences by Ruskin's friends and acquaintances and those who portrayed him The principal part of the book deals with the individual portraits their history where and why they were made what Ruskin was doing at that time of his life and what his connection was with the artists in question He was portrayed so regularly that this section is also effectively a potted Ruskin biography based on the portraits A catalogue raisonné of the Ruskin portraits follows where the physical details of the works are listed together with details of reproductions exhibitions and provenance
