Summary of Russell Brunson & Robert Kiyosaki's Expert Secrets Everest Media, 2022-03-24T22:59:00Z. Please note: This is a companion version, not the original book. Sample Book Insights: 1. To share your message, you must first build an audience of people who will listen to you. You can do this by focusing on a future-based cause that is bigger than yourself and by offering your audience a new opportunity. 2. Every great movement needs a leader. It's easy to assume that some people are just born leaders and others aren't, but that's not the case. Everyone is a leader in some way, whether it's through their own personal growth or contribution. 3. Your superpower, which is your ability to see things that need to be changed, is a gift that you have been given. It is a skill that people will pay hundreds of thousands of dollars to learn from you because you have spent so much time mastering it. 4. You are ready to help people now. You don't have to be the most knowledgeable person in your field, just one chapter ahead of the people you're helping. There will always be people who are more advanced than you. That's fine. You can learn from them.
