Scottish Highland Estate Preserving An Environment:

The Scottish Highland Estate Michael Wigan, 1991-01-01 **Between Two Waters** Pam Brunton, 2024-09-12 WINNER OF THE FORTNUM MASON FOOD AND DRINK AWARDS SHORTLISTED FOR THE GUILD OF FOOD WRITERS DEBUT BOOK AWARD LONGLISTED FOR THE HIGHLAND BOOK PRIZE HIGHLY COMMENDED BY THE SOPHIE COE PRIZE FOR FOOD WRITING A FINANCIAL TIMES BOOK OF THE YEAR I laughed and cried a little reading the book with Pam's voice in my head A true inspiration on every level as a memoir and as only Pam can tell us all what we need to do ANGELA HARTNETT OBE When world class chef Pam first opened Inver her restaurant on the shores of Loch Fyne she set out to discover what makes modern Scottish food or if it even existed This book traces Pam's journey to answer that question and in doing so reveals what we can all gather from our culinary heritage Part memoir part manifesto on the future of feeding the world and a feminist critique of the food business it documents the difficult early days of her now multiple award winning restaurant reflecting on how the immersive experience of destination restaurants can both help and hinder our understanding of wider land and food culture From the soil to the kitchen *Between Two Waters* interrogates the influences on what we eat capitalism colonialism and gender as well as our own personal and cultural histories Yet it also captures with real heart all that the dinner table has to offer us sustenance both physical and imaginative challenges and adventure and most importantly communion with others More than anything it is a blisteringly original work from one of the world's most innovative thinkers about food sustainability and landscape Environment and Business Alasdair Blair, David

Hitchcock, 2004-08-02 This text examines how businesses and the environment interact It is ideal for students with no previous knowledge of business studies It examines in depth the ways in which business industry the physical environment environmentalism and social change have evolved alongside each other The authors use boxed case studies to highlight how business practice and the environment interact at levels from local to global with examples from multinational companies government bodies national charities and local enterprise The book also contains a large number of informative diagrams The case studies include Shell Oil's environmental policy railways and the industrial revolution the British National Trust's business enterprises Sainsbury's approach to organic foods Australia's landcare scheme changing trends in retailing Brent Spar big game hunting and conservation **Managing Scotland's Environment** Charles R. Warren, 2002 This book is illustrated with photographs and maps and diagrams It is designed for those studying Scotland's environment at undergraduate and graduate level and for those engaged in farming forestry conservation game sports and employment

Last of the Free James Hunter, 2011-03-25 Written by award winning Scottish historian James Hunter this groundbreaking and definitive account reveals how the Highlands and Islands of Scotland have evolved from a centre of European significance to a Scottish outpost Never before has the history of the region been recounted so comprehensively and in so much fascinating often moving detail But this book is not simply the story of humanity's millennia long involvement

with one of the world's most spectacular localities. It is also a major contribution to present day debate about how Scotland and Britain should be organised.

Scottish Exodus James Hunter, 2011-03-25 Millions of Scots have left their homeland during the last 400 years. Until now they have been written about in general terms. *Scottish Exodus* breaks new ground by taking particular emigrants drawn from the once powerful Clan MacLeod and discovering what happened to them and their families. These people became among other things French aristocrats, Polish resistance fighters, Texan ranchers, New Zealand shepherds, Australian goldminers, Aboriginal and African American activists, Canadian mounted policemen and Confederate rebels. One nineteenth century MacLeod even went so far as to swap his Gaelic for Arabic and his Christianity for Islam before settling down comfortably in Cairo. This gripping account of Scotland's worldwide diaspora is based on unpublished documents, letters and family histories. It is also based on the author's travels in the company of today's MacLeods, some of them still in Scotland, others further afield. *Scottish Exodus* is a tale of disastrous voyages, famine and dispossession, the hazards of pioneering on faraway frontiers. But it is also the moving story of how people separated from Scotland by hundreds of years and thousands of miles continue to identify with the small country where their journeyings began.

On the Other Side of Sorrow James Hunter, 2014-07-03 Caring for the environment, developing rural communities and ensuring the survival of minority cultures are all laudable objectives but they can conflict and nowhere more so than the Scottish Highlands. As environmentalists strive to preserve the scenery and wildlife of the Highlands, the people who belong there and who have their own claims on the landscape question this threat to their culture which dates back thousands of years. In this acclaimed and thought provoking book James Hunter examines the dispute between Highlanders who developed a strong environmental awareness, countless generations before other Europeans, and conservationists whose thinking owes much to the romantic ideals of the nineteenth century. More than that, he also suggests a new way of dealing with the problem, advocating drastic land use changes and the repopulation of empty glens, an approach which has worldwide implications.

Scotland's Landscape Anna Paterson, 2002 An exploration of the juxtaposition between cultural attitudes and national policies on the Scottish environment which offers a fascinating contrast between the landscape in imagination and in practical policy.

Scotland Dennis Smith, Paul Barnaby, Ulrike Morét, 1998 Scotland is probably the only sovereign nation to have chosen in a more or less free vote to surrender its independence in order to merge with a larger, more powerful neighbour. For most of the period since the Union of 1707 the Scots were enthusiastic partners with England in creating and administering the British Empire. Inevitably therefore the end of empire caused an identity crisis in Scotland. For more than a century pressure for political home rule produced no tangible results.

Scottish Life and Society: Bibliography for Scottish ethnology, 2000

The Scandinavian Sporting Tour Pia Sillanpää, 2002

Who Owns Scotland Andy Wightman, 1996 This is a comprehensive account and analysis of landownership in Scotland. Drawing on a wide range of sources, it lists the owners of Scotland and analyzes the current pattern of landownership and how it has evolved over the centuries.

Exploring

Environmental History T. C Smout,2011-08-16 This volume brings together the best of T C Smout s recent articles and contributions to books and journals on the topic of environmental history *Managing Tourism Firms* Clive L. Morley,2007 In this volume Dr Clive Morley presents a series of papers designed to illustrate facets of managing organisations engaged in tourism Back cover Scotland Richenda Miers,1991 The British National Bibliography Arthur James Wells,2000

The Rough Guide to Scottish Highlands & Islands Rob Humphreys,Donald Reid,2004 This guide highlights the best places to sleep eat and drink in the Highlands and Islands It includes coverage of all major and minor outdoor activities hiking trails and mountain bike routes **Deer of Britain and Ireland** Peter Carne,2000 An account of the history and distribution of deer in Britain and Ireland It describes the various species found in the wild and examines the environmental impact of their rising numbers management trends and problems arising from them The author is a contributor to Stalking Magazine Heaths and Moorland D. B. A. Thompson,Alison J. Hester,Michael B. Usher,1995 Western Europe has a wide range of heathers and moorland with Great Britain and Ireland having optimum conditions for the full development of heather Scotland has a mixture of blanket bogs wet heathers and moorland scapes shaped by burning and other sorts of management mainly for red grouse hill sheep and red deer This text celebrates these landscapes their history habitats wildlife and beauty It also incorporates the ecologist Professor Charles H Gimingham to develop the study of heaths and moorland Days of Deer-stalking in the Scottish Highlands William Scrope,1883
