For the calculation of the timing of Career indicated in the horoscope, the knowledge of the impact of planets, house strength, Aspect and major period, sub period and transit are used. The book is a unique book which is very informative and also easy to understand. One book is truly the equivalent of several books on astrology. Selection of career between job and business is a very crucial and important decision of life. Following the planetary strength of your horoscope, Vedic astrology readings are reasonably useful to help you in selecting the best option between job and business. In brief, the following aspects of a horoscope are to be analyzed to find out the best suitable option between Job and Business with astrology readings of ascendant, tenth, third, fifth and sixth Bhava and the nature of all these planets involved. This knowledge can help the individual make use of latent potentials and approach life's challenges with greater care and purpose. By understanding the karmic patterns reflected in the horoscope, it is possible to work with these tendencies and potentials to promote greater peace, prosperity and happiness in life. The light that is shed on a dire personal situation by Vedic Astrology is priceless. The ancient Vedic system provides a predictive system that can accurately predict the Profession and Career.

The Best Profession and Career Astrology

Ram Babu Sao, This book, The Best Profession and Career Astrology, is a unique and very simple to understand its language. One book is truly the equivalent of several books on astrology. Vedic Astrology Jyotish is a powerful tool for gaining profound knowledge about every aspect of life. Each person is born with a unique set of psychological tendencies and life potentials. The horoscope shows us what we are presently working with based on our past actions and thoughts. Besides providing deep insight into the past and present, the horoscope can also show future trends and events. Vedic astrology readings of your horoscope can not do much about it but at least make you aware of the fruitfulness of your potential in the specific direction of career. And with proper mentoring and understanding, you can safeguard yourself from sacrificing your life just for the sake of money. Before addressing the suitability of a specific arena for the job, business or any other professional activity, the prime requirement is to consider the overall potency of a horoscope for professional matters. Selection of career between job and business is a very crucial and important decision of life.
