

Russia And The Soviet Union

John M Thompson

Russia And The Soviet Union:

Russia and the Soviet Union John M. Thompson, 2011-05 This lucid account of Russian and Soviet history presents major trends and events from ancient Kievan Rus to Vladimir Putin's presidency of the twenty-first century. Now thoroughly revised and updated, *Russia and the Soviet Union* addresses controversial topics including the impact of the Mongol conquest, the paradoxes of Peter the Great, the inevitability of the 1917 Revolution, the Stalinist terror, and the Gorbachev reform effort. The sixth edition includes a new chapter on Vladimir Putin, additional treatment of social and foreign policy issues, and an updated chapter on post-Soviet Russia and the Yeltsin era. Distinguished by its brevity and amply supplemented with useful maps, illustrations, photos, and suggested readings, this essential text provides balanced coverage of all periods of Russian history and incorporates economic, social, and cultural developments as well as politics and foreign policy. **A History of Russia and the Soviet Union** David MacKenzie, Michael W. Curran, 1982 **Russia and the Soviet Union** Warren Bartlett Walsh, 1968 **Russia and the Soviet Union** John M. Thompson, 2012-12-04 This lucid account of Russian and Soviet history presents major trends and events from ancient Kievan Rus to Vladimir Putin's renewed presidency of the twenty-first century. *Russia and the Soviet Union* does not shy away from controversial topics including the impact of the Mongol conquest, the paradoxes of Peter the Great, the inevitability of the 1917 Revolution, the Stalinist terror, and the Gorbachev reform effort. Tackling those topics and others, Thompson's seventh edition is updated to discuss the flawed parliamentary elections to the Russian Duma in December 2011, as well as the election of Vladimir Putin to a second non-consecutive term as president of Russia in March 2012. Recent sociopolitical changes are reflected in a thoroughly rewritten Chapter 15 on the New Russia and a new Chapter 16 discussing Vladimir Putin and Dmitri Medvedev. Distinguished by its brevity and amply supplemented with useful images and suggested readings, this essential text provides balanced coverage of all periods of Russian history and incorporates economic, social, and cultural developments as well as politics and foreign policy. **The Soviet Union Since 1917** Martin McCauley, 1981 **A Vision Unfulfilled** John M. Thompson, William Ewing Gleason, 1996 Unlike most Soviet-centered histories, *A Vision Unfulfilled* begins with a chapter summarizing late nineteenth-century Russian history, allowing instructors to begin their course with 1894, 1905, 1914, or 1917. The book also gives fuller attention to the history of the non-Russian populations in the tsarist and Soviet empires than other texts of its kind. **Russia And The Soviet Union** John M. Thompson, 1994-10-09 *Russia, the Soviet Union, and the United States* John Lewis Gaddis, 1990 From the capricious reign of Catherine the Great and Alexander I to the provocative leadership of Mikhail Gorbachev, the author concentrates on the interplay between interests and ideologies in the relationship between the United States and the Soviet Union in an even-handed, non-ideological narrative. *Russia and the Soviet Union* John R. Thompson, 1986 *Russia and the Soviet Union*, 1965

Embark on a transformative journey with Written by is captivating work, **Russia And The Soviet Union** . This enlightening ebook, available for download in a convenient PDF format , invites you to explore a world of boundless knowledge.
