Webb**

Scottish Electorate The 1997 General Election And Beyond:

The Scottish Electorate A. Brown,D. McCrone,L. Paterson,Paula Surridge,1998-12-20 The book draws on original academic research to discuss the outcome of the 1997 general election in Scotland and the likely future shape of Scotland's politics It offers the most rigorous and up to date assessment of Scottish electoral politics that is available setting the 1997 Scottish result in a comparative context with the rest of Britain and in a context of changing political attitudes and behaviour since the 1970s The 1997 General Election ranks alongside 1945 and 1979 as a turning point in the post war United Kingdom The overwhelming endorsement of a Scottish Parliament in the September 1997 referendum will have dramatic implications for Scottish and British politics This book enhances understanding of these developments and analyzes the relationship between national identity and the policy agenda as Scotland moves towards a new constitutional future *Politics in Scotland* Duncan McTavish,2016-06-23 Politics in Scotland is an authoritative introduction to the contemporary political landscape in Scotland and an essential text for undergraduate and postgraduate students of Scottish Politics Written by leading experts in the field it is coherently organised to provide a clear and comprehensive overview of a range of themes in contemporary Scottish Politics Key topics include Government and electoral behaviour Representation and political parties in Scotland Public policy and Scotland's relationship with the rest of the world Scottish politics both in the run up to and after the 2014 referendum The Future of Scottish government and politics This textbook will be essential reading for students of Scottish politics British Politics devolution government and policy *British Elections & Parties Review* Colin Rallings,Roger Scully,Jonathan Tonge,Paul Webb,2004-08-02 Containing contributions from leading names in British politics this review continues to publish front rank research on parties elections and voting behaviour in Britain **Secessionism and Separatism in Europe and Asia** Jean-Pierre Cabestan,Aleksandar Pavković,2013-01-03 The boundaries between secessionism and separatism are often blurred and in many cases study of secessionism encompasses that of separatism and vice versa Recognising this inherent relationship this book provides a comparative survey of recent attempts at secession and separatist movements from across Europe and Asia and assesses the responses of the respective host governments The essays address two main questions which arise from the relationship between state governments and secessionist movements first how secessionist or separatist movements gather support and mobilize their target populations and second how central political authorities respond to the challenges that secessionist or separatist movements pose to their capacity to control the country With political analysis of recent cases ranging from the Balkans the USSR the UK and the Basque Country to Sri Lanka Burma China Tibet and Taiwan the authors identify both similarities and differences in the processes and outcomes of secessionist and separatist movements across the two distinct regions This volume will be an invaluable resource for those who wish to understand the dynamics of secessionist movements and as such will appeal to students and scholars of Asian and European politics comparative politics international relations and conflict studies It will also be helpful to practitioners

and policy makers who wish to understand and contribute to the resolution of such conflicts

Europe's Contending Identities Andrew C. Gould, Anthony M. Messina, 2014-02-17 How European are Europeans Is it possible to balance national citizenship with belonging to the European Union overall Do feelings of citizenship and belonging respond to affiliations to regions religions or reactionary politics Unlike previous volumes about identity in Europe this book offers a more comprehensive view of the range of identities and new arguments about the political processes that shape identity formation The founders of European integration promised an ever closer union Nationalists respond that a people should control their own destiny This book investigates who is winning the debate The chapters show that attitudes toward broader political communities are changing that new ideas are gaining ground and that long standing trends are possibly reversing course

Whatever Happened to Tory Scotland? David Torrance, 2012-10-31 Explores the history and ideas of the Scottish Conservative Party since its creation in 1912

Love and Politics Fiona Mackay, 2001-08-02 This volume is the first to use insights from recent feminist theory on the ethic of care to study the slow progress women have made toward political equality Using empirical case study materials including her own interviews with female politicians Mackay examines care as both a political practice and a political idea using it to explain the current situation with regard to women's representation and to offer a prescription and resource for change

Power and Identity Denis Sindic, Manuela Barreto, Rui Costa-Lopes, 2014-12-05 The concepts of power and identity are vital to many areas of social research In this edited collection a prominent set of contributors explore the double relationship between power and group identity focusing on two complementary lines of enquiry In what ways can the powerful dictate the identities of the powerless How can the powerless redefine their identity to challenge the powerful Each chapter is written by leading authorities in the field and investigates a particular aspect of the interplay of identity and power via a range of empirical contexts such as colonialism nationalism collective action and electoral politics The case studies include early modern Goa under Portuguese rule the tribes of modern day Jordan the use of sexual stereotyping and objectification by female activists seeking to transform social systems and a revisiting of the classic Stanford Prison Experiment The chapters include contributions from a variety of social disciplines and research methodologies and together provide a comprehensive overview of a subject at the cutting edge of social and political psychology Power and Identity will be of great interest to researchers graduates and upper level undergraduate students from across the social sciences

Nationalism and the State Nicola McEwen, 2006 Since the mid 1970s many developed states have reduced the size and scope of their welfare systems At the same time states have faced growing demands for self government from national minorities These twin processes have had a substantial impact upon the structure power and legitimacy of the state yet few have considered their inter relationship This book aims to fill this gap by conducting a focused comparison of nationalism and welfare development in Scotland and Quebec The recent emergence of Scottish and Quebecois nationalism took place against a backdrop of welfare retrenchment Did the post war welfare state

contain these territorial identities and strengthen attachment to the state among Scots and Quebecers Did the retrenchment of state welfare lead to demands for greater self government Demands for Scottish self government led to the creation of the Scottish Parliament and the devolution of power over wide areas of social policy The book examines the complexities of welfare development in multi level states drawing upon the Quebec Canada experience to explore the relationship between nationalism and welfare development in post devolution Scotland

Sovereignty and the Global Community Howard M. Hensel, 2017-11-28 International normative standards constitute a major influence on the policies of states and other actors in the international system as well as on the development of the international system itself This case study rich volume demonstrates the relevance of international normative ideals and standards outlining some of the major opportunities for and the challenges affecting co operation among members of the international community Contemporary problems such as weapons of mass destruction refugees and internally displaced persons ethnic conflict and the environment are all explored in this timely volume Sovereignty and the Global Community will prove an excellent resource for all interested in issues of sovereignty sustainable development resource management and the peaceful resolution of conflicts

Independence for Scotland! Independence for Scotland? Theoretical and Practical Reflections on the 2014 Referendum and its Possible Outcomes Didier Revest, 2014-06-02 In March 2013 Scottish First Minister Alex Salmond announced that the long awaited referendum on Scottish independence would take place on 18 September 2014 More often than not those in favour of an independent Scotland present their fight as a constitutional means to a socio economic end In the words of Alex Salmond himself Progress to independence Not for its own sake not let s be independent so we can hoist the Saltire Let s be independent so we can better the lives of the Scottish people quoted by Tom Peterkin Alex Salmond I d be a labourer if it wasn t for Mum Scotland on Sunday 16 January 2011 If as suggested by the quote breaking with the rest of the UK automatically means improved socio economic performance one consequently has to accept that there is only one constraint weighing Scotland down and that it is the Union However is it all really that simple Another commonly overlooked difficulty is that independence that is to say a Scottish state for a Scottish nation inevitably goes hand in hand with a redefinition of national solidarity within a strictly Scottish context This begs the question how do Nationalists justify this redefinition when their country has been an integral part of a particularly fluid group of nations since the early 18th century The last delicate issue raised by the Scottish referendum has to do with state building and the Nationalists heavy reliance on the promotion of civic nationalism despite the notion s inherent limits

Hierarchies of Belonging Ailsa Henderson, 2007-11-02 Nationalism has long been a potent political force in Scotland and Quebec Hierarchies of Belonging explores the construction of national identity and nationalism and its effect on how citizens of Scotland and Quebec understand their relationship to the nation and the state

Who Governs Scotland? Alex Wright, 2005 This book addresses the premise that the question of who governs Scotland has become increasingly ambiguous thanks in part to European integration globalization and

devolution within the UK It argues that although the concept of Multi level governance helped illuminate regionalism with the EU it was not an appropriate model for Scotland This well researched and powerfully argued book adds greatly to the debate on constitutional reform and offers invaluable insight into the Scottish Parliament s foreign affair agenda It offers an illuminating read to students policy makers and politicians *Wealthier, Fairer Scotland* Michael Keating, 2017-03-08 The ambition of the Scottish Government is to create a wealthier and fairer nation Following the devolution acts of 1998 2012 and 2016 it has extensive powers and resources to fulfill its ambition This interdisciplinary collection of essays asks how it can be achieved given the range of powers available economic constraints institutions and public support Looking at economic policy taxation and welfare it provides a realistic analysis of the opportunities and constraints facing a small devolved nation After years of debate on what powers Scotland should have this book examines how they might be used to shape the country s future *Using Europe: territorial party strategies in a multi-level system* Eve Hepburn, 2013-07-19 This book explores how regional political parties use Europe to advance their territorial projects in times of rapid state restructuring It examines the ways in which decentralization and supranational integration have encouraged regional parties to pursue their strategies across multiple territorial levels This book constitutes the first attempt to unravel the complexities of how nationalist and statewide parties manoeuvre around the twin issues of European integration and decentralization and exploit the shifting linkages within multi level political systems In a detailed comparative examination of three cases Scotland Bavaria and Sardinia over a thirty year period the book explores how integration has altered the nature of territorial party competition and identifies the limits of Europe for territorial projects In addressing these issues this work moves beyond present scholarship on multi level governance to explain the diversity of regional responses to Europe By providing important new insights and empirical research on the conduct of territorial party politics and an innovative model of territorial mobilization in Europe this book will be of great interest to students and scholars of comparative politics European studies regionalism and federalism political parties and devolution *Plurinational Democracy* Michael Keating, 2001-11-15 Transnational integration and other challenges to the nation state have deprived it of its mystique and broken the automatic link between state and nation This has encouraged the revival of stateless nationalisms but also provided new means for their accommodation The author argues that these changes call for a radical rethinking of the nature of sovereignty and of the state itself to meet the twin challenges of recognition of nationality and of democracy Drawing on the experience of four plurinational states United Kingdom Spain Belgium and Canada and of the European Union he analyses the challenges of plurinationalism and its recognition Keating argues that we are not moving to a world without states but to a complex political order with multiple sites of sovereign authority and asymmetrical constitutional arrangements This political order is new but at the same time old as traditions of diffused authority and shared sovereignty from before the rise of the nation state are rediscovered and rehabilitated Democracy can no longer be confined to the framework of the nation state but must

extend to the new political spaces which are emerging above and below the state Political movements and public opinion in the stateless nations are increasingly embracing these ideas and are the harbingers of a post sovereign political order

Anti-Capital: Human, Social and Cultural Jacek Tittenbrun, 2016-04-15 The notion of capital has enjoyed a rich career in the social sciences its use across a range of subjects and in diverse academic and professional contexts having served to establish its conceptual status as given With particular attention to human and social capital including cultural capital this book traces the roots of this theoretical and conceptual trend to economics revealing the proliferation of various forms of capital to be based upon an encroachment of the conceptual apparatus of economics into other social sciences Offering an in depth critical analysis of the concepts of human and social capital as well as their surrounding theories Anti Capital Human Social and Cultural proposes an alternative theoretical framework whilst better explaining the realities that they mask in economic terms A rigorous exploration of the most popular forms of capital in the contemporary social sciences this book will be of interest to scholars and students of sociology political and social theory demography and economics

The Changing Politics of Gender Equality E. Breitenbach, A. Brown, F. Mackay, J. Webb, 2016-01-28 This comprehensive collection brings together key academics activists and practitioners to review the changing politics of the project of gender equality It gives account of the evolution of gender equality policies and practice at different levels of governance in Britain over the past three decades Thinking and work around equal opportunities have been fundamentally shaped by changing political conditions The contributors review past policies and practices before moving on to explore the opportunities and challenges for the future

Multinational Federalism Alain-G Gagnon, 2015-12-17 A collection of state of the art reflections by fourteen leading experts in the field of multinational federalism Seymour and Gagnon have gathered contributions from philosophers political scientists and jurists dealing with the accommodation of peoples in countries like Belgium Canada Europe Great Britain India and Spain

The British Constitution Anthony King, 2007-11-01 In the latter part of the nineteenth century Walter Bagehot wrote a classic account of the British constitution as it had developed during Queen Victoria's reign He argued that the late Victorian constitution was not at all what people thought it was Anthony King argues that the same is true at the beginning of this century Most people are aware that major constitutional changes have taken place but few recognize that their cumulative effect has been to change entirely the nature of Britain's constitutional structure The old constitution has gone The author insists that the new constitution is a mess but one that we can make the best of The British Constitution is neither a reference book nor a textbook Like Bagehot's classic it is written with wit and mordant humour by someone who is a journalist and political commentator as well as a distinguished academic The author maintains that while the new British constitution is a mess there is no going back now As always he says nostalgia is a good companion but a bad guide Far from shying away from the thorniest issues facing the British polity today the author grapples with them head on He offers a trenchant analysis of the increasingly divergent relationship between England Scotland and

Wales in the light of devolution and a devastating critique of an all elected House of Lords whose benches the author fears risk being adorned by a miscellaneous assemblage of party hacks political careerists clapped out retired or defeated MPs has been never written and never could possibly be written The book is a Bagehot for the twenty first century the product of a lifetime's reflection on British politics and essential reading for anyone interested in how the British system has changed and how it is likely to change in future

Getting the books **Scottish Electorate The 1997 General Election And Beyond** now is not type of inspiring means. You could not deserted going like books store or library or borrowing from your friends to entrance them. This is an entirely simple means to specifically acquire guide by on-line. Scottish Electorate The 1997 General Election And Beyond Introduction

In the digital age, access to information has become easier than ever before. The ability to download Scottish Electorate The 1997 General Election And Beyond has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Scottish Electorate The 1997 General Election And Beyond has opened up a world of possibilities. Downloading Scottish Electorate The 1997 General Election And Beyond provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Scottish Electorate The 1997 General Election And Beyond has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Scottish Electorate The 1997 General Election And Beyond. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Scottish Electorate The 1997 General Election And Beyond. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Scottish Electorate The 1997 General Election And Beyond, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Scottish Electorate The 1997 General Election And Beyond has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Scottish Electorate The 1997 General Election And Beyond Books
